Stevens, 2016-04-05 This analysis of Luke s post ascension story of Jesus challenges orthodoxies in the interpretation of Acts and Paul Carefully constructed narrative arguments from within the story in Acts use the themes of Pentecost the Hellenists and the character development of Saul Paul to reveal Luke

s insight that the future of the Jesus story is in the Hellenist movement realizing the promise of Pentecost in Israel These Hellenists are at odds with the Jerusalem church on the implications of the outpoured Spirit of Pentecost Further the Saul Paul of Acts is not what most readers presume from Paul s letters For Luke Paul finds his narrative significance in Acts only within the Hellenist movement and Pentecost fulfillment Paul himself becomes Luke s premier example of the God active God resisted theme of the speech of Stephen that drives the plot of Acts This plot mechanism provides illuminating exegesis of Paul s insistence on going to Jerusalem from Ephesus with its dramatic conclusion in the shipwreck of Paul Stevens concludes by integrating the ending of Acts into Luke s three major themes and overall narrative strategy an impressive compelling and thoroughly fresh reading of Acts **The Epistle to the Romans** Richard N. Longenecker,2016-01-18 This highly anticipated commentary on the Greek text of Romans by veteran New Testament scholar Richard Longenecker provides solid scholarship and innovative solutions to long standing interpretive problems Critical exegetical and constructive yet pastoral in its application Longenecker s monumental work on Romans sets a course for the future that will promote a better understanding of this most famous of Paul s letters and a more relevant contextualization of its message

Preaching John F. MacArthur,Master's Seminary Faculty,2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In Preaching How to Preach Biblically John MacArthur well known passion for the Bible combines with the expertise of faculty members at The Master s Seminary to inspire and equip preachers in effective biblical preaching Preaching How to Preach Biblically flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages connecting what pastors learn in seminary with the sermons preached in a local church This volume shows how to progress purposefully from one phase to the next in preparing to minister to God s people through preaching This book answers these questions and more What is expository biblical preaching What are the theological and historical foundations for insisting on expository preaching What are the steps involved in preparation for and participation in biblical preaching What models exist for expository preaching today The Master s Seminary faculty with over thirty years experience in preaching and seminary training of preachers contributes a treasury of expertise alongside insights from expositor John MacArthur While united on their commitment to exposition the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence **Paul's Letter to the Philippians in the Light of Disunity in the Church** Davorin Peterlin,2014-04-09 This volume discusses the development of disunity in the Philippian church as the occasion for Paul s response in his letter The first part of the book examines references and allusions to strife among the Philippians and tension between them and Paul It demonstrates the pervasiveness of the theme of disunity in most sections of the letter The second part correlates these findings with sections of the letter dealing with the Philippians financial support for Paul It treats such topics as Paul s

attitude to money and the sociological composition of the church The book's aim is to draw attention to social and non theological aspects of the Philippian situation and make a contribution to a more theological study of Philippians

Breaking Through the Boundaries Hertig, Paul ,Hertig, Young Lee,Gallagher Edwards, Sarita,Gallagher, Robert L.,2019-11-21 The authors in this volume draw upon biblical narratives to highlight key roles played by Gentiles in the service of God's mission Each biblical account is linked to a current real world issue as an application of the missiological insights gleaned from the biblical source The biblical sources drawn upon include Abraham Ruth and Hagar the current contexts addressed include Papua New Guinea Chicago's immigrant communities and North American encounters with God outside the Christian Church     **2 Timothy and Titus** Áida Besançon Spencer,2014-05-16 A thorough and insightful commentary on Paul's letter to his coworker Timothy which the apostle wrote before and during Nero's persecution Spencer carefully examines each part of the letter and relates it to the overall flow of the argument and in light of the larger biblical historical social and cultural contexts How Paul's writing related to the ancient communities is highlighted in the light of original data gleaned from her explorations on location in Crete Ephesus and Rome In addition Paul's rhetorical and ministry strategies especially as they relate to women and their role in the church are explored Throughout Spencer presents an in depth exegesis in a readable format enhanced by forty years of ministry     Essential Bible Study Tools for Ministry Professor David R. Bauer,2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship     *Murmuring Against Moses: The Contentious History and Contested Future of Pentateuchal Studies* Jeffrey L. Morrow,John Bergsma,2023-01-26 For much of the history of both Judaism and Christianity the Pentateuch first five books of the Bible was understood to be the unified work of a single inspired author Moses Yet the standard view in modern biblical scholarship contends that the Pentateuch is a composite text made up of fragments from diverse and even discrepant sources that originated centuries after the events it purports to describe In *Murmuring against Moses* John Bergsma and Jeffrey Morrow provide a critical narrative of the emergence of modern Pentateuchal studies and challenge the scholarly consensus by highlighting the weaknesses of the modern paradigms and mustering an array of new evidence for the Pentateuch's antiquity By shedding light on the past history of research and the present developments in the field Bergsma and Morrow give fresh voice to a growing scholarly dissatisfaction with standard critical approaches and make an important contribution toward charting a more promising future for Pentateuchal studies     **Paul and Matthew Among Jews and Gentiles** Ronald Charles,2020-12-10 Terence L Donaldson's scholarship in the field of New Testament studies is vital as he has pressed

scholars to pay closer attention to the complex relations between early Christ followers who were mostly non Jews and the Jewish matrix from which the narrative of the Christian proclamation comes from This volume allows prominent New Testament scholars to engage Donaldson s contributions both to sharpen some of his conclusions and to honour him for his work These essays are located at the intersections of three bodies of literature Matthew Paul and Second Temple Jewish Literature and themes and questions that have been central to Donaldson s work Christian Judaism and the Parting of the Ways Gentiles in Judaism and early Christianity Anti Judaism in early Christianity With contributions ranging from remapping Paul within Jewish ideologies and Paul among friends and enemies to socio cultural readings of Matthew and construction of Christian Identity through stereotypes of the Scribes and Pharisees this book provides a multi scholar tribute to Donaldson s accomplishments
