Earth John Brunner, 2011-09-29 One citizen of your planet shall go to the capital of the Federation of Worlds. He shall live there for thirty days. If your representative can survive and demonstrate his ability to exist in a civilized society with creatures whose outward appearance and manner of thinking differ from his own, you will pass the test. You will be permitted to send your starships to other planets of the galaxy. If he fails the test, if prejudice, fear, intolerance, or stupidity trip him up, then your world will be sealed off from the stars for ever. This was the ultimatum from space. The task before the world then was: who shall go? What man or woman could be found to take this frightening test for the whole of humanity and be certain not to fail? First published 1961. *Earth Witch* Britton Boyd, 2022 In every moment the land is speaking, reaching out to invite you back into an ancient relationship, back into a world peopled with spirits and brimming with magic. Calling you to the gritty, grounded path of the Earth Witch. Are you ready to listen? In *Earth Witch*, Listening to the Magic in the Land, witch, herbalist, and teacher Britton Boyd shares the lessons and powerful practices of an organic spirituality rooted in the natural world. This is witchcraft, raw and real, unfettered by the bounds of spiritual capitalism; this is the witchcraft found in thrift stores and free boxes on the side of the street, traded, bartered, lost and found again. In the ceaseless ebb and flow, this is a spiral.
