Perspectives On John Huston:

John Huston's Filmmaking Lesley Brill, 1997-10-13 John Huston's Filmmaking offers an analysis of the life and work of one of the greatest American independent filmmakers Always visually exciting Huston's films sensitively portray humankind in all its incarnations chronicling the attempts by protagonists to conceive and articulate their identities Fundamental questions of selfhood happiness and love are intimately connected to the idea of home which for the filmmaker also signified a congenial place among other people in the world In this study Lesley Brill shows Huston's films to be far more than formulaic adventures of masculine failure arguing instead that they demonstrate the close connection between humanity the natural world and divinity *Perspectives on John Huston* Stephen Cooper, 1994 [War and Film in America](#) Marilyn J. Matelski, Nancy Lynch Street, 2017-10-27 America's chief exports are war and entertainment combined they are the war films viewed all over the world The film industry is a partner of the government American film shapes the ways in which both Americans and others view war The authors herein explore differing film perspectives across five decades The essays written especially for this volume explore topics such as frontier justice Cold War fervor government sponsored terrorism the back to Nam films films as a venue for propaganda and war's far reaching effects on personal values family relationships and general civility The movies used in these analyses vary from conventional battle epics like *Bridge on the River Kwai* and *The Green Berets* to motion pictures with a war motif either as part of the story *The Way We Were* or as a historical setting *The Graduate* Some of the films are satirical *Dr Strangelove* some are propagandistic *The Alamo* *Big Jim McLain* Other films include *Black Hawk Down* *True Lies* *The Deer Hunter* *Patriot Games* and *Let There Be Light* Instructors considering this book for use in a course may request an examination copy here *New Perspectives on Dubliners*, 2021-11-08 **The Cambridge Companion to Rudyard Kipling** Howard J. Booth, 2011-09-01 Rudyard Kipling 1865-1936 is among the most popular acclaimed and controversial of writers in English His books have sold in great numbers and he remains the youngest writer to have won the Nobel Prize in Literature Many associate Kipling with poems such as *If* his novel *Kim* his pioneering use of the short story form and such works for children as the *Just So Stories* For others though Kipling is the very symbol of the British Empire and a belligerent approach to other peoples and races This Companion explores Kipling's main themes and texts the different genres in which he worked and the various phases of his career It also examines the afterlives of his texts in postcolonial writing and through adaptations of his work With a chronology and guide to further reading this book serves as a useful introduction for students of literature and of Empire and its after effects **Philosophical Perspective on Cinema** Pedro Blas González, 2022-05-17 The main premise of *Philosophical Perspective on Cinema* is simple Can a visual medium such as cinema put in greater perspective diverse aspects of human experience Films are usually sorted by genres but by applying metaphysical existential categories to cinema the author enables readers to reflect on the nature and essence of existence by making life appear less transparent to itself Undoubtedly the connection between sensual reality and

philosophical reflection is often glossed over when the emphasis is placed on theoretical abstractions and not life itself While this work is a reflection on the philosophy of existence the author embraces a practical approach to the metaphysical existential foundation of human existence Joyce/Lowry Patrick A. McCarthy,Paul Tiessen,2021-10-21 While James Joyce was a central figure of high modernism Malcom Lowry spoke for the next generation of modernist writers and despite his denials was almost certainly influenced by Joyce Wherever the truth lies there are correspondences and differences to be explored between Joyce and Lowry that are far more interesting than the question of direct influence Despite numerous differences their works have much in common verbal richness experimentation with narrative structure and perspective a fascination with cultural and historical forces as well as with the process of artistic creation and the inclusion of artist figures who are in varying degrees ironic self portrayals The contributors to Joyce Lowry examine the relationship of these two expatriates writers both to each other and to broader issues in the study of literary modernism and its aftermath This collection embraces a variety of approaches The volume begins with a consideration of Joyce and Lowry as practitioners of Expressionist art and concludes with an essay on John Huston s cinematic interpretation of works by both writers In between are explorations of nationalism anti Semitism syphilis mental illness and authorial design **Fred Zinnemann and the Cinema of Resistance** J.E. Smyth,2014-02-06 A compelling history of the director s films of war and resistance **Visions Of Virtue In Popular Film** Joseph Kupfer,2018-03-08 Visions of Virtue in Popular Film grows out of the interplay between film criticism and a philosophical view of virtue Joseph H Kupfer argues that film fictions can be integral to moral reflection and thus by examining the narrative and cinematic aspects of popular films we can derive important moral truths about people and their behavior Taking as his base a classical conception of virtue and vice Kupfer offers an in depth examination of Groundhog Day The African Queen Parenthood Rob Roy Fresh Jaws and Aliens in order to investigate the value of virtue within ever widening social contexts Meeting Movies Norman Norwood Holland,2006 Casablanca for example provides millions with a sense of satisfaction Why How did this movie about World War II satisfy an adolescent boy afraid of not being a man but too young to be in the military How did such an outrageously sentimental film enable Holland and many others to deal with the scary state of the world in 1942 and indeed ever since Meeting Movies poses such questions again and again As a professor of literature and film Holland feels compelled to interpret Yet beneath and beyond his intellectualizing a variety of half conscious personal considerations and recurring themes color his feelings and hence his interpretations And this he claims is true for all of us Jacket **Film - An International Bibliography** Malte Hagener,Michael Töteberg,2016-12-16 Kommentierte Bibliografie Sie gibt Wissenschaftlern Studierenden und Journalisten zuverl ssig Auskunft ber rund 6000 internationale Ver ffentlichungen zum Thema Film und Medien Die vorgestellten Rubriken reichen von Nachschlagewerk ber Filmgeschichte bis hin zu Fernsehen Video Multimedia **Film Adaptation in the Hollywood Studio Era** Gueric DeBona,2010 Gueric DeBona s new book that makes a powerful case that film adaptiations are shaped as much by

contextual forces as by their literary forbears Once it is as widely read as it deserves to be adaptation studies will never be the same Thomas Leitch author of *Film Adaptation and its Discontents* from *Gone with the Wind* to *The Passion of the Christ*
