Loyalty And Locality Popular Allegiance In Devon During The English Civil War

Barry Coward, Peter Gaunt

Loyalty And Locality Popular Allegiance In Devon During The English Civil War:

Loyalty and Locality Mark Stoye, 1994 Loyalty and Locality is a study of popular behaviour during the English Civil War The book makes three main claims The first is that English counties did not behave as homogeneous units as county communities during the conflict of 1642-46 they divided instead along regional lines certain areas supporting Parliament others supporting the King The second is that this general rule applied to cities too and that in urban communities just as in the countryside it is possible to discern both Royalist and parliamentary parishes The third is that these internal divisions were not simply temporary alignments conjured up by the extraordinary circumstances of 1642-46 but that they reflected deep and enduring splits in local society contrasting patterns of popular behaviour stretching back over very many years Mark Stoye's book explores these themes primarily through a study of events in Devon and Exeter *The Causes of the English Civil War* Ann Hughes, 1998-12-14 This book is intended as a guide and introduction to recent scholarship on the causes of the English civil war It examines English developments in a broader British and European context and explores current debates on the nature of the political process and the divisions over religion and politics It then analyses renewed attempts to set the civil war in a social context and to connect social change to broad cultural cleavages in England The author also provides her own positive interpretation which takes account of the valuable insights of revisionist approaches but concludes that long term ideological divisions and tensions arising from social change were crucial in causing the civil war *The English Civil War* Diane Purkiss, 2009-03-25 In this compelling history of the violent struggle between the monarchy and Parliament that tore apart seventeenth century England a rising star among British historians sheds new light on the people who fought and died through those tumultuous years Drawing on exciting new sources including letters memoirs ballads plays illustrations and even cookbooks Diane Purkiss creates a rich and nuanced portrait of this turbulent era The English Civil War's dramatic consequences rejecting the divine right monarchy in favor of parliamentary rule continue to influence our lives and in this colorful narrative Purkiss vividly brings to life the history that changed the course of Western government **Royalists at War in Scotland and Ireland, 1638-1650** Barry Robertson, 2016-04-08 Analysing the make up and workings of the Royalist party in Scotland and Ireland during the civil wars of the mid seventeenth century Royalists at War is the first major study to explore who Royalists were in these two countries and why they gave their support to the Stuart kings It compares and contrasts the actions motivations and situations of key Scottish and Irish Royalists paying particular attention to concepts such as honour allegiance and loyalty as well as practical considerations such as military capability levels of debt religious tensions and political geography It also shows how and why allegiances changed over time and how this impacted on the royal war effort Alongside this is an investigation into why the Royalist cause failed in Scotland and Ireland and the implications this had for crown strategy within a wider British context It also examines the extent to which Royalism in Scotland and Ireland differed from their English counterpart which in turn allows an assessment to be

made as to what constituted core elements of British and Irish Royalism

The County Community in Seventeenth Century England and Wales Jacqueline Eales, Andrew Hopper, 2012-07 Honoring the memory of Professor Alan Everitt who advanced the fruitful notion of the county community during the 17th century this volume proposes some modifications to Everitt's influential hypotheses in the light of the best recent scholarship With an important reevaluation of political engagement in civil war Kent and an assessment of numerous midland and southern counties as well as Wales this record evaluates the extraordinary impact of Everitt's book and the debate it provoked Comprehensive and enlightening this collection suggests future directions for research into the relationship between the center and localities in 17th century England

Understanding Popular Violence in the English Revolution John Walter, 1999-06-10 This is a critical reevaluation of one of the best known episodes of crowd action in the English Revolution in which crowds in their thousands invaded and plundered the houses of the landed classes The so called Stour Valley riots have become accepted as the paradigm of class hostility determining plebeian behaviour within the Revolution An exercise in micro history the book questions this dominant reading by trying to understand the inter related contexts of local responses to the political and religious counter revolution of the 1630s and the confessional politics of the early 1640s It explains both the outbreak of popular violence and its ultimate containment in terms of a popular and parliamentary political culture that legitimised attacks on the political but not the social order The book also advances a series of general arguments for reading crowd actions and questions how the history of the English Revolution has been written

Government and Politics in Kent, 1640-1914 H. C. F. Lansberry, 2001 Early modern Kent with emphasis on changes in government from private patronage to a broader commercial and professional power base This volume the seventh in the Kent History Project complements those already published on The Economy of Kent and Religion and Society in Kent between 1640 and 1914 The volume begins with an important new assessment of the impact of the Civil Wars and Interregnum in Kent which challenges some of the interpretations of previous studies of this period of Kent's history The major thrust of the volume is however the transformation of Kent's government from a system controlled by a small number of landed families into one in which on the eve of the First World War a much broader range of people from the commercial industrial and professional classes was involved There are also detailed studies of political radicalism in Kent between the late eighteenth and early twentieth centuries and of the impact of crime and the maintenance of public order The text is supported by appropriate maps tables and contemporary illustrations Contributors BRIAN ATKINSON BRUCE AUBRY JACQUELINE EALES PAUL HASTINGS BRYAN KEITH LUCAS FREDERICK LANSBERRY ELIZABETH MELLING

The English Revolution and the Wars in the Three Kingdoms, 1638-1652 I.J. Gentles, 2014-06-06 Ian Gentles provides a riveting in depth analysis of the battles and sieges as well as the political and religious struggles that underpinned them Based on extensive archival and secondary research he undertakes the first sustained attempt to arrive at global estimates of the human and economic cost of the wars

The many actors in the drama are appraised with subtlety Charles I while partly the author of his own misfortune is shown to have been at moments an inspirational leader The English Revolution and the Wars in the Three Kingdoms is a sophisticated comprehensive exciting account of the sixteen years that were the hinge of British and Irish history It encompasses politics and war personalities and ideas embedding them all in a coherent and absorbing narrative **Turncoats and Renegadoes** Andrew Hopper,2012-11-15 Turncoats and Renegadoes is the first dedicated study of the practice of changing sides during the English Civil Wars It examines the extent and significance of side changing in England and Wales but also includes comparative material from Scotland and Ireland The first half identifies side changers among peers MPs army officers and common soldiers before reconstructing the chronological and regional patterns to their defections The second half delivers a cultural history of treachery by adopting a thematic approach to explore the social and cultural implications of defections and demonstrating how notions of what constituted a turncoat were culturally constructed Side changing came to dominate strategy on both sides at the highest levels Both sides reviled yet sought to take advantage of the practice whilst allegations of treachery came to dominate the internal politics of royalists and parliamentarians alike The language applied to turncoats and renegadoes in contemporary print is discussed and contrasted with the self justifications of the side changers themselves as they sought to shape an honourable self image for their families and posterity Andrew Hopper investigates the implementation of military justice along with the theatre of retribution surrounding the trial and execution of turncoats He concludes by arguing that far from side changing being the dubious practice of a handful of aberrant individuals it became a necessary survival strategy for thousands as they navigated their way through such rapidly changing events He reveals how side changing shaped the course of the English Revolution even contributing to the regicide itself and remained an important political legacy to the English speaking peoples thereafter Ever Faithful David Sartorius,2014-01-10 Challenging assumptions that loyalty to the Spanish empire was the exclusive province of the white Cuban elite this groundbreaking history brings attention to free and enslaved people of African descent who actively supported colonialism To Settle the Crown Jonathan Worton,2016-03-15 While the First or Great English Civil War of 1642-6 was largely contested at regional and county level in often hard fought and long lasting local campaigns historians often still continue to dwell on the well known major battles such as Edgehill and Naseby and the prominent national leaders To help redress this imbalance To Settle The Crown Waging Civil War in Shropshire 1642-1648 provides the most detailed bipartisan study published to date of how the war was actually organized and conducted at county level This book examines the practicalities the nuts and bolts of contemporary warfare by reconstructing the war effort of Royalists and Parliamentarians in Shropshire an English county on the borderland of Wales a region that witnessed widespread fighting Shropshire was contested during the First Civil War when it became one of the most heavily garrisoned counties in England and Wales and experienced renewed conflict during the Second Civil War of 1648 Based on a Doctoral thesis and therefore drawing primarily on contemporary sources revealing

much new information To Settle The Crown examines key aspects of the military history of the English Civil Wars allegiance and motivation leadership and administration recruitment and the form of armed forces military finance logistics and the nature and conduct of the fighting Furthermore while previous studies have tended to concentrate on the Parliamentarians the comparatively plentiful evidence from Shropshire has allowed the Royalist war effort there to be reconstructed in rare detail This book reveals for the first time the extent of military activity in Shropshire describing the sieges skirmishes and larger engagements while reflecting on the nature of warfare elsewhere across Civil War England and Wales In also providing a social context to the military history of the period it explains how Royalist and Parliamentary activists set local government on a wartime footing and how the populace generally became involved in the administrative and material tasks of war effort Extensively illustrated fully referenced to an extensive bibliography and including a useful review of Civil War historiography To Settle The Crown Waging Civil War in Shropshire 1642-1648 is a significant fresh approach to the military history of the English Civil Wars

Politics and War in the Three Stuart Kingdoms, 1637-49 David Scott, 2017-03-14 The 1640s were one of the most exciting and bloody decades in British and Irish history This book interweaves the narrative threads in each theatre of conflict to provide an holistic account and analysis of the wars in and between England Scotland and Ireland from the Covenanter Rebellion to the execution of Charles I

Politics and War in the Three Stuart Kingdoms 1637-49 Stresses the need to examine the English Civil War within the context of the other conflicts in Scotland and Ireland and vice versa Explores key themes such as the relationship between armies and elites Assesses the extent to which the wars in and between the kingdoms were the product of religious and ethnic hatred Using a wide range of original and secondary sources and incorporating the latest research David Scott offers a challenging new interpretation of political structure and dynamics in the warring Stuart realms

The English Civil War John Adamson, 2008-12-16 John Adamson provides a new synthesis of current research on the political crisis that engulfed England in the 1640s Drawing on new archival findings and challenging current orthodoxies these essays by leading historians offer a variety of original perspectives locating English events firmly within a three kingdoms context

The Oxford Handbook of the English Revolution Michael J. Braddick, 2015-03-05 This Handbook brings together leading historians of the events surrounding the English revolution exploring how the events of the revolution grew out of and resonated in the politics and interactions of the each of the Three Kingdoms England Scotland and Ireland It captures a shared British and Irish history comparing the significance of events and outcomes across the Three Kingdoms In doing so the Handbook offers a broader context for the history of the Scottish Covenanters the Irish Rising of 1641 and the government of Confederate Ireland as well as the British and Irish perspective on the English civil wars the English revolution the Regicide and Cromwellian period The Oxford Handbook of the English Revolution explores the significance of these events on a much broader front than conventional studies The events are approached not simply as political economic and social crises but as challenges to the predominant forms of religious and

political thought social relations and standard forms of cultural expression The contributors provide up to date analysis of the political happenings considering the structures of social and political life that shaped and were re shaped by the crisis The Handbook goes on to explore the long term legacies of the crisis in the Three Kingdoms and their impact in a wider European context

Reader's Guide to British History David Loades,2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication

The Oxford Handbook of Literature and the English Revolution Laura Lunger Knoppers,2012-11-29 This Handbook presents a comprehensive introduction and thirty seven new analytical essays on the issues contexts and texts of the English Revolution Offering textual literary critical historical and methodological information the volume exemplifies new and diverse approaches to revolutionary writing and maps out future avenues of research

The Last Witches of England John Callow,2021-10-07 Fascinating and vivid New Statesman Thoroughly researched The Spectator Intriguing BBC History Magazine Vividly told BBC History Revealed A timely warning against persecution Morning Star Astute and thoughtful History Today An important work All About History Well researched The Tablet On the morning of Thursday 29 June 1682 a magpie came rasping rapping and tapping at the window of a prosperous Devon merchant Frightened by its appearance his servants and members of his family had within a matter of hours convinced themselves that the bird was an emissary of the devil sent by witches to destroy the fabric of their lives As the result of these allegations three women of Bideford came to be forever defined as witches A Secretary of State brushed aside their case and condemned them to the gallows to hang as the last group of women to be executed in England for the crime Yet the hatred of their neighbours endured For Bideford it was said was a place of witches Though pretty much worn away the belief in witchcraft still lingered on for more than a century after their deaths In turn ignored reviled and extinguished but never more than half forgotten it seems that the memory of these three women and of their deeds and sufferings both real and imagined was transformed from canker to regret and from regret into celebration in our own age Indeed their example was cited during the final Parliamentary debates in 1951 that saw the last of the witchcraft acts repealed and their names were chanted as both inspiration and incantation by the women beyond the wire at Greenham Common In this book John Callow explores this remarkable reversal of fate and the remarkable tale of the Bideford Witches

Religion and Society in Early Stuart England Darren Oldridge,2018-08-16 First published in 1998 this book presents an overview of some recent debates on the history of religion in England from the accession of James I to the outbreak of the Civil War Darren Oldridge rejects the polarisation of discussion on the meaning and impact of Laudianism s innovations and the effects of the zealous Puritans Instead the author draws them together to emphasise how each directly

influenced the other within a wider heightening of religious tension Two of its central themes are the impact of the ecclesiastical policies of Charles I and the relationship between puritanism and popular culture These themes are developed in eight related essays which emphasize the connections between church policy puritanism and popular religion The book draws on much original research from the Midlands as well as recent work by other scholars in the field to set out a new synthesis which attempts to explain the emergence of religious conflict in the decades before the English Civil War

Selling Cromwell's Wars Nicole Greenspan, 2015-10-06 Greenspan examines a selection of Cromwell's conflicts policies and imperial ventures to explore the ways in which the media was instrumental in developing promoting and legitimizing government actions

The Stuart Age Barry Coward, Peter Gaunt, 2017-02-16 The Stuart Age provides an accessible introduction to England's century of civil war and revolution including the causes of the English Civil War the nature of the English Revolution the aims and achievements of Oliver Cromwell the continuation of religious passion in the politics of Restoration England and the impact of the Glorious Revolution on Britain The fifth edition has been thoroughly revised and updated by Peter Gaunt to reflect new work and changing trends in research on the Stuart age It expands on key areas including the early Stuart economic religious and social context key military events and debates surrounding the English Civil War colonial expansion foreign policy and overseas wars and significant developments in Scotland and Ireland A new opening chapter provides an important overview of current historiographical trends in Stuart history introducing readers to key recent work on the topic The Stuart Age is a long standing favourite of lecturers and students of early modern British history and this new edition is essential reading for those studying Stuart Britain

Loyalty And Locality Popular Allegiance In Devon During The English Civil War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Loyalty And Locality Popular Allegiance In Devon During The English Civil War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Loyalty And Locality Popular Allegiance In Devon During The English Civil War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Loyalty And Locality Popular Allegiance In Devon During The English Civil War free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Loyalty And Locality Popular Allegiance In Devon During The English Civil War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Loyalty And Locality Popular Allegiance In Devon During The English Civil War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Loyalty And Locality Popular Allegiance In Devon During The English Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Loyalty And Locality Popular Allegiance In Devon During The English Civil War is one of the best book in our library for free trial. We provide copy of Loyalty And Locality Popular Allegiance In Devon During The English Civil War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Loyalty And Locality Popular Allegiance In Devon During The English Civil War. Where to download Loyalty And Locality Popular Allegiance In Devon During The English Civil War online for free? Are you looking for Loyalty And Locality Popular Allegiance In Devon During The English Civil War PDF? This is definitely going to save you time and cash in something you should think about.
