**Women Writers and the Occult in Literature and Culture** Miriam Wallraven,2015-06-05 Examining the intersection of occult spirituality text and gender this book provides a compelling analysis of the occult revival in literature from the 1880s through the course of the twentieth century Bestselling novels such as The Da Vinci Code play with magic and the fascination of hidden knowledge while occult and esoteric subjects have become very visible in literature during the twentieth century This study analyses literature by women occultists such as Alice Bailey Dion Fortune and Starhawk and revisits texts with occult motifs by canonical authors such as Sylvia Townsend Warner Leonora Carrington and Angela Carter This material which has never been analysed in a literary context covers influential movements such as Theosophy Spiritualism Golden Dawn Wicca and Goddess spirituality Wallraven engages with the question of how literature functions as the medium for creating occult worlds and powerful identities particularly the female Lucifer witch priestess and Goddess Based on the concept of ancient wisdom the occult in literature also incorporates topical discourses of the twentieth century including psychoanalysis feminism pacifism and ecology Hence as an ever evolving discursive universe it presents alternatives to religious truth claims that often lead to various forms of fundamentalism that we encounter today This book offers a ground breaking approach to interpreting the forms and functions of occult texts for scholars and students of literary and cultural studies religious studies sociology and gender studies *Lucifer's Court* Otto Rahn,2008-02-28 Rahn s personal diary from his travels as occult investigator for the Third Reich First English translation of the author s journeys in search of a Nordic equivalent to Mt Sinai Explains why Lucifer the Light Bringer god of the heretics is a positive figure Otto Rahn s

lifelong search for the Grail brought him to the attention of the SS leader Himmler who shared his esoteric interests Induced by Himmler to become the chief investigator of the occult for the Nazis Rahn traveled throughout Europe from Spain to Iceland in the mid 1930s pursuing leads to the Grail and other mysteries Lucifer s Court is the travel diary he kept while searching for the ghosts of the pagans and heretics who were his ancestors It was during this time that Rahn grasped the positive role Lucifer plays in these forbidden religions as the bearer of true illumination similar to Apollo and other sun gods in pagan worship This journey was also one of self discovery for Rahn He found such a faithful echo of his own innermost beliefs in the lives of the heretics of the past that he eventually called himself a Cathar and nurtured ambitions of restoring that faith which had been cruelly destroyed in the fires of the Inquisition His journeys on assignment for the Reich including researching an alleged entrance to Hollow Earth in Iceland and searching for the true mission of Lucifer in the caves of southern France that served as refuge for the Cathars during the Inquisition also led to his disenchantment with his employers and his mysterious death in the mountains after his break with the Nazis Lucifer Damon B.

Gontarek,2025-01-14 This is part of an intended seven book series about Yahweh in The Shifters Universe This book is titled Lucifer because this book follows Lucifer from before he was born until he gets his first job as an Archangel to completion Each book has a message behind each of them and this one is egotism This is not intended to be your traditional Bible story It is made for many religions together to pick up this story not just Christians This is meant to expand your mind on what God is or the gods are in a story form The initial write up was supposed to be a comic book but has changed to a novel I have clashed together some theories and many religions together to compile this story to make it fluid in the novel medium Many times the Bible has had many changes so things may not be exactly how they are in our popular Bibles
