

Don Grant on *Nursing the Spirit*

Nursing The Spirit

Mary Elizabeth O'Brien

Nursing The Spirit:

Nursing the Spirit Don Grant, 2023-05-23 Illness and death have always raised profound spiritual concerns. However, today most people experience suffering and treatment in hospitals and other impersonal bureaucratic facilities whose employees are expected to follow scientific rationalized norms of behavior. How do professional caregivers, the nurses and other workers who tend to patients, navigate between science and spirituality? Don Grant investigates the subtle ways that nurses at an academic medical center incorporate spirituality into their care work. Based on extensive fieldwork and an in-depth survey on spirituality, this book finds that many nurses see themselves as responsible for not only patients' physical health but also their spiritual well-being. They believe they are able to reconcile science and spirituality through storytelling and claim that they can provide more spiritual care than chaplains. However, nurses rarely talk about religion among themselves because they are concerned that their colleagues are uncomfortable discussing spirituality. Nevertheless, by seeking to honor patients' ultimate worth as human beings, many nurses are able to instantiate spiritual values of care. Grant interweaves his experiences as a hospital volunteer chaplain and a living liver transplant donor with empirical analyses of nurses' spiritual work. Developing a new understanding of the social significance of religion, *Nursing the Spirit* recasts the intersection of science and spirituality by centering the perspectives of the people who provide care. **Nursing the Spirit** Dorothy L. Wilt, Carol J. Smucker, 2001 Looking at spirituality broadly, this book offers practical advice to nurses on how to give spiritual care to patients. It is written in inclusive language to help nurses of all faiths address the spiritual needs of patients who may be from different belief systems and cultures. Case stories gathered from nurses from all types of practice settings around the country demonstrate the variety of ways of supporting patients spiritually. Wilt is a nurse psychotherapist and a licensed marriage and family therapist in private practice. Annotation copyrighted by Book News Inc. Portland, OR

Spirituality in Nursing Mary Elizabeth O'Brien, 2014 *Spirituality in Nursing: Standing on Holy Ground*, Fifth Edition explores the relationship between spirituality and the practice of nursing from a variety of perspectives, including nursing assessment of patients' spiritual needs, the nurse's role in the provision of spiritual care, the spiritual nature of the nurse-patient relationship, the spiritual history of the nursing profession, and contemporary interest in spirituality within the nursing profession. This Fifth Edition includes a new chapter titled *Prayer in Nursing*, which includes information on topics such as the history of prayer in nursing, finding time for prayer in nursing practice, and the ethics of praying with patients. A second new chapter titled *The Spirituality of Caring: A Sacred Covenant Model of Caring for Nursing Practice* explores the history of spirituality in nurse caregiving and spiritual concepts in nursing theories of caring. A concept analysis of nurses caring as a sacred covenant includes the Sacred Covenant Model of Caring for Nursing Practice, a model for clinical practice developed by the author. **Spirituality in Nursing: Standing on Holy Ground** Mary Elizabeth

O'Brien, 2007-04-26 **Nursing as a Spiritual Practice** Janet A. Macrae, PhD, RN, 2001-04-10 Florence Nightingale is

widely regarded as the founder of modern nursing What is less well known is that she also had well developed ideas about the spiritual aspects of nursing care Her views draw from both Eastern and Western spiritual traditions and have a startling relevance to nursing practice today Janet Macrae both a Nightingale scholar and a nationally recognized expert on therapeutic touch outlines Nightingale's ideas on spirituality in this book and discusses how a variety of techniques can be used to implement a more spiritual and humane form of nursing care The techniques which include yoga meditation and relaxation exercises can be used by both nurses and patients *A Sacred Covenant* Mary Elizabeth O'Brien,2008 *A Sacred Covenant* The Spiritual Ministry of Nursing focuses on the nurse's personal spiritual needs Grounded in biblical passages taken from both Old and New Testament scripture it provides a broad spiritual foundation Each chapter begins with a scripturally oriented nursing meditation and ends with a biblically themed nurse's prayer Anecdotes from practicing nurses are woven throughout each chapter to illustrate the spiritual themes **Spirituality in Nursing** Mary O'Brien,2010-10-25 This book explores the relationship between spirituality and the practice of nursing providing students and professionals with invaluable insights from a variety of perspectives Although an effort has been made to include examples of patient needs supported by both data and literature relative to other religious affiliations the overall orientation of the work is derived primarily from the Judeo Christian tradition Preface **Spiritual Assessment in Healthcare Practice** Professor Wilfred McSherry,Dr Linda Ross,2010 There has been a groundswell of interest in and recognition of the importance the spiritual part of a person's life has to play in coping with recovery from illness as well as in the attainment and maintenance of health wellbeing and quality of life Addressing the spiritual part of life is now a key part of the health care professional's job but this raises the question of how this part of life can be assessed and catered for and how health care professionals might be equipped for this task Wilf McSherry and Linda Ross's new edited text tackles this very issue with contributors from different disciplines including nursing medicine theology and chaplaincy and countries UK USA Malta offering their own perspectives on this important part of care Each chapter therefore has its own unique style but is concerned with one outcome to see spiritual assessment and care as an integral part of holistic care whatever the setting Contents include Introduction Linda Ross Wilfred McSherry Why the increasing interest in spirituality within healthcare Linda Ross The meanings of spirituality a multi perspectival approach to the spiritual John Swinton Recognising spiritual needs Aru Narayanasamy Spiritual Assessment definition categorisation and features Wilfred McSherry The spiritual history an essential element of patient centred care Christina Puchalski Indicator based and value clarification tools Donia Baldacchino Assessing and improving the quality of spiritual care Mark Cobb Dilemmas of spiritual assessment Chris Johnson Considerations for the future of Spiritual Assessment Linda Ross and Wilf McSherry *Nursing as Ministry* Kristen L. Mauk,Mary Hobus,2019-10-01 Designed to be a student friendly textbook for faith based schools this first edition text focuses on nursing as ministry not just spiritual care

Spirituality in Nursing Barbara Stevens Barnum,Barbara Stevens Barnum, PhD-Deceased,2010-09-08 Spirituality in

Nursing is thought provoking and Barnum offers some excellent material and food for thought Journal of Christian Nursing This is a very thought provoking book that asks many questions often without answers It could be used in an undergraduate or graduate course on spirituality or death and dying or as in service material in hospitals and other healthcare agencies A very interesting chapter discusses near death experiences NDE a phenomenon that has begun to be accepted and has garnered more study Score 95 4 stars Doody s Can nurses be expected to deliver spiritual care Should nursing claim healing as part of its mission Should spiritual care be taught in nursing education What do recent brain studies teach us about spirituality Exploring these questions and many more this new edition of Spirituality in Nursing provides a wealth of insight into current challenges presented to both practicing nurses and students Newly updated revised and expanded this third edition examines spirituality in nursing from an interdisciplinary perspective drawing from theoretical historical religious psychological and even physiological contexts In her thought provoking exploration of this sometimes controversial topic Dr Barnum traces nursing s involvement with spirituality from its historical ties with religion to the current interest in new age and alternative health methods The chapters offer engaging discussions of important topics such as the distinction between spirituality and religion spirituality and research humanism and death and dying Taking a problem solving approach this book serves as an invaluable guide to understanding the complex and expanding role of spirituality in nursing

Spiritual Care in Nursing Practice Kristen L. Mauk, Nola A. Schmidt, 2004 Focusing on spirituality as an inherent component of effective nursing care this text presents an unbiased view of the nature of human spirituality apart from religion The text offers a unique interdisciplinary and inter religious perspective representing a range of Eastern and Western religious traditions while addressing lifespan considerations and belief systems within the nursing process framework Readable interactive chapters apply the content clinically and highlight timely research on spirituality and health Each chapter includes case studies critical thinking questions and personal reflection questions Website references are also included

Making Sense of Spirituality in Nursing and Health Care Practice Wilfred McSherry, 2006 This new edition of an established introductory guide to spirituality and health care practice draws extensively on case studies illustrating the application of theory to practice It encourages the exploration through reflective activities of what spirituality means both to patients and to the healthcare professionals caring for them

Spiritual Care Sharon Fish, Judith Allen Shelly, 1978

Spiritual Care in Everyday Nursing Practice Janice Clarke, 2013-05-31 As changes in technology policy and management put an increasing emphasis on processes and procedures in nursing and health care how do we continue to make room for compassion the ancient human value that calls most nurses to the profession In *Spiritual Care in Everyday Nursing Practice* Janice Clarke argues that it is compassionate care of the whole person body and soul which is at the heart of nursing practice that values the individual and respects their dignity Rather than seeing spiritual care as an addition to what nurses already do this new approach considers it a natural part of compassionate care which doesn t present the nurse

with an extra ambiguous burden to deal with Providing a brief historical introduction to the concept of spirituality Clarke examines the ways in which our spiritual life a source of strength and meaning can be influenced by factors such as age illness and suffering and mental illness as well as our religious beliefs Providing a practical guide to talking about and working with spirituality she explores how nurses might imbue all their practice including the physical aspects of care from use of touch to helping patients to move bathe and eat with an attention to spiritual needs A timely accessible and practical introduction to a concept that is under explored in contemporary nursing literature this book will be of great value to students and professionals alike *The International Nursing Review* ,1928 *A Nurse's Handbook of Spiritual Care* Mary Elizabeth O'Brien,2004 Provides guidance for the spiritual care of all patients with varying ailments Spirituality in Nursing Practice Doreen, A. Westera,2016-11-14 Delivers a wealth of practical information for fulfilling the spiritual needs of all patients and their families Written as a practical resource to teach nurses and nursing students this text explores how to best address spiritual assessment and care Spirituality the search for meaning in life and connection to others remains relevant to all patient interactions and an essential component for nurses to integrate into their everyday practice Using a multicultural and client centered approach chapters explore the concept of spirituality and its relationship with religion and health to directly place spirituality in a nursing context Reflection questions interspersed throughout encourage the reader to analyze their own experiences with spirituality within both professional and personal contexts and affirm how a nurse s own spirituality can influence her or his practice Practical exercises illustrate the importance of spirituality in nursing and provide tools and means to incorporate spirituality into clinical practice Chapters use a flexible approach that can be adapted to a variety of contexts in nursing education and practice throughout North America and beyond applicable for self study traditional courses and on line programs They contain a wealth of pedagogical features including case studies discussion questions a comprehensive bibliography and an extensive Instructor s Manual that provides additional direction for discussion and testing Thirteen videos developed by the author and available online provide the perspectives of nursing and health care professionals clients and families to illustrate the main points of the text Key Features Delivers a wealth of practical tools for incorporating spirituality into nursing Useful for self study on campus courses and online programs Contains a variety of pedagogical features including consistent format discussion questions reflective exercises case studies Instructors Manual Applicable to nursing education and practice in North American and beyond Promotes holistic nursing practice *Integrating Spirituality in Health and Social Care* Wendy Greenstreet,2006 This practical guide considers spiritual care as an explicit component of health and social care and takes into account not only religious cultural and spiritual views but also the value of music art and other creative therapies **Parish Nursing** Mary Elizabeth O'Brien,2003 Provides an overview of the current state of parish nursing exploring the spiritual call to the parish nursing ministry a spiritual history of parish nursing and the role of the parish nurse as a spiritual companion in health and illness Topics

include the parish nurse s own spirituality needs of diverse populations homebound adults and the hospitalised parishioner

Spiritual Dimensions of Advanced Practice Nursing Melanie Rogers, 2021-10-15 This book recognises the challenges associated with the concept of spirituality An awareness of this concept is integral to the provision of person centred holistic care However APNs ability to provide spiritual care is often impeded by time pressures and the prioritisation of clinical tasks Confusion about the meaning of spirituality and its relationship to religion compound the challenges involved in providing spiritual care leaving APNs feeling ill equipped to address this area of care Indeed many APNs view spirituality as synonymous with religion This book provides clarity with the assumption that spirituality is innate to all of our patients and is related to what gives them hope meaning and purpose Fundamentally it is about being human APNs ability to practice with kindness compassion and empathy will naturally resonate with spiritually competent practice It begins with an outline of the definitions of spirituality in addition to the concept of spiritually competent practice An emphasis on the importance of personal development follows Case studies from countries across the globe illustrate the benefit of integrating spirituality and provide evidence of the importance and relevance of integrating spirituality into practice These include discussion and presentations of the related concepts of availability and vulnerability which will give APNs more confidence and competence to integrate spirituality into practice This book is relevant for APNs students educators and researchers

Ignite the flame of optimism with Crafted by is motivational masterpiece, **Nursing The Spirit** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

Nursing The Spirit Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nursing The Spirit PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nursing The Spirit PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the

materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nursing The Spirit free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nursing The Spirit Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nursing The Spirit is one of the best book in our library for free trial. We provide copy of Nursing The Spirit in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nursing The Spirit. Where to download Nursing The Spirit online for free? Are you looking for Nursing The Spirit PDF? This is definitely going to save you time and cash in something you should think about.
