Lucky Lady The World War II Heroics Of The USS Santa Fe And Franklin:

Lucky Lady Steven Jackson, 2003 One of the great rescue stories of World War II is retold here with details of kamikaze attacks typhoons and torpedo attacks as the light cruiser Santa Fe struggled to rescue the crew of a sinking aircraft carrier the USS Franklin *Santa Fe* Elizabeth West, 2012 This question and answer book contains 400 reminders of what is known and what is sometimes forgotten or misunderstood about a city that was founded more than 400 years ago Not a traditional history book this group of questions is presented in an apparently random order and the answers occasionally meander off topic as if part of a casual conversation **Twilight of the Gods** Ian W. Toll, 2020-09-01 New York Times Bestseller No one has told the story of World War II in the Pacific from beginning to bitter end better than Ian W Toll This final volume concludes a brilliant trilogy Alex Kershaw New York Times best selling author of *The First Wave* and *Avenue of Spies* In June 1944 the United States launched a crushing assault on the Japanese navy in the Battle of the Philippine Sea The capture of the Mariana Islands and the accompanying ruin of Japanese carrier airpower marked a pivotal moment in the Pacific War No tactical masterstroke or blunder could reverse the increasingly lopsided balance of power between the two combatants The War in the Pacific had entered its endgame Beginning with the Honolulu Conference when President Franklin Delano Roosevelt met with his Pacific theater commanders to plan the last phase of the campaign against Japan *Twilight of the Gods* brings to life the harrowing last year of World War II in the Pacific when the US Navy won the largest naval battle in history Douglas MacArthur made good his pledge to return to the Philippines waves of kamikazes attacked the Allied fleets the Japanese fought to the last man on one island after another B-29 bombers burned down Japanese cities and Hiroshima and Nagasaki were vaporized in atomic blasts Ian W Toll's narratives of combat in the air at sea and on the beaches are as gripping as ever but he also reconstructs the Japanese and American home fronts and takes the reader into the halls of power in Washington and Tokyo where the great questions of strategy and diplomacy were decided Drawing from a wealth of rich archival sources and new material *Twilight of the Gods* casts a penetrating light on the battles grand strategic decisions and naval logistics that enabled the Allied victory in the Pacific An authoritative and riveting account of the final phase of the War in the Pacific *Twilight of the Gods* brings Toll's masterful trilogy to a thrilling conclusion This prize winning and best selling trilogy will stand as the first complete history of the Pacific War in more than twenty five years and the first multivolume history of the Pacific naval war since Samuel Eliot Morison's series was published in the 1950s **So Long for Now** Jerry L. Rogers, 2017-03-09 Elden Duane Rogers died on March 19 1945 one of the eight hundred who perished on the aircraft carrier USS Franklin that day It was his nineteenth birthday Write home often the navy told sailors like Elden thinking it would keep up morale among sailors and those waiting for them stateside But they were told not to write anything about where they were where they had been where they were going what they were doing or even what the weather was like Spies were presumed everywhere and loose lips could sink ships Before a sailor's letter could be sealed and

sent a censor read it and with a razor blade cut out words that told too much So Long for Now reconstructs the lost world of a sailor's daily life in World War II piecing together letters from Elden's family in Vega Texas and from his girlfriend the untold stories behind Elden's own letters and the context of the war itself Historian Jerry L Rogers delves past censored letters limited to small talk and local gossip to conjure the danger excitement boredom and sacrifices that sailors in the Pacific theater endured He follows Elden from enlistment in the navy through every battle the USS Franklin saw Flight deck crashes kamikaze hits and tensions and alliances aboard ship all built to the unprecedented chaos and casualties of the Japanese air attack on March 19 So long for now Elden signed off never Goodbye This moving work poignantly confronts the horrors of war giving voice to a young sailor the country he served the family and friends he left behind and the hope that has sustained them

Monster Steve Jackson, 2013-04-19 In the 25th anniversary of this true crime masterpiece acclaimed author Steve Jackson recounts the intriguing pursuit and long awaited conviction of a charismatic monstrous psychopath On a snowy winter evening in 1982 twenty one year old Mary Brown accepted a ride from a handsome stranger in the resort town of Breckenridge Colorado What followed was a nightmare of unspeakable cruelty Miraculously Mary survived her horrific ordeal but the true depths of her attacker's malevolence were yet to be revealed For him the violence had only just begun After ten years in prison Tom Luther was released a far more vicious criminal Often compared to Ted Bundy Luther cut a deadly swath from the Rockies to West Virginia luring a chain of women into the black hole of his murderous vision One cop was obsessed with catching this brutal killer and pinning at least one Colorado murder on him But as Luther led Detective Scott Richardson through a maze of lies and deception the stakes began to rise From the Rockies to West Virginia young women were coming face to face with a murderous monster raging out of control And none of them were coming out alive In this gripping true crime masterpiece acclaimed author Steve Jackson recounts the intriguing pursuit and long awaited conviction of a charismatic monstrous psychopath By delving deep into the heart of true evil Jackson offers valuable lessons on what makes violent predators tick and what can be done to limit their relentless toll on society
