"Nuggets from '49" James M. Daigh, Owen Hannant, 1985-01-01 **Catalog of Copyright Entries. Third Series**
Library of Congress. Copyright Office, 1949 Includes Part 1A Books and Part 1B Pamphlets Serials and Contributions to
Periodicals **So Rugged and Mountainous** Will Bagley, 2012-10-09 The story of America's westward migration is a powerful
blend of fact and fable Over the course of three decades almost a million eager fortune hunters pioneers and visionaries
transformed the face of a continent and displaced its previous inhabitants The people who made the long and perilous
journey over the Oregon and California trails drove this swift and astonishing change In this magisterial volume Will Bagley
tells why and how this massive emigration began While many previous authors have told parts of this story Bagley has recast
it in its entirety for modern readers Drawing on research he conducted for the National Park Service's Long Distance Trails
Office he has woven a wealth of primary sources personal letters and journals government documents newspaper reports and
folk accounts into a compelling narrative that reinterprets the first years of overland migration Illustrated with photographs
and historical maps **So Rugged and Mountainous** is the first of a projected four volume history **Overland West The Story of
the Oregon and California Trails** This sweeping series describes how the Road across the Plains transformed the American
West and became an enduring part of its legacy And by showing that overland emigration would not have been possible
without the cooperation of Native peoples and tribes it places American Indians at the center of trail history not on its
margins **The California Gold Rush** Gary F. Kurutz, 1997 **To the Land of Gold and Wickedness** Lorena Lenity Hays, 1988
