

Phoebe Dixon

Phoebe Dixon is a professional tennis player who won the 2050 Grand Play in her first professional tennis competition. From then, she became a household name and continued winning international tennis competitions, making her an established athlete. Her love for tennis began at the age of seven when her neighbor taught her the sport. Although busy with tennis, she still acquired her Bachelor of Science in Kinesiology from Wildingham University. She is a recipient of the Kierkland Sports Award, Comeback Tennis Player of the Year Award, and Tournament of the Year Award. She also became a member of the USA Tennis Organization in 2053. When she's not holding her blue tennis racket, you can find her reading books and watching movies, like any other person. She is also interested in learning new languages and cultures.

The Victoria Cross: A Love Story Ashali Varma, 2014-06-27 **Lt Gen P S Bhagat PVSM, VC** Mathew Thomas, Jasjit Mansingh, 1994-02-01 **India's Doctrine Puzzle** Ali Ahmed, 2014-09-25 The balance of power in South Asia is tenuous Neighbouring states with nuclear arsenal pose a serious threat in times of conflict and the danger of escalation into a nuclear holocaust in South are ever present This book locates the change in India s war doctrine at the turn of the century following the Kargil War in 1999 between India and Pakistan It examines how war policy was shaped by the threat posed by India s neighbours and the need for greater strategic assertion It also reveals that this change was forced by the military s need to adapt itself to the nuclear age Finally it raises questions of whether the Limited War doctrine has made India more secure An astute analysis of not only India s military strategy but also of military doctrine in general this book will be valuable to scholars and researchers of defence and strategic studies international relations peace and conflict studies South Asia studies as well as government and military institutions **Leadership in the Indian Army** V.K. Singh, 2023-11-30 Unlike traditional biographies of combat leaders which focus primarily on military operations or regimental histories in this book Major General V K Singh concentrates on personal accounts anecdotes and reminiscences in order to highlight these leaders personalities and to draw out the human face behind the military facade Through the stories of these twelve military leaders the book also throws new light on several historical events and the role of political leaders during India s fight for independence and the partitioning of the subcontinent He gives an overview of India s military history after independence including major operations and describes many hitherto unknown or little known incidents concerning smaller operations like Nathu La in 1967 and Goa in 1962 Written records tend to glorify the actions of battalions as well as individuals Singh says magnifying achievements while suppressing the mistakes and glossing over failures Leadership in the Indian Army provides a truer picture of the strength of character and convictions of each of these leaders A must read for anyone interested in India s military history Asian Strategic and Military Perspective Ravi Shekhar Narain Singh Singh, 2005 Nation states are compelled to function within the parameters of their respective geo political and geo strategic environment The behavior of nations and the interplay of their strengths and vulnerabilities particularly their foreign and military posturing is predicated on geographic political and economic factors Besides historical imperatives also coalesce in determining the way States shape their policies Many Asian countries today are threatened by a war that is of a subtle and imperceptible nature There is also a paradigm shift in the perception of national security especially with the blurring of the notion of internal and external security This is reflected in the growing military expenditures of several Asian countries This volume attempts to examine the critical factors that influence the foreign and defense policies of Asian countries It provides comprehensive information and analyses of the strengths needs aspirations and compulsions that shape their strategic and military outlook Legacies of the Homeland Paramjeet Singh, 2018-04-07 This book is not intended to provide a list of the 100 best books ever written and

published by Punjabi authors Given the sheer range of books written by Punjabi authors and the unpredictability of individual taste any such definitive list is quite impossible Secondly the choice has been restricted to books that were written by them either in Punjabi Hindi or Urdu but have been translated into English Thus personal choice restricted by availability has dictated this selection The choice of books includes autobiographies novels short stories poems and plays Research books religious books and books written originally in English have not been included From the Introduction I am amazed at the scholarship the passion and the love with which Paramjeet Singh has written this book It will be a reference volume for all times Nirupama Dutt Poet Journalist Translator Mr Singh s effort is commendable as he is making available some of the rarest of gems of Punjabi literature to the non Punjabi readers I congratulate Mr Singh on putting together this selection and hope that non Punjabi readers of this book would find new horizons of cultural experience opening up before them Of course for Punjabi readers it may be yet another opportunity to experience a sense of genuine pride in their rich legacy of language literature and culture Prof Rana Nayar **A Soldier's Diary: Kargil the Inside Story** Harinder Baweja,2019-05-27 Harinder Baweja an Editor with Hindustan Times has earned a reputation as a fearless committed reporter through her prolonged coverage of conflict zones Her experience of covering the Kashmir crisis gave her access to a wide range of sources particularly among the army units that were sent to Kargil She covered the sharp short war for India Today magazine using her enviable range of sources to compile a definite account of the Kargil war She has also edited and authored chapters for 26 11 Mumbai Attacked **History of the Indian Military Academy** M. Mukherjee,2019-10-01 Civilian control over the military is widely hailed as one of the major successes of India's democracy. Because it is so rare especially among post colonial states this control is rightfully celebrated. But has this come at a cost? In *The Absent Dialogue* Anit Mukherjee argues that the pattern of civil military relations in India has hampered its military effectiveness. Diving deep into understanding the organization and internal processes within the Indian military he explains how Indian politicians and bureaucrats have long been content with the formal and ritualistic exercise of civilian control while the military continues to operate in institutional silos. Yet there has been little substantive engagement between the two. To support this claim Mukherjee closely examines the variables most closely associated with military effectiveness: weapons procurement, jointness, the ability of separate military services to operate together, officer education, promotion policies and defense planning. Further Mukherjee shows how India's pattern of civil military relations best characterized as an absent dialogue adversely affects each of these processes. While the book focuses on India it also highlights the importance of civilian expertise and institutional design in enhancing civilian control and military effectiveness in other democracies. Informed by more than a hundred and fifty interviews and recently available archival material *The Absent Dialogue* sheds new light on India's military and will reshape our understanding of both the history and contemporary dynamics of civil military relations and recurring problems therein. Indian Defence Review ,1995 Short Stories from the British Indian Army J Francis,2018-07-01 The book gives account of 20 important battles fought by the Indian Army under British Rule from 1898 till 1945 and presenting them in this Book as short stories. The book starts with the North Western Frontiers of India where an incomparable battle was fought. Then it takes the readers through Western Europe, Ottoman Empire and Persia during The Great War in the second decade of the twentieth century and to the Indo Afghan Border once again. *Victoria Cross Bibliography* Alan Jordan,John Mulholland,Victoria Cross Research Group,1999 Many books have been written about the Victoria Cross and its recipients. The first published work on the subject appeared in 1857 the same year as the first VC investiture. A resurgence of interest in the 1990s led to the publication of numerous new titles but there was no comprehensive bibliography of the Victoria Cross until John Mulholland and Alan Jordan's first volume appeared in 1999 representing the efforts of a team of researchers in the UK, Canada and Australia. This second edition completely updates their research increasing the number of books listed, annotated and cross referenced from 640 to around 1,100 and including all the Journals of the Victoria Cross Society. Part I contains a listing of all key VC titles. Part II lists non-fiction and fictional books written by VC recipients and the index lists in alphabetical order every VC recipient with the date of the London Gazette citation. Additionally it identifies the books in which the recipients are referred to significantly enabling the researcher to quickly identify key works. The bibliography is an important contribution to Victoria Cross literature and an essential up to date reference guide for anyone with an interest in the decoration. *Defence Reporting in India* V.
