Gibbons, Deborah A. Stiles, 2006-04-01 Most knowledge about adolescent development is based on adolescents living in the United States or Europe The Thoughts of Youth reports a study in which over 6000 adolescents from 20 regions of the world including the Americas Europe Africa and Asia described an ideal woman or ideal man Adolescents images of the ideal person reflect their personal values about gender roles their expectations and plans for the future and their cultural values The Thoughts of Youth presents the teenagers perspectives their descriptions drawings and interpretations of their peers responses Issues of importance to adolescent development are addressed including morality and altruism physical appearance and attractiveness self and identity intelligence and schooling work fun and leisure family relationships and romance In contrast to the stereotype that adolescents are preoccupied with appearance and popularity adolescents in this study endorsed kindness honesty helpfulness and a positive attitude toward children This book documents both the universal attitudes of adolescents and the ways that teenagers views differ by gender culture and economic condition **The Female Trickster** Ricki Stefanie Tannen, 2014-02-25 The Female Trickster presents a Post Jungian postmodern perspective regarding the role of women in contemporary Western society by investigating the re emergence of female trickster energy in all aspects of

popular culture Ricki Tannen explores the psychological aspects of what happened when women's imagination was legally and psychologically enclosed millennia ago and demonstrates how the re-emergence of Trickster energy through the female imagination has the radical potential to effect a transformation of western consciousness. Examples are drawn from a diverse range of sources from Jane Austen and female sleuth narratives to Madonna and Sex and the City illustrating how Trickster energy is used not to maintain power and control but to integrate and unite the paradoxical through humour. Subjects covered include imagination and metaphor the traditional trickster law and the imagination humour Eros using logos the postmodern female trickster. This highly original perspective on women's role in contemporary culture will offer readers a new vision of how humour psychologically operates as a healthy adaptation to trauma and adversity. It will be of great interest to all analytical psychologists and psychoanalysts as well as those in women's cultural legal and literary studies.

After Eden Mary Stewart Van Leeuwen, 1993. Written by an interdisciplinary team of scholars this substantial volume offers a wide ranging examination from a Christian perspective of the many complexities surrounding gender relations showing how they have changed and how they still need to change if we are to be the men and women God meant us to be. No other book treats the systemic embedding of gender issues in all areas of life. Different Wavelengths Jo

Reger, 2014-01-27. The original essays in this collection ground the shifting terrain of feminism in the 21st century. The contributors define and examine the complexity of the Third Wave by answering questions like how appropriate is a third wave label for contemporary feminism are the agendas of contemporary feminism and the second wave really all that different does the wave metaphor accurately describe the difference between contemporary feminists and their predecessors how do women of color fit into this notion of contemporary feminism and what are the future directions of the feminist movement. Handbook of Prevention and Intervention Programs for Adolescent Girls Joyce Elizabeth Mann, 2008-06-02

Handbook of Prevention and Intervention Programs for Adolescent Girls presents the latest research programs and approaches that respond to the needs of today's adolescent girls. In this practical guide editors Craig LeCroy and Joyce Mann have brought together a notable team of contributors to produce a resource with both diverse coverage and practical applications. Filled with helpful examples this is an indispensable hands-on resource for practitioners and students in mental health education and public policy.
