Nuevas Voces Hispanas Contextos Literarios Para El Debate Y La Composicion:

Nuevas Voces Hispanas Maria J. Fraser-Molina, 2000 This book introduces students to literature through a collection of twelve short stories and related exercises designed to improve the reader's ability to speak and write in Spanish Activities that build reading comprehension and grammar reviews are built into the context of each story to help eliminate any fear of reading in a foreign language Interesting topics of current issues such as child abuse ecological catastrophe homosexuality migration and aging are written by a balanced selection of male and female new authors For those familiar enough with the Spanish language to want to bridge the gap between that language and Hispanic literature **Qué Le Duele?** María J. Fraser-Molina, Constanza Gómez-Joines, 2008 The purpose of *Qu le Duele* is to teach healthcare professionals how to communicate in Spanish with Hispanic patients This highly practical text is designed to help students and practicing professionals develop their oral communication skills Basic grammar explanations and relevant vocabulary with an emphasis on the construction of yes no questions are provided The text focuses on highly applicable and relevant material The exercises in each chapter begin with simple drills testing the reader's recognition and comprehension of the material learned culminating in more involved exercises such as role playing geared towards the practice of Spanish in real life scenarios Furthermore a CD that can be used for at home practice accompanies the text to help improve one's listening comprehension skills This book is adaptable to classes of different types and lengths Some hospitals are providing six to eight week Spanish courses of levels 1 and 2 with a total of twelve hours of instruction per level This book is ideal for such a setting as it could be divided into two parts the first part for level 1 and the second part for level 2 For other types of courses such as semester long classes offered at community colleges or universities this book is equally as ideal because in its entirety it provides more than enough material for such a class In the second edition students will find pre and post reading activities for every cultural reading selection The pre reading activities will help students brainstorm about their own culture and experiences the post reading activities will ask students to apply what they learned in the reading to different real life scenarios and to compare and contrast their own culture to the Hispanic one In addition we have added Study Tips throughout the chapters and developed a PowerPoint presentation for instructors to use in the classroom *Qu le Duele* will serve as a traditional textbook for students and as a reference tool for healthcare professionals who must speak with Hispanic patients Emphasizing practicality this relatively small book with a soft cover and index will allow readers to locate needed material on the spot Upon adoption instructors may request PowerPoint slides for teaching purposes by contacting Beth Hall at bhall@capress.com To view sample slides from the full 25 slide presentation click [here](#) Used *Qu le Duele* in Spanish for Nurses Nur 191 last spring loved it Very useful Lori McNeil Beaufort Community College Washington NC International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences, 2000
