

Types of Political Economy

Capitalism

Private businesses control the means of production in an economy.

Socialism

Public controls the means of production in an economy.

Communism

Government controls the means of production in an economy.

Political Economy Of Social Control In Singapore

Patrick Heenan, Monique Lamontagne

Political Economy Of Social Control In Singapore:

The Political Economy of Social Control in Singapore Chris Tremewan, 1994 Singapore's rapid economic growth has attracted much admiration. But can this success be sufficiently explained by canny exploitation of a niche in the global free market? This book shows that there is a complex relationship between economic strategy, social control and political conflict in Singapore. It does this by looking at the regulatory functions of major state institutions. Public housing increases state control and forces people into wage labour even while supplying a high standard of accommodation. Singaporeans are sorted, stratified and fragmented by the education system. Racism and patriarchal relations seen in language population planning and eugenics policies are integral to education. Elections and parliament in Singapore are mechanisms for forcing submission, converting submission into consent and confining politics to parliamentary politics. The legal system functions to criminalise politics and politicise crime. The findings of all the chapters are drawn together to show how the system of social control has developed in phases in response to the changing nature of political resistance. BOOK JACKET Title Summary field provided by Blackwell North America Inc. All Rights Reserved

The Political Economy of Social Control in Singapore Chris Tremewan, 1994-01-01 This book shows that there is a complex relationship between economic strategy, social control and political conflict in Singapore

The Political Economy of Social Control in Singapore C. Tremewan, 1996-04-29 The thesis presented here will not only change the way in which we understand contemporary Singaporean society and the relationship between the state and its citizens but will also provoke a debate about the social costs of economic development in other parts of the world and the future security of the island republic increasingly a Chinese enclave in a Malay sea in the twenty-first century. Peter Carey, Trinity College, Oxford. This study examines the development of Singapore's complex system of social regulation in relation to the phases of its economic strategy and political transition. It focuses on the way social control works through public housing and welfare, education, parliamentary politics and the law. It draws out the implications of such comprehensive control for political conflict. Popular explanations for Singapore's success and its status as a model for other developing countries are brought into question

The Political Economy of Capital Market Reforms in Southeast Asia X. Zhang, 2011-09-13 In this book Xiaoke Zhang addresses two fundamental political and policy questions: why do politicians have heterogeneous incentives to pursue public goods regarding policies through capital market reforms and why do they differ in their abilities to initiate and implement market reform policies decisively and resolutely

The International Political Economy of Work and Employability P. Moore, 2010-08-17 International competition and skills shortages caused by technological advancement have raised entirely new issues for workers, not least how responsibility is increasingly being transferred to them. This book looks at how workers are expected to survive unstable job market conditions in three locations: the UK, Singapore and South Korea

Examining Practice, Interrogating Theory Penelope (Pip). Nicholson, Sarah Biddulph, 2008 Legal transplantation and reform in the name of globalisation is central to the transformation of Asian legal

systems The contributions to Examining Practice Interrogating Theory Comparative Legal Studies in Asia analyse particular legal changes in China Indonesia Malaysia Singapore Thailand Taiwan and Vietnam The contributions also concurrently critically analyse the utility of scholarly developments in comparative legal studies particularly discourse analysis regulatory theory legal pluralism and socio legal approaches in the study of Asian legal systems While these approaches are regularly invoked in the study of transforming European legal systems the debate of their relevance and explanatory capacity beyond the European context is recent By bringing together these diverse analytical tools and enabling a comparison of their insights through Asian empirical case studies this book makes an invaluable contribution to the debates concerning legal change and the methods by which it is analysed globally and within Asia

Political Transitions in Dominant Party Systems

Joseph Wong, Edward Friedman, 2008-10-27 Using country specific case studies top rank analysts in the field focus on the lessons that dominant parties might learn from losing and the adaptations they consequently make in order to survive to remain competitive or to ultimately re gain power

My Nantah Story Tan Kok Chiang, In 1958 more than a hundred thousand people attended the inauguration ceremony of Nanyang University Nantah a true people s university that was founded with the support of all strata of society from tycoons to trishaw men After producing 12 000 graduates and winning global recognition the institution the first Chinese medium university outside China held her final convocation in 1980 Drawing from the author s own research and diverse sources that have never before been available in English this book tells the fascinating story of Nantah s short and eventful life and deconstructs the many myths and misconceptions that continue to surround her Errata Mr Lee Hsien Loong s quote on page 23 was taken from NUSS 60th anniversary lecture and not the 16th anniversary lecture as printed Reader Reviews This book is important reading for all Malaysians It captures a brief moment in our history when a group of oppressed people rose up set aside differences and joined hands in the face of great challenges and severe resistance to build an edifice that aspired to a greater vision for mankind Nanyang University is gone but the Nantah spirit lives on May we one day reclaim it for Malaya Thum Ping Tjin Historian Director of Project Southeast Asia Oxford University Tan Kok Chiang has succeeded in writing a remarkable book which can certainly be regarded as a comprehensive history of the old Nanyang University More than this his monumental work can also be upheld as a significant addition to the growing corpus of books considered to be alternative or people s history different from and breaking the monopoly of such official elite versions of history as exemplified by Lee Kuan Yew s The Singapore Story Syed Husin Ali Member Malaysian Senate and President People s History Centre

Political Participation and Democratic Capability in Authoritarian States

Lien Pham, Ance Kaleja, 2021-02-22 This book provides an innovative theoretical and empirical exploration of the political participation and democratic capability of people living in authoritarian states Merging perspectives from sociology and political science the book demonstrates that despite autocratic restrictions on opposition there is often still leeway for people to express themselves as political agents and to develop democratic capability The first

two chapters problematise political participation and develop an interdisciplinary three domain framework that allows for critical engagement with and appreciation of the contexts and varied ways in which participatory activities occur This framework is applied to analyse six country case studies Singapore Jordan Belarus Cuba Nigeria and Vietnam Drawing on a range of data sources and different analytical entry points the book investigates the substantive opportunities people have in exercising political agency and the implications for democratic capability The book concludes by summarising the emergent themes and examining the potential of applying this method of inquiry in other political contexts Encompassing both governmental and societal practices the book offers insights into state society relations and their role in constructing political values and goals for participation which people negotiate and mediate to inform their choices modes and forms of civic engagement These insights present a broad approach towards the study of participation with relevance for understanding political participation in various societies under non democratic and democratic rule alike This book will be useful for researchers and students interested in political dynamics and intersections with economic cultural and social aspects of development It will also be beneficial for practitioners interested in participatory actions and social change

Consolidating the Third Wave Democracies Larry Diamond, 1997-08-13 An in depth analysis of the struggle to consolidate new and fragile democracies available two paperback volumes for course use The global trend that Samuel P Huntington has dubbed the third wave of democratization has seen more than 60 countries experience democratic transitions since 1974 While these countries have succeeded in bringing down authoritarian regimes and replacing them with freely elected governments few of them can as yet be considered stable democracies Most remain engaged in the struggle to consolidate their new and fragile democratic institutions Consolidating the Third Wave Democracies provides an in depth analysis of the challenges that they face Consolidating the Third Wave Democracies is available in two paperback volumes each introduced by the editors and organized for convenient course use The first paperback volume Themes and Perspectives addresses issues of institutional design civil military relations civil society and economic development It brings together some of the world s foremost scholars of democratization including Robert A Dahl Samuel P Huntington Juan J Linz Guillermo O Donnell Adam Przeworski Philippe C Schmitter and Alfred Stepan The second paperback volume Regional Challenges focuses on developments in Southern Europe Latin America Russia and East Asia particularly Taiwan and China It contains essays by leading regional experts including Yun han Chu P Nikiforos Diamandouros Thomas B Gold Michael McFaul Andrew J Nathan and Hung mao Tien

Housing and Social Change Ray Forrest, James Lee, 2003-09-25 This wide ranging exploration of the key contemporary relationships between social change and housing is both policy oriented and theoretical drawing on a group of internationally respected academics It is also multidisciplinary incorporating sociology economics social policy and human geography perspective Its international perspective is rooted in its examination of issues such as economic insecurity and instability social diversity financial and social exclusion sustainability privatisation and state legitimacy the interaction of the

global and the local across three continents Singapore Politics Under the People's Action Party Diane K. Mauzy, Robert Stephen Milne, 2002 The party has coped successfully with the needs of a multiethnic population claims for more extensive human rights the nascent development of a civil society and the problems of defending a small country in a turbulent region

Communitarian Politics in Asia Beng Huat Chua, 2004-07-31 This book examines instances in Southeast and East Asian countries where communitarianism is both articulated as national ideology and embedded as the ethos of social life

Dictators and Autocrats Klaus Larres, 2021-10-31 In order to truly understand the emergence endurance and legacy of autocracy this volume of engaging essays explores how autocratic power is acquired exercised and transferred or abruptly ended through the careers and politics of influential figures in more than 20 countries and six regions The book looks at both traditional hard dictators such as Hitler Stalin and Mao and more modern soft or populist autocrats who are in the process of transforming once fully democratic countries into autocratic states including Recep Tayyip Erdo an in Turkey Brazilian leader Jair Bolsonaro Rodrigo Duterte in the Philippines Narendra Modi in India and Viktor Orb n in Hungary The authors touch on a wide range of autocratic and dictatorial figures in the past and present including present day autocrats such as Vladimir Putin and Xi Jinping military leaders and democratic leaders with authoritarian aspirations They analyze the transition of selected autocrats from democratic or benign semi democratic systems to harsher forms of autocracy with either quite disastrous or more successful outcomes An ideal reader for students and scholars as well as the general public interested in international affairs leadership studies contemporary history and politics global studies security studies economics psychology and behavioral studies **The Southeast Asia Handbook** Patrick Heenan, Monique Lamontagne, 2013-04-03

The Regional Handbooks of Economic Development series provides accessible overviews of countries within their larger domestic and international contexts focusing on the relations among regions as they meet the challenges of the twenty first century The series allows the non specialist student to explore a wide range of complex factors social and political as well as economic that affect the growth of developing regions in Asia Europe and South America Each Handbook provides an overview chapter discussing the region s economic conditions within an historical and political context as well as 20 or more chapter length essays written by recognized experts which analyze the key issues affecting a region s economy its population natural resources foreign trade labor problems and economic inequalities and other vital factors In addition the volumes offer useful support materials including a series of appendices that include a detailed chronology of events in the region a glossary of terms biographical entries on key personalities an annotated bibliography of further reading and a comprehensive analytical index Confucianism, Democratization, and Human Rights in Taiwan Joel Fetzer, J. Christopher Soper, 2013 Responding to the Asian values debate over the compatibility of Confucianism and liberal democracy Confucianism Democratization and Human Rights in Taiwan by Joel S Fetzer and J Christopher Soper offers a rigorous systematic investigation of the contributions of Confucian thought to democratization and the protection of women indigenous peoples

and press freedom in Taiwan Relying upon a unique combination of empirical analysis of public opinion surveys legislative debates public school textbooks and interviews with leading Taiwanese political actors this essential study documents the changing role of Confucianism in Taiwan's recent political history While the ideology largely bolstered authoritarian rule in the past and played little role in Taiwan's democratization the belief system is now in the process of transforming itself in a pro democratic direction In contrast to those who argue that Confucianism is inherently authoritarian the authors contend that Confucianism is capable of multiple interpretations including ones that legitimate democratic forms of government At both the mass and the elite levels Confucianism remains a powerful ideology in Taiwan despite or even because of the island's democratization Borrowing from Max Weber's sociology of religion the writers provide a distinctive theoretical argument for how an ideology like Confucianism can simultaneously accommodate itself to modernity and remain faithful to its core teachings as it decouples itself from the state In doing so Fetzer and Soper argue Confucianism is behaving much like Catholicism which moved from a position of ambivalence or even opposition to democracy to one of full support The results of this study have profound implications for other Asian countries such as China and Singapore which are also Confucian but have not yet made a full transition to democracy Handbook of Global Economic Policy Stuart Nagel, 2019-02-21 Written by over 20 leading international economists this book offers win win scenarios to economic problems As in the other volumes of this set of public policy handbooks the Handbook of Global Economic Policy employs a unique organizational principle from viewing economic problems from conservative and liberal perspectives to developing practical non ideological solutions to the problems and finally testing the solution's feasibility in terms of economic administrative political psychological legal international and technological obstacles The authors confront conventional wisdom about tradeoffs between unemployment and inflation economic growth and displaced workers and c *The Awkward Embrace* Charles Simkins, 2005-08-08 Democracies derive their resilience and vitality from the fact that the rule of a particular majority is usually only of a temporary nature By looking at four case studies *The Awkward Embrace* studies democracies of a different kind rule by a dominant party which is virtually immune from defeat Such systems have been called Regnant or or Uncommon Democracies They are characterized by distinctive features the staging of unfree or corrupt elections the blurring of the lines between government the ruling party and the state the introduction of a national project which is seen to be above politics and the erosion of civil society This book addresses major issues such as why one such democracy namely Taiwan has been moving in the direction of a more competitive system how economic crises such as the present one in Mexico can transform the system how government business relations in Malaysia are affecting the base of the dominant party and whether South Africa will become a one party dominant system East Meets West Daniel A. Bell, 2000-05-08 Is liberal democracy a universal ideal Proponents of Asian values argue that it is a distinctive product of the Western experience and that Western powers shouldn't try to push human rights and democracy onto Asian states Liberal democrats in the West typically counter by questioning

the motives of Asian critics arguing that Asian leaders are merely trying to rationalize human rights violations and authoritarian rule In this book written as a dialogue between an American democrat named Demo and three East Asian critics Daniel A Bell attempts to chart a middle ground between the extremes of the international debate on human rights and democracy Bell criticizes the use of Asian values to justify oppression but also draws on East Asian cultural traditions and contributions by contemporary intellectuals in East Asia to identify some powerful challenges to Western style liberal democracy In the first part of the book Bell makes use of colorful stories and examples to show that there is a need to take into account East Asian perspectives on human rights and democracy The second part a fictitious dialogue between Demo and Asian senior statesman Lee Kuan Yew examines the pros and cons of implementing Western style democracy in Singapore The third part of the book is an argument for an as yet unrealized Confucian political institution that justifiably differs from Western style liberal democracy This is a thought provoking defense of distinctively East Asian challenges to Western style liberal democracy that will stimulate interest and debate among students of political theory Asian studies and international human rights

Taiwan's Presidential Politics Muthiah Alagappa, 2017-07-28 The March 2000 presidential election was an important milestone in the democratic development of Taiwan with the Kuomintang turned out of power after five decades of control and replaced by the Democratic Progressive Party This book address the variety of effects that Taiwan s democratic development and the election will have on domestic policy in the region Part one looks at trends and changes in Taiwan s politics and analyzes the outcome of the March 2000 election The chapters in part two discuss the international implications of Taiwan s democratic evolution for a variety of issues including political economic and security relations on both sides of the Taiwan strait Japan s foreign policy in the region U S foreign policy in the region and peace and security in Southeast Asia The challenges and prospects for continued democratic consolidation and the implications and lessons for the PRC and Southeast Asia are also explored

Political Economy Of Social Control In Singapore Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Economy Of Social Control In Singapore has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Economy Of Social Control In Singapore has opened up a world of possibilities. Downloading Political Economy Of Social Control In Singapore provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Economy Of Social Control In Singapore has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Economy Of Social Control In Singapore. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Economy Of Social Control In Singapore. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Economy Of Social Control In Singapore, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Economy Of Social Control In Singapore has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Economy Of Social Control In Singapore Books

What is a Political Economy Of Social Control In Singapore PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Economy Of Social Control In Singapore PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Economy Of Social Control In Singapore PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Economy Of Social Control In Singapore PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Economy Of Social Control In Singapore PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
