Ambiguity in Charlotte Brontë's Vilette Olga Springer,2020-02-17 Charlotte Bront s final novel Vilette 1853 is associated with ambiguity because of its open ending Does M Paul return to narrator protagonist Lucy Snowe or is he killed in a storm raging on the Atlantic Taking its famous ending as a starting point this study explores Vilette as a text in which ambiguity is all pervasive in various ways Among these is the narrator s ambivalent attitude toward herself and others epitomised in her stylistic idiosyncrasies The links between ambiguity and doubt are explored through an analysis of Lucy s signature phrase I know not expressive of her existential doubts and questioning attitude toward the world The analysis moreover focuses on the motif of the oracle as a traditionally ambiguous utterance and explores its relevance in the context of the generic tradition of Vilette as a fictional autobiography Another focus is the interplay of figurative and literal levels of meaning in the allegorical episodes creating ambiguity

Funds of Knowledge Norma Gonzalez,Luis C. Moll,Cathy Amanti,2006-04-21 The concept of funds of knowledge is based on a simple premise people are competent and have knowledge and their life experiences have given them that knowledge The claim in this book is that first hand research experiences with families allow one to document this competence and knowledge and that such engagement provides many possibilities for positive pedagogical actions Drawing from both Vygotskian and neo sociocultural perspectives in designing a methodology that views the everyday practices of

language and action as constructing knowledge the funds of knowledge approach facilitates a systematic and powerful way to represent communities in terms of the resources they possess and how to harness them for classroom teaching This book accomplishes three objectives It gives readers the basic methodology and techniques followed in the contributors funds of knowledge research it extends the boundaries of what these researchers have done and it explores the applications to classroom practice that can result from teachers knowing the communities in which they work In a time when national educational discourses focus on system reform and wholesale replicability across school sites this book offers a counter perspective stating that instruction must be linked to students lives and that details of effective pedagogy should be linked to local histories and community contexts This approach should not be confused with parent participation programs although that is often a fortuitous consequence of the work described It is also not an attempt to teach parents how to do school although that could certainly be an outcome if the parents so desired Instead the funds of knowledge approach attempts to accomplish something that may be even more challenging to alter the perceptions of working class or poor communities by viewing their households primarily in terms of their strengths and resources their defining pedagogical characteristics Funds of Knowledge Theorizing Practices in Households Communities and Classrooms is a critically important volume for all teachers and teachers to be and for researchers and graduate students of language culture and education Locus Dreams: Dark Horizons - Phase 2, Part 3 Dylan Reneerkens,2024-12-28 The Multiverse s Next Chapter A New Wave of Heroes The Locus Dreams saga continues with Phase 2 delivering ten gripping tales of survival courage and extraordinary power As new threats rise and old enemies return these heroes must face impossible odds to protect their worlds and themselves Exactro Treasures Andrew is sent to Earth to retrieve a legendary staff part once wielded by the gods themselves GoldenHeart The Legacy Monica uncovers secrets of her family s past redefining her mission and identity Xyreon Dark Days When Emma is kidnapped Xyreon embarks on a desperate quest to bring her back and face the forces behind her abduction The Outcasts Kingdom of Death A force from another universe infiltrates theirs wreaking havoc and threatening total annihilation With heroes old and new Phase 2 takes you deeper into the Locus Dreams multiverse where every choice has consequences and every battle matters Are you ready for the next chapter **Matritto | Motherhood** Ameena Tabassum,2024-10-11 In the town of Woking a story of motherhood unfolds At its core is Lucy a fifteen year old girl labeled by society as a lost cause a soul grappling with deep troubles overshadowed by her mother s battle with depression and alcoholism Under constant scrutiny from social services Lucy and her half sister strive to find stability in their fractured world However Lucy s world takes an unexpected twist when she becomes pregnant at the age of fifteen This newfound circumstance casts a glaring spotlight on their family fuelling suspicions of Lucy s involvement with a South Asian gang As a result both the police and social services hone in on Lucy s case their attention now undivided As her world collides with that of determined social worker Milly and Detective Sergeant David a gripping tale of love betrayal and redemption unfolds A compelling narrative
