Maria Maria Look:

Maria, Maria Look! Ralph Cintron, 1982-01-01 *Sarah* Roger Rule, 2003-08-29 Sarah Pardee Winchester grew up in New Haven Connecticut where she married William W Winchester son of the entrepreneur who founded the Winchester rifle company which became the largest gun company in the world At its peak many members of the Winchester family started dying Sarahs sister in law her only child her father in law and finally her husband Because of the succession Sarah found herself heir to the Winchester fortune And because her lifespan exactly coincided with the popularity of Spiritualism Sarah went to a medium in Boston who told her that evil spirits killed by Winchester rifles were murdering her family in revenge Given advice to thwart them she moved to San Jose California becoming an early feminist and creating a new life for herself one of eccentricity romance and intrigue while overcoming powerful forces against her Because of her beliefs she truly felt that evil spirits surrounded her Her fame drew a Victorian version of paparazzi one of which nearly killed her She battled behind the scenes with Theodore Roosevelt and local hypocrites and was buried alive in the 1906 San Andreas Earthquake Even with all of this she remained kind hearted and sane Her home remains today as one of the largest Victorian mansions ever built *The House in Vienna* Colin Everard, 2013-12-01 What happened next would remain imprinted in their memories for the rest of their lives Quite suddenly each became conscious of the noise of vibration As their eyes came to rest on Maria s glass on the table in front of where she was sitting each quickly realised that it was vibrating against the glass of the table Then Paul said Look at the wall Daddy it has a big diagonal crack Philip Mason a civil aviation expert takes early retirement and buys a cattle farm in the Highlands of Kenya at the time of Kenya s independence in 1965 He and his beautiful fun loving Austrian wife Maria love one another their cattle farm and their idyllic surroundings But fate deals them a cruel hand their house catches fire and everything is lost Rather than attempting to rebuild their lives in Kenya they move to Austria No one in the world could have imagined the traumatic adventure about to engulf the couple Having bought a dream apartment in a beautiful 200 year old mansion right in the middle of Vienna s First District they live there happily for ten years Then one day their house suddenly starts vibrating Due to maintenance neglect areas of construction weakness become evident and the house is moving Will it collapse Can something be done to save it And what about the occupants of the nine apartments in the house What about their characters Are they reasonable and constructive are they uncaringly apathetic are they tricky even consumed by greed And what is their reaction when one of them is murdered In short what lies behind their facade of decency As we progress through the remarkably unusual story of *The House in Vienna* we learn a lot about the history culture and architecture of Vienna as well as of several parts of Austria There are also excursions to Communist Viet Nam and the former USSR The book will appeal to fans of literary historical thriller and expat fiction ***The Battle of Green Lanes*** Cosh Omar, 2015-08-07 A controversial new play which deals with issues such as Muslim fundamentalism a jihad for an Islamic state and the conflict between Cypriots living in North London Directed by Kerry Michael this hard hitting play
