Making Heretics Militant Protestantism And Free Grace In Massachusetts 1636 1641:

Making Heretics Michael P. Winship, 2009-02-09 Making Heretics is a major new narrative of the famous Massachusetts disputes of the late 1630s misleadingly labeled the antinomian controversy by later historians Drawing on an unprecedented range of sources Michael Winship fundamentally recasts these interlocked religious and political struggles as a complex ongoing interaction of personalities and personal agendas and as a succession of short term events with cumulative results Previously neglected figures like Sir Henry Vane and John Wheelwright assume leading roles in the processes that nearly ended Massachusetts while more familiar hot Protestants like John Cotton and Anne Hutchinson are relocated in larger frameworks The book features a striking portrayal of the minister Thomas Shepard as an angry heresy hunting militant helping to set the volatile terms on which the disputes were conducted and keeping the flames of contention stoked even as he ostensibly attempted to quell them The first book length treatment in forty years Making Heretics locates its story in rich contexts ranging from ministerial quarrels and negotiations over fine but bitterly contested theological points to the shadowy worlds of orthodox and unorthodox lay piety and from the transatlantic struggles over the Massachusetts Bay Company s charter to the fraught apocalyptic geopolitics of the Reformation itself An object study in the ways that puritanism generated managed and failed to manage diversity Making Heretics carries its account on into England in the 1640s and 1650s and helps explain the differing fortunes of puritanism in the Old and New Worlds

Making Heretics Michael P. Winship, 2002-02-17 Making Heretics is a major new narrative of the famous Massachusetts disputes of the late 1630s misleadingly labeled the antinomian controversy by later historians Drawing on an unprecedented range of sources Michael Winship fundamentally recasts these interlocked religious and political struggles as a complex ongoing interaction of personalities and personal agendas and as a succession of short term events with cumulative results Previously neglected figures like Sir Henry Vane and John Wheelwright assume leading roles in the processes that nearly ended Massachusetts while more familiar hot Protestants like John Cotton and Anne Hutchinson are relocated in larger frameworks The book features a striking portrayal of the minister Thomas Shepard as an angry heresy hunting militant helping to set the volatile terms on which the disputes were conducted and keeping the flames of contention stoked even as he ostensibly attempted to quell them The first book length treatment in forty years Making Heretics locates its story in rich contexts ranging from ministerial quarrels and negotiations over fine but bitterly contested theological points to the shadowy worlds of orthodox and unorthodox lay piety and from the transatlantic struggles over the Massachusetts Bay Company s charter to the fraught apocalyptic geopolitics of the Reformation itself An object study in the ways that puritanism generated managed and failed to manage diversity Making Heretics carries its account on into England in the 1640s and 1650s and helps explain the differing fortunes of puritanism in the Old and New Worlds

The Oxford History of Protestant Dissenting Traditions, Volume I John Coffey, 2020 A study of the fragmented nature of post Reformation English Protestantism and the Dissenters who

offered theological alternatives to Anglican traditions through Presbyterianism Baptism and Quakerism This book explains the spread of these Dissenting traditions and the adoption of religious pluralism as a result of Protestant nonconformity

New England's Crises and Cultural Memory John McWilliams, 2004-07-22 In this magisterial study John McWilliams traces the development of New England's influential cultural identity Through written responses to historical crises from early New England through the pre Civil War period McWilliams argues that the meaning of New England despite claims for its consistency was continuously reformulated The significance of past crises was forever being reinterpreted for the purpose of meeting succeeding crises The crises he examines include starvation the Indian wars the Salem witch trials the revolution of 1775-76 and slavery Integrating history literature politics and religion this is one of the most comprehensive studies of the meaning of New England to appear in print McWilliams considers a range of writing including George Bancroft's History of the United States the political essays of Samuel Adams the fiction of Nathaniel Hawthorne and the poetry of Robert Lowell

This compelling book is essential reading for historians and literary critics of New England **Predestination** Peter J. Thuesen, 2009-07-06 Winner of the Christianity Today 2010 Book Award for History Biography and praised in Christian Century as witty erudite masterful this groundbreaking history the first of its kind shows that far from being only about the age old riddle of divine sovereignty versus human free will the debate over predestination is inseparable from other central Christian beliefs and practices the efficacy of the sacraments the existence of purgatory and hell the extent of God's providential involvement in human affairs and has fueled theological conflicts across denominations for centuries Peter Thuesen reexamines not only familiar predestinarians such as the New England Puritans and many later Baptists and Presbyterians but also non Calvinists such as Catholics and Lutherans and shows how even contemporary megachurches preach a purpose driven outlook that owes much to the doctrine of predestination For anyone wanting a fuller understanding of religion in America Predestination offers both historical context on a doctrine that reaches back 1 600 years and a fresh perspective on today's denominational landscape

Major-General Hezekiah Haynes and the Failure of Oliver Cromwell's Godly Revolution, 1594-1704 David Farr, 2020-05-27 Hezekiah Haynes was shaped by the Puritanism of his father's network and experienced emigration to New England as part of a community removing themselves from Charles I's Laudianism Returning to fight in the British Civil Wars Haynes rose to become Cromwell's ruler of the east of England tasked with bringing about a godly revolution and in rising to prominence he became the centre of his own developing political and religious network which included a kin link to Cromwell himself As one of Cromwell's Major Generals Haynes was tasked with security and a reformation of manners but he was hampered by the limits of the early modern state and Cromwell's own contradictory political and religious ideas The Restoration saw Haynes imprisoned in the Tower before emerging to return to the community in which he had been raised and continuing the links with some of those he had worked with for Cromwell and the kin he had left behind in New England in dealing with the norms of early modern life This book will appeal to

specialists in the area and students taking courses on early modern English and American history as well as those with a more general interest in the period

The Salem Belle Ebenezer Wheelwright, 2016-01-08 The Salem Belle is a historical novel a tale of vengeance and superstition set against the Salem witchcraft tragedy of 1692 Rejected by the beautiful Mary the Salem belle the bitter Trellison accuses her of witchcraft mistakenly thinking himself motivated by religious faith She is quickly tried and convicted and her brother James and her fianc Walter must try to rescue the persecuted woman Engaging in its own right The Salem Belle invites renewed interest because it is a critical source for Nathaniel Hawthorne s masterwork The Scarlet Letter Hawthorne transformed three scenes from Wheelwright s novel for his own In so doing Hawthorne covertly elaborated his lifelong theme original sin and the possibility of redemption Hawthorne scholar Richard Kopley who has recovered The Salem Belle for twenty first century literary study introduces and annotates Wheelwright s novel providing relevant historical details as well as pertinent details about Wheelwright s life and reading Kopley also furnishes three appendixes that will facilitate understanding of The Salem Belle and further analysis of its place in American literary history

Corporate Spirit Amanda Porterfield, 2018 In this groundbreaking work Amanda Porterfield explores the long intertwining of religion and commerce in the history of incorporation in the United States Beginning with the antecedents of that history in western Europe she focuses on organizations to show how corporate strategies in religion and commerce developed symbiotically and how religion has influenced the corporate structuring and commercial orientation of American society Porterfield begins her story in ancient Rome She traces the development of corporate organization through medieval Europe and Elizabethan England and then to colonial North America where organizational practices derived from religion infiltrated commerce and commerce led to political independence Left more to their own devices than under British law religious groups in the United States experienced unprecedented autonomy that facilitated new forms of communal governance and new means of broadcasting their messages As commercial enterprise expanded religious organizations grew apace helping many Americans absorb the shocks of economic turbulence and promoting new conceptions of faith spirit and will power that contributed to business Porterfield highlights the role that American religious institutions played a society increasingly dominated by commercial incorporation and free market ideologies She also shows how charitable impulses long nurtured by religion continued to stimulate reform and demand for accountability

The Bible in American Law and Politics John R. Vile, 2020-09-19 While scholars increasingly recognize the importance of religion throughout American history The Bible in American Law and Politics is the first reference book to focus on the key role that the Bible has played in American public life In considering revolting from Great Britain Americans contemplated whether this was consistent with scripture Americans subsequently sought to apply Biblical passages to such issues as slavery women s rights national alcoholic prohibition issues of war and peace and the like American presidents continue to take their oath on the Bible Some of America s greatest speeches for example Lincoln s Second Inaugural and William Jennings Bryan s Cross of Gold speech have

been grounded on Biblical texts or analogies Today Americans continue to cite the Bible for positions as diverse as LGBTQ rights abortion immigration welfare health care and other contemporary issues By providing essays on key speeches books documents legal decisions and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures John Vile provides an indispensable guide for scholars and students in religion American history law and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues Formed From This Soil Thomas S. Bremer,2014-12-03 Formed from This Soil offers a complete history of religion in America that centers on the diversity of sacred traditions and practices that have existed in the country from its earliest days Organized chronologically starting with the earliest Europeans searching for new routes to Asia through to the global context of post 9 11 America of the 21st century Includes discussion of race ethnicity gender sexual orientation socio economic class political affiliations and other elements of individual and collective identity Incorporates recent scholarship for a nuanced history that goes beyond simple explanations of America as a Protestant society Discusses diverse beliefs and practices that originated in the Americas as well as those that came from Europe Asia and Africa Pedagogical features include numerous visual images sidebars with specialized topics and interpretive themes discussion questions for each chapter a glossary of common terms and lists of relevant resources to broaden student learning

The Common Law in Colonial America William E. Nelson,2008-08-05 Drawing on groundbreaking and overwhelmingly extensive research into local court records The Common Law in Colonial America proposes a new beginning in the study of colonial legal history as it charts the course of the common law in Early America to reveal how the models of law that emerged differed drastically from that of the English common law In this first volume Nelson explores how the law of the Chesapeake colonies Virginia and Maryland differed from the New England colonies Massachusetts Bay Connecticut New Haven Plymouth and Rhode Island and looks at the differences between the colonial legal systems within the two regions from their initial settlement until approximately 1660 **John Winthrop** Michael Parker,2013-10-30 Puritan politician lawyer and lay theologian John Winthrop fled England in 1630 when it looked like Charles I had successfully blocked all hopes of passing Puritan inspired reforms in Parliament Leading a migration he came to New England in the hopes of creating an ideal Puritan community and eventually became the governor of Massachusetts Winthrop is remembered for his role in the Puritan migration to the colonies and for delivering what is probably the most famous lay sermon in American history A Model of Christian Charity In it he proclaimed that New England would be a city upon a hill an example for future colonies In John Winthrop Founding the City upon a Hill Michael Parker examines the political and religious history of this iconic figure In this short biography bolstered by letters sermons and maps John Winthrop introduces students to the colonial world the Pequot Wars and the history of American Exceptionalism *John Winthrop* Francis J. Bremer,2003-06-16 John Winthrop s effort to create a Puritan City on a Hill has had a lasting effect on American values and many remember this

phrase famously quoted by the late Ronald Reagan However most know very little about the first American to speak these words In John Winthrop Francis J Bremer draws on over a decade of research in England Ireland and the United States to offer a superb biography of the first governor of the Massachusetts Bay Colony one rooted in a detailed understanding of his first forty years in England Indeed Bremer provides an extensive path breaking treatment of Winthrop s family background youthful development and English career His dissatisfaction with the decline of the godly kingdom of the Stour Valley in which he had been raised led him on his errand to rebuild such a society in a New England In America Winthrop would use the skills he had developed in England as he struggled with challenges from Roger Williams and Anne Hutchinson among others and defended the colony from English interference We also see the personal side of Winthrop the doubts and concerns of the spiritual pilgrim his everyday labors and pleasures his feelings for family and friends And Bremer also sheds much light on important historical moments in England and America such as the Reformation and the rise of Puritanism the rise of the middling class the colonization movement and colonial relations with Native Americans Incorporating previously unexplored archival materials from both sides of the Atlantic here is the definitive portrait of one of the giants of our history John Winthrop received an honorable Mention The Colonial Dames of America Book Award

Foundational Texts of Mormonism Mark Ashurst-McGee, Robin Scott Jensen, Sharalyn D. Howcroft, 2018 Joseph Smith founding prophet and martyr of the Church of Jesus Christ of Latter day Saints personally wrote dictated or commissioned thousands of documents Among these are several highly significant sources that scholars have used over and over again in their attempts to reconstruct the founding era of Mormonism usually by focusing solely on content without a deep appreciation for how and why a document was produced This book offers case studies of the sources most often used by historians of the early Mormon experience Each chapter takes a particular document as its primary subject considering the production of a document as an historical event in itself with its own background purpose circumstances and consequences The documents are examined not merely as sources of information but as artifacts that reflect aspects of the general culture and particular circumstances in which they were created This book will help historians working in the founding era of Mormonism gain a more solid grounding in the period s documentary record by supplying important information on major primary sources

Reading Women Heidi Brayman Hackel, Catherine E. Kelly, 2011-08-02 In 1500 as many as 99 out of 100 English women may have been illiterate and girls of all social backgrounds were the objects of purposeful efforts to restrict their access to full literacy Three centuries later more than half of all English and Anglo American women could read and the female reader was emerging as a cultural ideal and a market force While scholars have written extensively about women s reading in the nineteenth and twentieth centuries and about women s writing in the early modern period they have not attended sufficiently to the critical transformation that took place as female readers and their reading assumed significant cultural and economic power Reading Women brings into conversation the latest scholarship by early modernists and early Americanists on the role

of gender in the production and consumption of texts during this expansion of female readership Drawing together historians and literary scholars the essays share a concern with local specificity and material culture Removing women from the historically inaccurate frame of exclusively solitary silent reading the authors collectively return their subjects to the activities that so often coincided with reading shopping sewing talking writing performing and collecting With chapters on samplers storytelling testimony and translation the volume expands notions of reading and literacy and it insists upon a rich and varied narrative that crosses disciplinary boundaries and national borders

Puritans and Puritanism in Europe and America Francis J. Bremer, Tom Webster, 2005-12-19 This exhaustive treatment of the Puritan movement covers its doctrines its people its effects on politics and culture and its enduring legacy in modern Britain and America Puritanism began in the 1530s as a reform movement within the Church of England It endured into the 18th century In between it powerfully influenced the course of political events both in Britain and in the United States Puritanism shaped the American colonies particularly New England It was a key ingredient in literature from authors as diverse as John Milton and Nathaniel Hawthorne Although Puritanism as a formal movement has been gone for more than 300 years its influence continues on the mores and norms of America and Britain This ambitious work contains nearly 700 entries covering people events ideas and doctrines the whole of Puritanism Exhaustive and authoritative it draws on the work of more than 80 leading scholars in the field Impeccable scholarship combines with eminent readability to make this a valuable work for all readers and researchers from secondary school up

In the Beginning Was the Word Mark A. Noll, 2015-10-09 In the beginning of American history the Word was in Spanish Latin and native languages like Nahuatl But while Spanish and Catholic Christianity reached the New World in 1492 it was only with settlements in the seventeenth century that English language Bibles and Protestant Christendom arrived The Puritans brought with them intense devotion to Scripture as well as their ideal of Christendom a civilization characterized by a thorough intermingling of the Bible with everything else That ideal began this country's journey from the Puritan's City on a Hill to the Bible quoting country the U S is today In the Beginning Was the Word shows how important the Bible remained even as that Puritan ideal changed considerably through the early stages of American history Author Mark Noll shows how seventeenth century Americans received conflicting models of scriptural authority from Europe the Bible under Christendom high Anglicanism the Bible over Christendom moderate Puritanism and the Bible against Christendom Anabaptists enthusiasts Quakers In the eighteenth century the colonists turned increasingly to the Bible against Christendom a stance that fueled the Revolution against Anglican Britain and prepared the way for a new country founded on the separation of church and state One of the foremost scholars of American Christianity Mark Noll brings a wealth of research and wisdom to In the Beginning Was the Word providing a sweeping engaging and insightful survey of the relationship between the Bible and public issues from the beginning of European settlement A seminal new work from a world class scholar this book offers a fresh account of the contested sometimes ambiguous but definite biblical

roots of American history *Science and Religion* Gary B. Ferngren, 2013-06-17 Written by distinguished historians of science and religion the thirty essays in this volume survey the relationship of Western religious traditions to science from the beginning of the Christian era to the late twentieth century This wide ranging collection also introduces a variety of approaches to understanding their intersection suggesting a model not of inalterable conflict but of complex interaction Tracing the rise of science from its birth in the medieval West through the scientific revolution the contributors describe major shifts that were marked by discoveries such as those of Copernicus Galileo and Isaac Newton and the Catholic and Protestant reactions to them They assess changes in scientific understanding brought about by eighteenth and nineteenth century transformations in geology cosmology and biology together with the responses of both mainstream religious groups and such newer movements as evangelicalism and fundamentalism The book also treats the theological implications of contemporary science and evaluates recent approaches such as environmentalism gender studies social construction and postmodernism which are at the center of current debates in the historiography understanding and application of science Contributors Colin A Russell David B Wilson Edward Grant David C Lindberg Alnoor Dhanani Owen Gingerich Richard J Blackwell Edward B Davis Michael P Winship John Henry Margaret J Osler Richard S Westfall John Hedley Brooke Nicolaas A Rupke Peter M Hess James Moore Peter J Bowler Ronald L Numbers Steven J Harris Mark A Noll Edward J Larson Richard Olson Craig Sean McConnell Robin Collins William A Dembski David N Livingstone Sara Miles and Stephen P Weldon

Puritan Evangelism Clifford B Boone, 2014-07-08 Scholarly investigation of English Puritanism has included descriptions of Puritan theology and preaching The relationship between the two however has not been thoroughly investigated This study focuses upon the relationship between the theology held by the puritan preacher and the content and delivery of his sermons Godly Republicanism Michael P. Winship, 2012-04-16 Puritans did not find a life free from tyranny in the new world they created it there Massachusetts emerged a republic as they hammered out a vision of popular participation and limited government in church and state spurred by Plymouth pilgrims Godly Republicanism underscores how pathbreaking yet rooted in puritanism s history the project was

Making Heretics Militant Protestantism And Free Grace In Massachusetts 1636 1641 Book Review: Unveiling the Power of Words

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Making Heretics Militant Protestantism And Free Grace In Massachusetts 1636 1641 eBooks, including some popular titles.

FAQs About Making Heretics Militant Protestantism And Free Grace In Massachusetts 1636 1641 Books

What is a Making Heretics Militant Protestantism And Free Grace In Massachusetts 1636 1641 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Making Heretics Militant Protestantism And Free Grace In Massachusetts 1636 1641 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Making Heretics Militant Protestantism And Free Grace In Massachusetts 1636 1641 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Making Heretics Militant Protestantism And Free Grace In Massachusetts 1636 1641 PDF to another file format?** There

are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Making Heretics Militant Protestantism And Free Grace In Massachusetts 1636 1641 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
