Nun A Memoir

Joan Irene Edwards

Nun A Memoir:

Nun Mary Gilligan Wong, 1983 Like many Catholic girls prior to Vatican II Mary wanted to be a nun Ecstatic at her acceptance into a teaching order she began the period of intense training called formation learning the virtues prescribed by a 19th century male dominated Church humility self abnegation and childlike dependence on the will of her superiors What happens to a normal 14 year old girl giggly and interested in boys who adores her family yet feels compelled to commit herself to a life that will demand that she never again visit her parents home And what leads Mary formed and on mission to make the decision not to take her final vows Here the author invites the reader to enter the world of the young woman who made that journey to wander the cloistered halls of the convent and experience from the inside the workings of cloistered minds and hearts Mary Wong interviewed forty former nuns about the experience of convent life interweaving their stories with hers in a candid funny deeply moving account of her training and adventures and of the beliefs and doubts that

persevere From publisher description **Lieutenant Nun** Catalina De Erauso, 2011-02-07 One of the earliest known autobiographies by a woman this is the extraordinary tale of Catalina de Erauso who in 1599 escaped from a Basque convent dressed as a man and went on to live one of the most wildly fantastic lives of any woman in history A soldier in the Spanish army she traveled to Peru and Chile became a gambler and even mistakenly killed her own brother in a duel During her lifetime she emerged as the adored folkloric hero of the Spanish speaking world This delightful translation of Catalina's own work introduces a new audience to her audacious escapades The Life and Loves of an Ex-Nun Jo Marie De

Angelo, 2018-11-19 The memoir titled The Life and Loves of an Ex nun The memoir begins with The Early Years as far back as the author can remember and recounts the unusual circumstances that lead her to the decision to enter religious life at the age of thirteen It recounts the experiences of the life of a nun within a very traditional European Community her reasons for eventually leaving and the varied tapestry of the life and loves that followed The final chapter on Intuition concludes with her affirmation perhaps imperative to trust and to follow your gut in making important choices on one's journey through life

Called: The Making & Unmaking of a Nun Marge Rogers Barrett, 2016-05-21 Margaret Rogers grew up in a large family in a small town on the prairie lively and free spirited But in high school God called her In 1963 she entered the convent to become Sister Zoe And then she was called again Once Upon a Convent Orice Klaas, 2015-07-16 A fifteen year old girl enters a convent during the mid nineteen fifties when nuns still wear traditional habits and are physically and emotionally removed from the rest of the world Subjected to rigid programming that includes almost perpetual silence and nearly total social isolation from her fellow community members the young nun believes that God has called her and stays there for nineteen years She eventually finds liberation and clarity through an unexpected sexual awakening with another woman The manner in which she resolves the conflict this causes between her spiritual and human needs leads her to a new future

One Nun's Odyssey Marion Kenneally, 2016-01-05 This story chronicles the journey of an 18 year old young woman who

entered an Order of teaching nuns in 1952 believing herself to have a religious vocation After three years of novitiate training she pronounced vows and was assigned to teach in the elementary grades of parochial schools in New Jersey Baltimore Fall River and New York During the last two years of her life as a nun she matriculated in a program of religious studies at Fordham University There she enjoyed exposure to many European theologians who proffered enlightened views on religion and she ultimately called into question some of the tenets of the Catholic Church Ultimately she rejected her faith and sought dispensation from her vows

A Blessing, an Old Nun Said Joan Irene Edwards,2001-01-01 **And Then There Were Nuns** Jane Christmas,2013-08-19 The best kind of memoir revealing refreshing and reflective enough to make readers turn many of the questions on themselves Booklist starred review With humor and opinions aplenty a woman embarks on an unconventional quest to see if she is meant to be a nun Just as Jane Christmas decides to enter a convent in mid life to find out whether she is nun material her long term partner Colin suddenly springs a marriage proposal on her Determined not to let her monastic dreams be sidelined Christmas puts her engagement on hold and embarks on an extraordinary year long adventure to four convents one in Canada and three in the UK In these communities of cloistered nuns and monks she shares and at times chafes and rails against the silent simple existence she has sought all of her life Christmas takes this spiritual quest seriously but her story is full of the candid insights humorous social faux pas profane outbursts and epiphanies that make her books so relatable and popular And Then There Were Nuns offers a seldom seen look inside modern cloistered life and it is sure to ruffle more than a few starched collars among the ecclesiastical set A lovely heartfelt tale Get thee to a bookstore and buy it A J Jacobs New York Times bestselling author of The Year of Living Biblically In fluid and often playful prose she introduces women and men she spent a week at a monastery on the Isle of Wight who have devoted their lives to prayer including a skydiving 90 year old nun Maclean s

Memoirs of a Nun Denis Diderot,2015-03-18 Memoirs of a Nun which began as a joke and grew into a masterpiece was one of the loudest salvos fired in the continuing battles between the clergy and the intelligentsia which defined so much of eighteenth century French history Diderot s story of a novice held in a convent against her will and forced to undergo curious spiritual and sexual trials displays all the brilliance icy wit and worldliness of the Enlightenment at its best

The Red Skirt Patricia O'Donnell-Gibson,2011-07-29 Impressionistic and dreamy a nine year old girl immediately feels that she might be called by God when a Catholic missionary speaks to her third grade class at a Catholic school The idea of this calling embeds itself into her haunting her through elementary and high school after which she chooses to enter the convent Her story follows the five years she spent as an Adrian Dominican nun struggling to balance her desire for a secular life with her great fear of turning her back on God s call Her stories are sad as well as joyous inspiring as well as unsettling

Particular Friendships: A Convent Memoir Kathleen J. Waites,2006-05 Particular Friendships A Convent Memoir offers a rare glimpse inside the walls of a Roman Catholic convent in the late 1960s The young narrator arrives with gentle visions spawned by The Sound of Music

only to encounter the harshness of life in this secretive society Her wit compassion and musicality foment a rebellion against rules forbidding expressions of joy and intimacy as she struggles between allegiance to the heart and her vow of blind obedience to flawed and abusive superiors Recently filed lawsuits against the Church suggest that the timing could not be better for an ex nun s memoir Part mystery part coming of age story this narrative seeks neither to damn nor to exonerate but to uncover the truth **Predatory Nuns** Brian Titley,2022-06-24 Since the first scandals broke in the mid 1980s the sexual misconducts of priests have cost the Catholic Church in America more than 4 billion in compensation settlements and incalculable damage to its reputation Although their crimes have attracted far less attention predatory nuns have also caused harm The depredations of these nuns took place in convent novitiates orphanages boarding schools for Native Americans and in Catholic schools both elementary and secondary Their victims male and female ranged in age from six year olds to young adults This book focuses on the criminal behavior of North American nuns and the responses from church leadership Mothers superior were outspoken in their refusal to accept responsibility for the crimes committed under their watch and their inclination was to close ranks and protect the predators endangering many children and young people in the process The complainants on the other hand were considered nuisances to be pushed aside with the least amount of exposure and expense possible Straightforward and informative this text begins by exploring the nuns vow of chastity and its relationship with human sexuality followed by dozens of case studies detailing the sexual abuse that nuns committed in various settings

Once I Was a Nun Kathlyn Harrison,2025-10-06 Brilliantly captivating moving remarkable story of a young woman s very personal journey to flying solo Dr M Lincoln Education Consultant For so long I did not speak of my former life except to those closest to me I think some of my reticence came from a fear of people finding it confronting and taking a wide berth of me But recently I had discovered letters my father had kept from those years I had written home regularly and as I read them it got me thinking back over those times again I hadn t even finished school when I entered the convent and the time I spent in the close knit community particularly of the Novitiate had been special These days too with very few nuns around especially ones recognisable in their traditional black habits I thought I d share my life as a Catholic nun back in the day I hope my story is a glimpse into the life of a young girl from the far North Queensland tropics uprooting her life from living at home to living far away in a convent in Sydney at the end of the sixties *Memoirs of a Nun (La Religieuse)* Denis

Diderot,1928 **Nun Better** Joanie Lindenmeyer,Carol Tierheimer,2023-03-19 Two Catholic nuns who had taken a vow of celibacy fall deeply in love leave the Church and blaze their own holy path by merging their commitment to God and to each other in a lifelong romance that sparkles with joy and celebration NUN BETTER An Amazing Love Story begins in the 1980s when society scorned LGBTQ love and same sex marriage seemed an impossible dream and ends as a testament to true love and lifelong bliss *Creative Sexuality* Barbaralie Stiefermann,2014-07-18 This book is my attempt to broaden the traditional Catholic teaching of the purpose of sexuality namely procreative and unitive to creative and integrative no matter

what our walk in life I hope my life as a celibate subtly and implicitly exemplifies the integrative and creative sexual energies as seen through my relationships and experiences portrayed in my memoirs Without minimizing the procreative and unitive I invite you the reader to see human sexuality through a wider lens and value this precious gift To the Christian and as a sister it transcends the temporal and becomes sacramental Love one another as I love you *The Tulip and the Pope* Deborah Larsen,2006-09-12 The story of novelist and poet Deborah Larsen s young womanhood *The Tulip and the Pope* is both an exquisitely crafted spiritual memoir and a beautifully nuanced view of life in the convent In midsummer of 1960 nineteen year old Deborah shares a cab to a convent She and the teenage girls with her passionate to become nuns heedless of all they are leaving behind smoke their last cigarettes before entering their new lives In the same artful prose that distinguished her novel *The White* Larsen s memoir lets us into the hushed life of the convent She captures the exquisite peace she found there as well as the extreme constriction of the rules and her gradual awareness of all that she is missing Eventually the physical world the lush tulip she remembers seeing as a girl the snow she tunneled in and even the mystery of sex begins to seem to her an alternative theater for a deep understanding and love of God *Through the Narrow Gate* Karen Armstrong,2010-11-05 The precursor to the bestselling *The Spiral Staircase* comes Karen Armstrong s classic memoir of her life as a young woman in a convent *Through the Narrow Gate* is Karen Armstrong s intimate memoir of life inside a Catholic convent With honesty and clarity she explains what drove her at age seventeen to devote herself to God Over the next seven years she endures the difficulties of convent life the enforced silence the lack of friendship and family her own guilt at not being able to stifle her voracious intelligence and unveils the secrets of religious life during the post Vatican II years *Through the Narrow Gate* is a moving account of a young woman s search for God and the experiences that put Karen Armstrong on her way to becoming one of the most admired and most respected interpreters of religious faith **Memoirs of the Life of Henriette-Sylvie de Moliere** Madame de Villegieu,2007-11-01 Known as Madame de Villegieu Marie Catherine Desjardins ca 1640-83 was a prolific writer who played an important role in the evolution of the early modern French novel One of the earliest women to write for a living she defied cultural convention by becoming an innovator and appealing to popular tastes through fiction drama and poetry *Memoirs of the Life of Henriette Sylvie de Moliere* a semi autobiographical novel portrays an enterprising woman who writes the story of her life a complex tale that runs counter to social expectations and novelistic conventions A striking work the story skillfully mixes real events from the author s life with fictional adventures At a time when few women published Villegieu s *Memoirs* is a significant achievement in creating a voice for the early modern woman writer Produced while the French novel form was still in its infancy it should be welcomed by any scholar of women s writing or the early development of the novel **The Nun, the Pope, and the Wind** Joyce H. Vandever,2016-11-08 On her fifth birthday Joyce made her first vow Raised in a devout Catholic home she decided to put the needs of others before her own At age thirteen her mother died She sought a life with the nurturing nuns who taught her Joyce describes the process of almost

ten years of sister formation leading to professing the vows of poverty chastity and obedience for life Why then did she leave the convent She had come from a generation screaming for release from meaningless social rituals and when convent rules began changing because of Pope John XXIII s Ecumenical Council Joyce changed too This unusual story explores a world very few people know
