Ours by Every Law of Right and Justice Sarah Carter, 2020-11-01 Many of Canada s most famous suffragists from Nellie McClung and Cora Hind to Emily Murphy and Henrietta Muir Edwards lived and campaigned in the Prairie provinces the region that led the way in granting women the right to vote and hold office In Ours by Every Law of Right and Justice award winning author Sarah Carter challenges the myth that grateful male legislators simply handed western settler women the vote in recognition that they were equal partners in the pioneering process Suffragists worked long and hard to overcome obstacles persuade doubters and build allies But their work also had a dark side Even as settler suffragists pressured legislatures to grant their sisters the vote they often approved of that same right being denied to foreigners and Indigenous men and women By situating the suffragists struggle in the colonial history of Prairie Canada this powerful and passionate book shows that the right to vote meant different things to different people political rights and emancipation for some domination and democracy denied for others

Cultivating Community Jodey Nurse, 2022-02-22 For close to two hundred years families and individuals across Ontario have travelled down country roads and gathered to enjoy seasonal agricultural fairs Though some features of township and county fairs have endured for generations these

community events have also undergone significant transformations since 1850 especially in terms of women's participation. Cultivating Community tells the story of how women's involvement became critical to agricultural fairs' growth and prosperity. By examining women's diverse roles as agricultural society members, fair exhibitors, performers, volunteers, and fairgoers, Jodey Nurse shows that women used fairs' manifold nature to present different versions of rural womanhood. Although traditional domestic skills and handicrafts such as baking, needlework, and flower arrangement remained the domain of women throughout this period, women steadily enlarged their sphere of influence on the fairgrounds. By the mid-twentieth century, they had staked out a place in venues previously closed to them, including the livestock show ring, the athletic field, and the boardroom. Through a wealth of fascinating stories and colourful detail, Cultivating Communities adds a new dimension to the social and cultural history of rural women, placing their activities at the centre of the agricultural fair.

mmm... Manitoba Kimberley Moore, Janis Thiessen, 2024-04-05. A tasty oral history. In 2018, Janis Thiessen, Kimberley Moore, and collaborator Kent Davies refashioned a used food truck into a mobile oral history lab. Together, they embarked on a journey around Manitoba, gathering stories about the province's food and the people who make, sell, and eat it. Along the way, they visited restaurant owners, beer brewers, grocers, farmers, scholars, and chefs in their kitchens and businesses, online and on board the food truck. The team conducted nearly seventy interviews and indulged in a bounty of prairie delicacies, from Winnipeg's Fat Boys to Steinbach's perogies to Churchill's cloudberry jam. Thiessen and Moore serve up the results of this research in *mmm Manitoba*. Mixing recipes, maps, archival records, biographies, and full-colour photographs with fascinating stories, they showcase the province's diverse food histories. Through the sharing and preparing of food, the authors investigate food security and regulation, Indigenous foodways, and agriculture's impact on the agri-food industry and the networks between Manitoban food producers and retailers. The book also explores the roles of gender, ethnicity, migration, and colonialism in Manitoba's food history. Hop on the Manitoba Food History Truck and journey into the province's past with engaging essays and easy-to-follow recipes for kielbasa and schmaunfat, snow goose tidbits, chicken karaage, the Salisbury House flapper pie, duck-fat smashed potatoes, Ichi Ban cocktails, pork inihaw, and more. *mmm Manitoba* offers a thoughtfully nuanced, deliciously digestible, and wholly unique regional history that is sure to satisfy.
