Nurse Sarahs Confusion:

Nurse Sarah's Confusion Mary Curtis Bowers,1983 **Nurse Katie's Rival** Ethel E. Bangert,1986 The Attic Nichole LeeAnn Turnow,2007-09-13 Sometimes when we least expect it life changes leaving us dazed and wondering what has happened Later we decide that we must have missed something or lost a moment in time Did life take a leap when we werent watching or did we simply forget Is the world keeping something from us or are we keeping something from ourselves As Doctor Samuels probes Sarahs mind she begins putting the pieces together In the midst of being plagued by flashbacks and blocked memories she senses that something strange is happening Sarah is aware that she is depressed and crazy but begins questioning how crazy she really is While her fears come to life and the shadows of her dreams seep into reality the true picture awakens inside her mind No longer does she wonder how she came to be in the mental hospital and no longer does she want to know the truth Sarah discovers that she is forever a prisoner and may never leave She is trapped locked inside The Attic **Sarah's Search** Rhoda Fegan,2018-07-18 Destiny Fate Sarah didn t believe that life was contributable to these uncontrollable forces but to the choices of human beings and a very real and loving God Although still single she believed that God s plan for her included marriage and a family with her as a pastor s wife or hopefully the wife of a foreign missionary Her prayers for this very special man and their service together were more than a decade old She saw no likely candidates but trusted God with her life So Sarah lived her life in the moment serving God and looking for the joy God provided in each day That joy now found her on a dream vacation in Toledo Spain where she had fallen in love with the culture the people and the city She had little more than a day left on her vacation and used her unscheduled time to visit an art gallery near her hostel where she met Phillip They had a few hours together before Sarah dashed back to the safety of her familiar life Vacation Sarah was little threat to Satan in Toledo even if her witness did win one man to the Enemy The salvation of this waiter was an incidental note on the demon Warning s report to his Master But Sarah doesn t stay in her room and Phillip isn t a man to give up easily Warning Satan s demon observer reports to his Master that Sarah is becoming a real threat to Satan s plans Demons are ordered to intervene but Sarah s angels don t leave her defenseless Is God working and answering prayers Will the assigned demons keep Sarah from a future with Phillip who is not saved and who has distanced himself from God **Nurse Carol's Truce** Mary Curtis Bowers,1985 *Shattered Smiles Through the Glass* Danielle Todd,2014-10-14 Angelle and Sarah continue to look for love Sarah is determined not to give up on Drake while Angelle and Logan fight to keep their love whole **Sarah's Choice** Thérèse A. M. Gurno,2024-08-31 When Sarah discovered her ability to shift realities she became the key to saving the multiverse Teaming up with Ethan and Zack seasoned veterans of interdimensional travel Sarah embarks on a heart pounding adventure through collapsing worlds With each jump they edge closer to the source of the destruction witnessing the eerie remnants of realities on the brink of oblivion But new realities bring new dangers from rogue Anchors to alternate versions of people she thought she knew Sarah must push her powers to the limit learning to adapt and trust herself in the face of the unknown As they navigate the ever changing landscapes of the multiverse they unravel clues pointing to a mysterious force behind the collapse Can this trio of Anchors find a way to stop the destruction and restore balance to the multiverse or will they become the last remnants of a forgotten existence Their quest will take them to the very limits of reality and force Sarah to confront the true depths of her abilities The fate of infinite worlds rests on their shoulders and the clock is ticking *Rue des Rosiers* Rhea Tregebov,2019-04-15 Sarah is the youngest of the three Levine sisters At twenty five she is rudderless caught in a paralysis which keeps her from seizing her own life When Sarah is fired from her Toronto job a chance stay in Paris opens her up to new direction and purpose But when she reads the writing on the wall above her local Metro subway station death to the Jews shadows from childhood rise again And as her path crosses that of Laila a young woman living in an exile remote from the luxuries of 1980s Paris Sarah stumbles towards to an act of terrorism that may realize her childhood fears In this new novel by the author of *The Knife Sharpener* s Bell writing that is both sensual and taut creates a tightly woven compelling narrative The Taking: A Psychological Thriller Michele PW (Pariza Wacek),2023-11-17 The Taking is a standalone psychological thriller in The Riverview Mysteries series by USA Today bestselling author Michele PW Pariza

Wacek Ideal for fans who love twisty mystery and suspense novels with a touch of romance Twenty four years ago five year old Tori walked into her newborn brother's room in the middle of the night to see a shadowy figure abducting him The next morning her baby brother's lifeless body was found in the crib No one believes what she saw that night Not her father Not her mentally unstable mother Not the police In fact there's even some suspicion that Tori is somehow involved Years later Tori is stuck in a job she hates hiding from her past afraid to let people get too close Until her childhood friend is found with her dead newborn claiming her real baby was taken by a shadowy figure Is the past coming back to haunt Tori And will the truth set her free or will it end up being more twisted than she ever could have imagined **Breaking the Silence** Diane Chamberlain,2015-10-30 Laura Brandon's promise to her dying father was simple to visit an elderly woman she'd never heard of before A woman who remembers nothing except the distant past Visiting Sarah Tolley seemed a small enough sacrifice to make But Laura's promise results in another death Her husband's And after their five year old daughter Emma witnesses her father's suicide Emma refuses to talk about it to talk at all Frantic and guilt ridden Laura contacts the only person who may be able to help A man she's met only once six years before A man who doesn't know he's Emma's real father Guided only by a child's silence and an old woman's fading memories the two unravel a tale of love and despair of bravery and unspeakable evil A tale that's shrouded in silence and that unbelievably links them all *Sarah's Alzheimer's Story* Fontella Bateman,2019-11-18 In telling Sarah's Alzheimer's Story the writer takes you back to where it all began in the hills of Kentucky where Sarah was born You may laugh cry or simply wonder as you go with her through her journey of life The reader will get to know about the strong woman Sarah and how she endures many tragedies One will find that even though memory loss is a large part of Alzheimer's disease in Sarah's case there is so much more Throughout the story the writer sometimes takes you back to incidents earlier in Sarah's life In the writer's opinion Sarah may be recalling something from the past causing her to act the way she does This seems to be especially true when she begins to see or talk to imaginary people Dealing with this disease is often a struggle for Sarah and her family But hopefully you will see the joy in their laughter the sorrow in their tears and feel their strong love It is hard to watch this very strong woman deteriorate mentally physically and lose her personality But this writer believes that there is a reason even if we do not understand it at the time
