New Religious Movement And Rapid Social Change

Anne C. Harper

New Religious Movement And Rapid Social Change:

New Religious Movements and Rapid Social Change James A. Beckford, 1986-11-01 The book shows how rapid social change gives rise to novel religious interpretations and how new religious movements in turn try to influence the process of change This analysis is illustrated by studies of the advanced societies of North America and Europe of Japan during the first phase of industrialization and of countries and regions in the developing world New religious movements are revealed as a normal aspect of social life and as critical indicators of social change This is reflected in each movement's social composition teachings values religious practices and organizational structures as well as their engagement in politics business and their structuring of social relationships Publisher's description *New Religious Movements and Rapid Social Change* James Arthur Beckford, 1988 *New Religious Movements and Rapid Social Change*, 1991 *Encyclopedia of New Religious Movements* Peter Clarke, 2004-03-01 New Religious Movements NRMs can involve vast numbers of followers and in many cases are radically changing the way people understand and practice religion and spirituality Moreover many are having a profound impact on the form and content of mainstream religion The Encyclopedia of New Religious Movements provides uniquely global coverage of the phenomenon with entries on over three hundred movement from almost every country in the world Coverage includes movements that derive from the major religions of the world and to neo traditional movements movements often overlooked in the study of NRMs In addition to the coverage of particular movements there are also entries on topics themes key thinkers and key ideas for example the New Age Movement Neo Paganism New Religion and gender NRMs and cyberspace NRMs and the law the Anti Cult Movement Swedenborg Jung Teilhard de Chardin Lovelock Gurdjieff al Banna Qutb The marked global approach and comprehensiveness of the encyclopedia enable an appreciation of the innovative energy of NRMs of their extraordinary diversity and the often surprising ways in which they can propagate geographically The most ambitious publication of its sort the Encyclopedia of New Religious Movements is a major addition to the reference literature for students and researchers of the field in religious studies and the social sciences Entries are cross referenced with short bibliographies for further reading There is a full index **The Cambridge Companion to New Religious Movements** Olav Hammer, Mikael Rothstein, 2012-08-30 New religions emerge as distinct entities in the religious landscape when innovations are introduced by a charismatic leader or a schismatic group leaves its parent organization New religious movements NRMs often present novel doctrines and advocate unfamiliar modes of behavior and have therefore often been perceived as controversial NRMs have however in recent years come to be treated in the same way as established religions that is as complex cultural phenomena involving myths rituals and canonical texts This Companion discusses key features of NRMs from a systematic comparative perspective summarizing results of forty years of research The volume addresses NRMs that have caught media attention including movements such as Scientology New Age the Neopagans the Sai Baba movement and Jihadist movements active in a post 9 11 context An essential resource for students of religious studies

the history of religion sociology anthropology and the psychology of religion **Teaching New Religious Movements**

David G. Bromley, 2007-05-25 Since its inception around 1970 the study of New Religious Movements NRMs has evolved into an established multidisciplinary field At the same time both the movements and the scholars who study them have been the subjects of intense controversy In this volume a group of senior NRM scholars who have been instrumental in the development of the field will offer pivotal essays that present the basics of NRM scholarship along with guidance for teachers on classroom use The book is organized topically around subjects that are both central to the study of NRMs and likely to be useful to non specialists Part I contains examinations of the definitional boundaries of the area of study varying disciplinary perspectives on NRMs unique methodological ethical problems encountered in the study of NRMs and the controversies that have confronted scholars studying NRMs and the movements themselves Part II examines a series of topics central to teaching about NRMs the larger sociocultural significance of the movements their distinctive symbolic and organizational features the interrelated processes of joining and leaving NRMs the organization of gender roles in NRMs media and popular culture portrayals of the movements the occurrence of corruption and abuse within movements and violence by and against NRMs Part III provides informational resources for teaching about NRMs which are particularly important in a field where knowing the biases of sources is crucial With its interdisciplinary approach the volume provides comprehensive accessible information and perspectives on NRMs It is an invaluable guide for instructors navigating this scholarly minefield New Religious Movements

Jamie Cresswell, Bryan Wilson, 2012-12-06 New Religious Movements Challenge Response is the most comprehensive wide ranging study on the global impact of new religions New religions discussed include Hare Krishna Sikh Dharma The Unification Church The Church of Scientology The Jesus People and Wicca Focuses on the rise of new religious movements in Italy Brazil United States Germany and Britain The contributors are among the most respected and reputable experts in the field Religion, Globalization and Culture

Peter Beyer, Lori Gail Beaman, 2007 The topic of religion and globalization is complex susceptible to a great variety of approaches This book combines contributions from many authors who examine a wide range of subjects ranging from overall theoretical considerations to detailed regional perspectives No single understanding of either religion or globalization is privileged Religions Today

Mary Pat Fisher, 2013-11-19 Religions Today provides a sympathetic account of what living religions really are Fisher traces the historical development and practices of major religious movements and explores how these evolve into contemporary belief and teaching She considers major faiths as well as indigenous religions and new religious movements focusing on how living religions affect contemporary society Case studies and interviews with living people ensure that this concise guide is both readable and stimulating Sociology in Everyday Life

David A. Karp, William C. Yoels, Barbara H. Vann, Michael Ian Borer, 2016-03-04 Over multiple successful editions this distinctive text puts day to day life under the microscope of sociological analysis providing an engaging treatment of situations and interactions that are resonant with readers daily experiences Clearly

written and well researched it reveals the underlying patterns and order of everyday life employing both seminal classical works and contemporary analyses that define and embrace the theories and methods of symbolic interactionism The latest edition provides fresh insights into patterns of behavior across a wide range of settings and circumstances connecting our individual selves to such issues as the effects of power differentials on social situations changing definitions of intimacy varied experiences of aging and the life course and the ongoing search for meaning Boxed inserts highlight topics of related interest while thought provoking discussion questions encourage readers to apply chapter content to their daily experiences

Understanding the Iglesia Ni Cristo Anne C. Harper, 2017-08-23 Does the Iglesia ni Cristo really teach that their building will go up in the rapture Do they use coercive methods to make sure their members give at least a tithe of their income to the church Have confrontational methods of evangelism been effective in reaching them Is there a better way The answers to these and other questions may surprise you In this groundbreaking and meticulously researched new book evangelical scholar Dr Anne Harper who with her husband George is a Manila based missionary with Action International Ministries describes the history teachings growth and development of the Iglesia ni Cristo since its founding in 1914 and explains why this group has endured for the last 100 years and why it will not likely fade away Unlike other evangelical publications Dr Harper treats the Iglesia ni Cristo with respect and kindness while being careful not to agree with or endorse their teachings Thoroughly documented yet highly readable this book will go a long way to removing the false stereotypes that many born again Christians have of this group and challenges to rethink our attitudes towards them and respond in a biblical manner From the Forward

Gender and Religion William H. Swatos, Jr, 2021-09-28 Few areas in American life have experienced as profound a change in structure and mission as religion in this epoch of women s struggle for complete equality and integration Until recently few studies have attempted the sort of empirical and theoretical integration that reveals the magnitude of this shift in basic roles attitudes and participation in church life The author has assembled a well designed and carefully defined volume to give the reader a solid empirical look at this revolution in religious practice and belief It also provides an insight into the sharp differences in opinions among women involved in religion the degree to which women change the structure if liturgy or simply partake of traditions from which they were formally excluded the extent to which women increase church involvement in social issues or retain a classical orientation to preaching the extent to which gender has an impact on everything from interpersonal relations of clergy with laity to preaching orientations

Antiquity and Social Reform Dawn Hutchinson, 2010-06-09 Although religious innovation in America has historically been the norm rather than the exception mainstream Americans have often viewed new religious movements with suspicion and occasionally with outright alarm The question motivating many studies of new religious movements has been why would someone join these religions In *Antiquity and Social Reform* Dawn Hutchinson offers at least one answer to this often repeated query She argues that followers of new religious movements in the 1960s 1980s specifically the Unification Church Feminist Wicca and

the Nation of Yahweh considered these religions to be legitimate because they offered members a personal religious experience a connection to an ancient tradition and agency in improving their world Utilizing an historical approach Antiquity and Social Reform considers the conversion narratives of adherents and primary literature of the formative years of these movements which demonstrates that the religious experiences of the adherents and a resonance with the goals of these religions propelled members into social action

The World's Religions Peter Clarke, Friedhelm Hardy, Leslie Houlden, Stewart Sutherland, 2004-01-14 Gives an account of the history the theological basis the practice and the current state of the study of religion and religions throughout the world Combines a clear and non technical style of presentation with a structure and range of contributions which reflect the richness and complexity of religion itself of the religions of the world and the study of religions Comprehensive index bibliographies and suggestions for further reading Intriguing philosophical questions are raised about the nature of religion and the qualities needed for studying it Times Higher Education Supplement Excellent book remarkably successful impressive as much for the sheer scale of the undertaking as for its consistent standard of analysis It is a fine achievement which will serve both as a very suitable textbook for students and a reliable guide to the state of scholarship in the History and Study of Religions Heythrop Journal

The Precisianist Strain Theodore Dwight Bozeman, 2012-12-01 In an examination of transatlantic Puritanism from 1570 to 1638 Theodore Dwight Bozeman analyzes the quest for purity through sanctification The word Puritan he says accurately depicts a major and often obsessive trait of the English late Reformation a hunger for discipline The Precisianist Strain clarifies what Puritanism in its disciplinary mode meant for an early modern society struggling with problems of change order and identity Focusing on ascetic teachings and rites which in their severity fostered the precisianist strain prevalent in Puritan thought and devotional practice Bozeman traces the reactions of believers put under ever more meticulous demands Sectarian theologies of ease and consolation soon formed in reaction to those demands Bozeman argues eventually giving rise to a first wave of antinomian revolt including the American conflicts of 1636 1638 Antinomianism based on the premise of salvation without strictness and duty was not so much a radicalization of Puritan content as a backlash against the whole project of disciplinary religion Its reconceptualization of self and responsibility would affect Anglo American theology for decades to come

The Oxford Handbook of Church and State in the United States Derek H. Davis, 2010-11-18 Study of church and state in the United States is incredibly complex Scholars working in this area have backgrounds in law religious studies history theology and politics among other fields Historically they have focused on particular angles or dimensions of the church state relationship because the field is so vast The results have mostly been monographs that focus only on narrow cross sections of the field and the few works that do aim to give larger perspectives are reference works of factual compendia which offer little or no analysis The Oxford Handbook of Church and State in the United States fills this gap presenting an extensive multidimensional overview of the field Twenty one essays offer a scholarly look at the intricacies and past and current

debates that frame the American system of church and state within five main areas history law theology philosophy politics and sociology These essays provide factual accounts but also address issues problems debates controversies and where appropriate suggest resolutions They also offer analysis of the range of interpretations of the subject offered by various American scholars This Handbook is an invaluable resource for the study of church state relations in the United States

Reactions to the Law by Minority Religions Eileen Barker, James T. Richardson, 2020-12-30 Much has been written about the law as it affects new and minority religions but relatively little has been written about how such religions react to the law This book presents a wide variety of responses by minority religions to the legal environments within which they find themselves An international panel of experts offer examples from North America Europe and Asia demonstrating how religions with relatively little status may resort to violence or passive acceptance of the law how they may change their beliefs or practices in order to be in compliance with the law or how they may resort to the law itself in order to change their legal standing sometimes by forging alliances with those with more power or authority to achieve their goals The volume concludes by applying theoretical insights from sociological studies of law religion and social movements to the variety of responses The first systematic collection focussing on how minority religions respond to efforts at social control by various governmental agents this book provides a vital reference for scholars of religion and the law new religious movements minority religions and the sociology of religion

Kids of Knutby Sanja Nilsson, 2023-09-29 This book tells the story of the children and youth of the charismatic new religious commune Knutby Filadelfia in Sweden It recounts the history of the congregation which started out as a part of the Swedish Pentecostal movement in 1921 In the 1990s it developed into a new religion when the congregation's female pastor embraced the role of the Bride of Christ The congregation became widely known in 2004 when one of its members was murdered by another member the latter claiming to have been acting on orders from God In 2018 the congregation dissolved after a few years of internal crisis Sanja Nilsson provides rich empirical analysis of archival material and interviews with the congregation's children and youth The young informants' personal perspectives on their own childhoods encompass narratives from their time inside the congregation when they identified as members of a stigmatized minority religion as well as from the time after the dissolution of the group when they identified as defectors from what they came to view as a sectarian milieu This work offers a comprehensive insight into the Knutby Filadelfia congregation a group that although notoriously charted by the media has been hitherto unexplored by academics It adds to the growing field of studies concerned with childhoods within new religions and expounds the dynamics of the defection process from the rarely applied perspective of children and youth themselves

The Oxford Handbook of Digital Religion Campbell, 2023-11-15 Digital Religion refers to the contemporary practice and understanding of religion in both online and offline contexts and how these contexts intersect with each other Scholars in this growing field recognize that religion has been influenced by its engagement with computer mediated digital spaces including not only the Internet

but other emerging technologies such as mobile phones digital wearables virtual reality and artificial intelligence The Oxford Handbook of Digital Religion provides a comprehensive overview of religion as seen and performed through various platforms and cultural spaces created by digital technology The text covers religious interaction with a wide range of digital media forms including social media websites gaming environments virtual and augmented realities and artificial intelligence and highlights examples of technological engagement and negotiation within the major world religions i e Buddhism Christianity Hinduism Islam and Judaism Additional sections cover the global manifestations of religious community identity ethics and authority with a final group of chapters addressing emerging technologies and the future of the field Because of the interdisciplinary nature of the project the Handbook is led by co editors representing the humanistic and social scientific fields of religious studies and communication though both also have experience in how those disciplines intersect

Jehovah's Witnesses Andrew Holden, 2012-11-12 This is the first major study of the enigmatic religious society By examining the Jehovah's Witnesses dramatic recent expansion Andrew Holden reveals the dependency of their quasi totalitarian movement on the physical and cultural resources have brought about the privatization of religion the erosion of community and the separation of fact from faith

New Religious Movement And Rapid Social Change Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free New Religious Movement And Rapid Social Change PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free New Religious Movement And Rapid Social Change PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of New Religious Movement And Rapid Social Change free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About New Religious Movement And Rapid Social Change Books

What is a New Religious Movement And Rapid Social Change PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a New Religious Movement And Rapid Social Change PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a New Religious Movement And Rapid Social Change PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a New Religious Movement And Rapid Social Change PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a New Religious Movement And Rapid Social Change PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier

to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
