The Canadian Short Story Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada s flagship genre It continues to attract the country s most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre s beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre s development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of

interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany 2009 Novel & Short Story Writer's Market Editors Of Writers Digest Books,2008-07-01 For 28 years Novel Short Story Writer s Market has been the only resource of its kind exclusively for fiction writers Covering all genres from romance to mystery to horror and more this resource helps you prepare your submissions and sell your work This must have guide includes listings for over 1 300 book publishers magazines literary agents writing contests and conferences each containing current contact information editorial needs schedules and guidelines that save you time and take the guesswork out of the submission process With more than 100 pages of listings for literary journals alone and another 100 pages of book publishers plus special sections dedicated to the genres of romance mystery thriller speculative fiction and comics graphic novels the 2009 edition of this essential resource is your key to successfully selling your fiction 2009 Novel & Short Story Writer's Market - Listings Editors Of Writers Digest Books,2008-07-01 For 28 years Novel Short Story Writer s Market has been the only resource of its kind exclusively for fiction writers Covering all genres from romance to mystery to horror and more this resource helps you prepare your submissions and sell your work This must have guide includes listings for over 1 300 book publishers magazines literary agents writing contests and conferences each containing current contact information editorial needs schedules and guidelines that save you time and take the guesswork out of the submission process With more than 100 pages of listings for literary journals alone and another 100 pages of book publishers plus special sections dedicated to the genres of romance mystery thriller speculative fiction and comics graphic novels the 2009 edition of this essential resource is your key to successfully selling your fiction **The Official Overstreet Comic Book Companion, 11th Edition** Robert M.
