The Thing About Leftovers C.C. Payne, 2017-07-04 With the humor and poignancy of Joan Bauer and Lynda Mullaly Hunt this story reminds readers that they have a right to a voice that it's okay to say how you feel and that some leftovers are absolutely delicious Fizzy is a good Southern girl who just wants to be perfect And win the Southern Living cook off The being perfect part is hard though since her parents divorced and everything in her life has changed Wary of her too perfect stepmom and

her mom's neat freak dismissive boyfriend she's often angry or upset and feels like a guest in both homes She tells herself to face facts She's a leftover kid from a marriage that her parents want to forget But she has to keep all of that to herself because a good Southern girl never yells or throws fits or says anything that might hurt other people's feelings instead she throws her shoulders back says yes ma'am and tries to do better So Fizzy tries her best but it's hard to stay quiet when her family keeps getting more complicated Fortunately the Southern Living cook off gives her a welcome distraction as do her new friends Miyoko and Zach who have parent issues of their own [The Anatomy of Wings \(EasyRead Edition\)](#) , **The Anatomy of Wings** Karen Foxlee,2009-02-10 Ten year old Jennifer Day lives in a small mining town full of secrets Trying to make sense of the sudden death of her teenage sister Beth she looks to the adult world around her for answers As she recounts the final months of Beth's life Jennifer sifts through the lies and the truth but what she finds are mysteries miracles and more questions Was Beth's death an accident Why couldn't Jennifer or anyone else save her Through Jennifer's eyes we see one girl's failure to cross the threshold into adulthood as her family slowly falls apart *Children's Book Review Index* Gary C. CROSSED MY MIND Fred Hewison,2014-02 These are Fred Hewison's random memories of his boyhood years while growing up in the Sydney suburb of Hurstville Born in 1933 in the same house that he subsequently occupied for the next fifty five years he has produced an amusing and sometimes nostalgic selection of reminiscences of those things that he and his best mates did when they were boys Any person of similar vintage would remember the marbles street cricket and bonfire nights but only the select few might recall the exciting times and the mischievous behaviour that sometimes occurred in the old Civic Picture Theatre when the lights were out during Saturday matinees This book contains much more including a few additional historical facts surrounding the district in which the author grew up Those who were not a product of the locations described in this book but were of a similar generation should still relate to the memories of the author's childhood There was no television or computer only the radio and its serials to thrill you but that didn't matter since a kid had little time to spare after school with all the footie and cricket in the paddocks and then there was the homework to attend to before bedtime Not everything was pleasant since insubordination was generally rewarded with some form of punishment whether it was the cane at school or the stick at the hands of your parents In most cases however it was both expected and deserved and it served to enhance a lad's respect for the deliverer Whether it provides amusement a walk down memory lane or a

revelation for the younger generation this book might be worth reading **The One Who's Not With Us** K.L.
