**Letters From Lucy** Lucy the Dog,Holly Macario,2025-09-04 Funny and poignant A laugh on every page The perfect gift for dog lovers like me Brian Whitney author of Bad Trips and How Now Butterfly In the summer of 2024 Lucy the Dog grew very ill Over the course of one week she became uninterested in food uninterested in playing and then completely lethargic Veterinarians told her owners that Lucy was anemic and on the verge of death She needed an immediate blood transfusion Later that day they discovered she had a cancerous tumor in her digestive tract This came as a shock because Lucy was only about five and a half years old She underwent emergency surgery to save her life The operation was a success but the cancer is aggressive and life threatening The doctors determined she had only a few months to live In the time she had left Lucy began to pose for many many photographs She also expressed interest in writing her memoirs Over time her writings took shape as 30 letters to her owners Each with accompanying photos In one sense these are love letters In another sense these are unsubtle complaints about her dietary options lists of demands and over the top boasts about her positive personality traits and abilities Letters From Lucy is the perfect book for dog lovers ABOUT THE AUTHOR Lucy was a Labrador retriever Australian shepherd mix She was an essayist and author In her spare time she posed for photographs and paintings rode in cars chased balls around swam ate and slept She was a friend to everyone and a very good dog In the summer of 2024 she was diagnosed with an aggressive form of cancer common to retrievers She lived for seven more months experiencing life to the fullest She died in April 2025 surrounded by the people who loved her most Lucy s story is heartwarming inspiring and ultimately heartbreaking This charming retelling of the experiences of Lucy and her humans following her alarming diagnosis is sure to resonate with dog lovers everywhere Often funny always moving Brian Dunleavy author of The Covid Home Companion and Crunch Time

*Lucy Left Town* Christi Pope,2023-12-10 *Lucy Left Town* is the emotional story of a woman who after many years of marriage decided to take care of herself first the story of a woman who began to look for something more in her life In Lucy s teenage years heartsore with grief due to an unexpected death she made a hurried and distraught decision a decision that seemed to be the only option at the time That decision led to many years of marriage and as the years began to add up she found herself struggling with the feeling that life was passing by at an alarming rate She began to wonder if the years spent with her husband were reason enough to justify spending her remaining time in a vacuum Her husband Chip was not a cruel or difficult man just a man who was content with very little change in his life satisfied with remaining in the groove he had notched out for himself Finally Lucy concluded that the only course of action that she could take would be to leave her home she did not make this decision lightly but thought about it from many angles and in order to have that something more she would have to take that big step Settled into a new life Lucy was content Meanwhile Chip could not reconcile himself to the fact that she had left and was determined that she should return and they could restart their lives together In the end Fate
