Did the Catholic Church Give Us the Bible? David W. Daniels,2011 The True History of God s Words There is not one history of the Bible but two One is a history of God preserving His words through His people The other is of the devil using the Roman Catholic church to pervert God s words through her scholars Written in a down to earth style and packed with cartoon illustrations by Jack Chick Daniels shows that the Bibles Rome gave us are really clever counterfeits designed to eliminate God s preserved words in English the KJV You will see why the KJV is the only Bible you can trust A Translator's Handbook on the Gospel of Luke Reiling,J.L. Swellengrebel,2023-04-17 This handbook like others in this series concentrates on exegetical matters that are of prime importance for translators and it attempts to indicate possible solutions for translational problems that may arise because of language or culture In this respect the Handbook attempts to deal with the full range of information important to translators However the authors do not attempt to provide help that other theologians and scholars may be seeking but which is not directly useful for the task of translating It is assumed that such information is available elsewhere **Edward Boehmer: Spanish Reformers of Two Centuries from 1520.
