**British Women Artists** Carolyn Trant, 2024-03-14. Consider for a moment the history of modern art in Britain; you may struggle to land on a narrative that features very many women. On this journey through a fascinating period of social change, artist Carolyn Trant fills in some of the gaps in traditional art histories. Introducing the lives and works of a rich network of neglected women artists, *British Women Artists* sets these alongside such renowned presences as Barbara Hepworth, Laura Knight and Winifred Nicholson. In an era of radical activism and great social and political change, women forged new relationships with art and its institutions. Such change was not without its challenges, and with acerbic wit Trant delves into the gendered make-up of the avant garde and the tyranny of artistic isms. In the decades after women won the vote in Britain, the fortunes of women artists were shaped by war, domesticity, continued oppressions and spirited resistance. Some succeeded in forging creative careers; others were thwarted by the odds stacked against them. Weaving devastating individual stories with playful critique, *British Women Artists* reveals this hidden history.

**Lowry's City** Judith Sandling, Michael Leber, 2000. Photographer Len Grant has visited each location and photographed its current appearance, revealing both the sites that remain redolent of Lowry's painting and those that have changed beyond recognition. **BOOK JACKET** *Lowry* Michael Howard, Laurence Stephen Lowry, 2000. L. S. Lowry is probably Britain's most popular artist. This book takes a fresh look at his work and, with over 200 colour reproductions, it will be an essential book for students and admirers of his work.
