## **Majors And Minors For Graduates Today's Choices From Old Testament Prophets:**

Major Truths from the Minor Prophets Edna Ellison, Tricia Scribner, Kimberly Sowell, 2012-08-01 These were the ordinary voices God used to speak extraordinary truth to people. They were unpopular but they were extremely influential then and now. They are the Minor Prophets. In *Major Truths from the Minor Prophets*, ordinary women experience the power of God's extraordinary messages to live with the power, freedom, and hope God intends for us. Using simple language, these down-to-earth, endearing, wise, anointed authors and speakers unravel the mysteries of God's Old Testament passages for application today. Customized for individual and group use, 12 chapters give users an easy-to-use inductive study complete with reflective discussion questions, commentary, Use Your Imagination sections, and more. Use this transformative, unique look back through the Minor Prophets to gain insights for personal revival and influence the communities where God has placed you today.

*Old Testament Prophets for Today* Carolyn J. Sharp, 2009-03-13 The prophets of the Old Testament include such well-known characters as Isaiah, Jeremiah, Amos, and Hosea. There are, however, many other prophets both in the biblical books that bear their names and in the other histories and stories of ancient Israel. Carolyn Sharp offers a brief introduction to each of the Bible's prophets and their prophetic books, developing the theological themes present in each with an eye toward how the prophetic message is relevant today. The *For Today* series was designed to provide reliable and accessible resources for the study and real-life application of important biblical texts, theological documents, and Christian practices. The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today. Thought-provoking questions are included at the end of each chapter, making the books ideal for personal study and group use. **Forthcoming Books** Rose Arny, 1990 **The Hebrew Bible Today** Steven L.

McKenzie, Matt Patrick Graham, 1998-01-01 Dealing with each section of the canon, this book explains standard questions, paying special attention to where scholars agree and where they don't. **Minor Prophets in a Major Key** Chris Woodall, 2018-01-24 All Scripture is God-breathed, but not every portion of it is embraced by Christians with equal vigor. Tribal lists, specific sacrificial obligations, seemingly endless genealogical records, and apparently gratuitous acts of warfare are readily scanned over. But could the minor prophets be added to that list? Should they be? They certainly seem more difficult to locate for many of us than say the books of Moses or the Psalms. The writer is clear in his assessment from the start, positing that our relative ignorance of these twelve books, tucked away at the end of the Old Testament, impinges negatively on the Christian believer's walk. Covering a period of around four hundred years, each book is revealed through two contextual settings: the historical and that which was personal to the individual penman. Before a brief overview reveals the main points of that author's writing, the bulk of each chapter is concerned with the Major Key of the title. Taking a verse or two from each of the minor prophets, Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty-first century from lessons over two and a half thousand years old. Chris Woodall is

former Associate Professor of Dogmatics at North West University South Africa This is his fourth book for Wipf and Stock The first three Covenant the Basis of God's Self Disclosure 2011 Kingdom the Expression of God's Rule 2012 and Atonement God's Means of Effecting Man's Reconciliation 2015 are also available from this publisher and other outlets

**DEFENDING AGABUS AS A NEW TESTAMENT PROPHET** Sung Cho, 2018-03-27 Agabus is a mysterious prophetic figure that appears only twice in the book of Acts Though his role is minor he is a significant figure in a great debate between cessationists and continualists On one side are those who believe that the gift of prophecy is on par with the inspired Scriptures infallible and has ceased On the other side are those who define it as fallible and non revelatory speech that continues today in the life of the church Proponents of both camps attempt to claim Agabus as an illustration of their convictions This study defends the position that Agabus prophecies are true in every detail Beginning with a survey of major figures in the debate the author conducts an exegetical analysis of passages where Agabus appears in defense of the infallible view

**Israelism and the Place of Christ** Steven Paas, 2018 From the perspective of Christian theology speaking about Israel not only touches on issues of international politics or social convictions but also on the core questions of faith and theology such as How does God relate to the peoples in this world Does the dictum that with God there is no partiality apply only to individuals or also to peoples In other words Does He still favour a people How do we read the Bible To what extent should we use the New Testament as a lens for the Old Testament What is the place of Christ in theology How far does salvation through Christ reach Does it apply to Jews and non Jews in the same way Should Christians keep the Jewish festivals What will be the place of the people of Israel in the future These are important questions about the concept of God hermeneutics christology soteriology practical theology and eschatology Therefore from a theological vantage point the subject of the collection of essays before you is extremely important Professor Dr Wido van Peursen Free University Amsterdam Netherlands Series Contributions to the Understanding of the Bible Beitr ge zum Verstehen der Bibel Vol 34 Subject Biblical Studies Religious Studies *Book Review Digest* , 2001-11

Jezebel's War With America Michael L. Brown, 2019-08-06 Jezebel died 3 000 years ago But her spirit lives today Jezebel was the most wicked woman in the Bible a powerful seductress who killed the prophets led Israel into idolatry and immorality

and emasculated men She was seductive and determined to snuff out the voices coming against her because these voices were calling out for repentance In twenty first century America Jezebel is not a person But it s as if the spirit of Jezebel is alive again today The influence of the same demonic force is being felt in the massive increase of pornography and sexual temptation the militant spirit of abortion the rise of radical feminism and most importantly in the attempt to silence prophetic voices Just as Jezebel clashed with strong men almost three thousand years ago the demonic spirit of Jezebel is powerful in America and it is going after the church This eye opening book not only unveils the satanic plot to destroy America beginning with an all out assault on the church but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation This book will show you how the spirit of Jezebel is active in America today and teach you how to protect the church OTHER BOOKS BY MICHAEL L BROWN PHD *Playing With Holy Fire* 2018 ISBN 13 978 1629994987 *The Power of Music* 2019 ISBN 13 978 1629995953 *Breaking the Stronghold of Food* 2017 ISBN 13 978 1629990996

Children's Liturgy of the Word 2025-2026 Paulette M. Chapman, 2025-03-01 The celebration of the Liturgy of the Word with children is a liturgical experience that opens young people to hear and respond to God s Word in ways that enable them to be nurtured and challenged by its power and to experience the grace of ongoing conversion to the vision and values of the Word of God Children s Liturgy of the Word 2025 2026 enables prayer leaders to confidently lead children through the Liturgy of the Word Each liturgy guide offers An overview of the season Weekly guides for leading and preparing the liturgy Suggestions for the liturgical environment Weekly Scripture citations and commentary on all three readings and the responsorial psalm Weekly Scriptural connections to Church teaching and tradition Weekly reflections for the children s Liturgy of the Word The liturgy guides will enable prayer leaders to facilitate the Liturgy of the Word with children in a prayerful way allowing each child to deepen and explore his or her relationship with God *Literary World; Choice Readings from the Best New Books, with Critical Reviews* ,1888 **Choice** ,1986 Faith-Based Education That Constructs HeeKap Lee, 2010-08-09 Constructivism is everywhere It is a hot issue at this time in the field of philosophy education technology and religion However can constructivism be an alternative approach in faith based education While some conclude that Jesus knew learning was an active knowledge creating process and that he always encouraged his disciples to think deeply and go beyond the surface level others would find that constructivism undercuts faith based education because of its claims to relativity For example constructivists claim that meaning is imposed on the world by us rather than existing in the world independently from us Thus they proclaim that truth is relative to particular times places and people Christians hold that truth does exist absolutely So how can there be a way forward for faith based educators who see the good in the constructivist approach In *Faith Based Education that Constructs* readers will find a unique approach whereby constructivism may appropriately be applied to a faith based education setting Although disagreement can occur between constructivism and faith based education this book concludes that constructivist thought and Christian faith based

education are in the end congruent and harmonious in significant ways Those faith based educators who continue to hold cautionary views of radical constructivist assertions against absolute truths need not disregard all other aspects of constructivism
