Redeeming American Political Thought:

Redeeming American Political Thought Judith N. Shklar, 1998-01-19 A collection of thirteen essays on American political thought *Redeeming American Political Thought* Judith N. Shklar, 1998-02-03 A collection of thirteen essays on American political thought

Deforming American Political Thought Michael J. Shapiro, 2006-10-20 By affirming the relativity of the American historical imagination political theorist Michael J. Shapiro offers a powerful polemic against ethnocentric interpretations of American culture and politics. *Deforming American Political Thought* analyzes issues that range from the nature of Thomas Jefferson's vision of an egalitarian nation to the persistence of racial inequality. Shapiro offers a multifaceted argument that transcends the myopic scope of traditional political discourse. *Deforming American Political Thought* illustrates the various ways in which history, architecture, film, music, literature, and art provide approaches to the comprehension of diverse facets of American political thought from the founding to the present. Using these seemingly disparate disciplines as a framework, Shapiro paints a picture of American political philosophy that is as distinctive as it is enlightening. Shapiro explores the historically vital role of dissenting points of view in American politics and asserts its continuing importance in today's political landscape. Exploring such diverse works as slave narratives, contemporary films, genre fiction, and blues and jazz music, Shapiro reveals that there have always been dissenting voices casting doubt on the moral purpose and exceptionalism of the American mind. An unprecedented inquiry into American politics, *Deforming American Political Thought* will surely serve to reinvigorate discussions about the essence of American political thought.

American Political Thought Keith E. Whittington, 2016 In *American Political Thought: Readings and Materials*, Keith E. Whittington's historical organization of readings and materials offers a fresh alternative to traditional anthologies, contextualizing key pieces in new and unique ways. **The Political Theory of Judith N. Shklar** A. Hess, 2014-04-09 Judith Shklar called for a radical shift in political theory toward a view of the history of ideas through the lens of exile. Hess takes this lens and applies it to Shklar's own life and theoretical work. *African American Political Thought* Melvin L. Rogers, Jack Turner, 2021-05-07 *African American Political Thought* offers an unprecedented philosophical history of thinkers from the African American community and African diaspora who have addressed the central issues of political life: democracy, race, violence, liberation, solidarity, and mass political action. Melvin L. Rogers and Jack Turner have brought together leading scholars to reflect on individual intellectuals from the past four centuries, developing their list with an expansive approach to political expression. The collected essays consider such figures as Martin Delany, Ida B. Wells, W. E. B. Du Bois, James Baldwin, Toni Morrison, and Audre Lorde, whose works are addressed by scholars such as Farah Jasmine Griffin, Robert Gooding Williams, Michael Dawson, Nick Bromell, Neil Roberts, and Lawrie Balfour. While African American political thought is inextricable from the historical movement of American political thought, this volume stresses the individuality of Black thinkers, the transnational and diasporic consciousness, and how individual speakers and writers draw on various traditions.

simultaneously to broaden our conception of African American political ideas This landmark volume gives us the opportunity to tap into the myriad and nuanced political theories central to Black life In doing so African American Political Thought A Collected History transforms how we understand the past and future of political thinking in the West American Social and Political Thought Andreas Hess,2003-04 This concise comprehensive primer on modern American social and political thought is the ideal introduction to the rich intellectual tradition of the United States Andreas Hess helps the reader to understand of American culture and politics through careful exploration of key and theorists In the first half of the book he focuses on the core traditions of American social and political thought American exceptionalism Calvinist Protestantism republicanism liberalism and 20th century pragmatism The second half of the book applies these traditions to a broad range of 20th century conditions and issues power and democracy justice and injustice multiculturalism and pluralism civil society social theory and the role of the intellectual The works of some of the most influential figures in the field such as De Tocqueville Lipset Arendt Hartz Pocock Dewey Moore Rawls Walzer Rorty and Alexander are drawn upon to illustrate the theories and issues being discussed Accessibly written and jargon free this treatment will be useful for students and scholars alike

Judith Shklar and the liberalism of fear Allyn Fives,2020-11-17 This book puts forward a novel interpretation of Judith Shklar s liberalism of fear Shklar s work is usually seen as an important influence for those who take a sceptical approach to political thought and are concerned first and foremost with the avoidance of great evils In fact as this book shows the most important factor shaping her mature work is not her scepticism but rather a value monist approach to both moral conflict and freedom which represents a radical departure from the value pluralism and scepticism of her early work The book also advances a clear line of argument in defence of value pluralism in political theory one that builds on but moves beyond Shklar s own early work

Political Thought and Political Thinkers Judith N. Shklar,1998-03-28 A collection of twenty one essays written over Shklar s forty year career as a professor at Harvard University

Between Utopia and Realism Samantha Ashenden,Andreas Hess,2019-09-27 From her position at Harvard University s Department of Government for over thirty five years Judith Shklar 1928-92 taught a long list of prominent political theorists and published prolifically in the domains of modern and American political thought She was a highly original theorist of liberalism possessing a broad and deep knowledge of intellectual history which informed her writing in interesting and unusual ways Her work emerged between the end of ideology discussions of the 1950s and the end of history debate of the early 1990s Shklar contributed significantly to social and political thought by arguing for a new more skeptical version of liberalism that brought political theory into close contact with real life experience The essays collected in Between Utopia and Realism reflect on and refract Shklar s major preoccupations throughout a lifetime of thinking and demonstrate the ways in which her work illuminates contemporary debates across political theory international relations and law Contributors address Shklar s critique of Cold War liberalism interpretation of Montaigne and its connection to her genealogy of liberal morals lectures on

political obligation focus on cruelty and her late reflections on exile Others consider her role as a legal theorist her interest in literary tropes and psychological experience and her famed skepticism Between Utopia and Realism showcases Shklar's approach to addressing the intractable problems of social life Her finely honed political skepticism emphasized the importance of diagnosing problems over proffering excessively optimistic solutions As this collection makes clear her thought continues to be useful in addressing cruelty limiting injustice and combating the cynicism of the present moment Contributors Samantha Ashenden Hannes Bajohr James Brown Katrina Forrester Volker M Heins Andreas Hess Samuel Moyn Thomas Osborne William E Scheuerman Quentin Skinner Philip Spencer Tracy B Strong Kamila Stullerova Bernard Yack

A HISTORY OF POLITICAL THOUGHT SUBRATA MUKHERJEE, SUSHILA RAMASWAMY, 2011-08-09 This lucidly written text in its second edition continues to provide a comprehensive study of the classical political tradition from Plato to Marx The book elucidates the fascinating evolution of the history of political ideas through the works of thirteen key political thinkers which includes Plato Aristotle Machiavelli Hegel and Marx The text highlights the decline and revival of classical political theory and portrays the clash of universalism vs localism in the classical tradition It focuses on the recent interpretations of the classical texts for instance feasibility of the ideal State in Plato civic humanism and republicanism in Machiavelli the radicalism of Locke and the contributions to the woman's cause by John Stuart Mill The text is intended for the undergraduate and postgraduate students of Political Science of various universities and for all those who are appearing for the civil services examinations NEW TO THIS EDITION Inclusion of two important liberal thinkers Mary Wollstonecraft the founder of liberal feminism and Immanuel Kant a deontological liberal Addition of an Appendix on John Rawls who is credited as a seminal thinker of contemporary times having played a crucial role in the revival of normative political theory

Political Philosophy versus History? Jonathan Floyd, Marc Stears, 2011-08-04 Is the way in which political philosophy is conducted today too ahistorical Does such ahistoricism render political philosophy too abstract Is political philosophy thus incapable of dealing with the realities of political life This volume brings together some of the world's leading political philosophers to address these crucial questions The contributors focus especially on political philosophy's pretensions to universality and on its strained relationship with the world of real politics Some chapters argue that political philosophers should not be cowed by the accusations levied against them from outside of their own field Others insist that these accusations require a dramatic reshaping of normative political thought The volume will spark controversy across political philosophy and beyond **Calhoun and Popular Rule** H. Lee Cheek, 2004 Although John C Calhoun 1782-1850 remains one of the major figures in American political thought many of his critics have tried to discredit him as merely a Southern partisan whose ideas were obsolete even during his lifetime In *Calhoun and Popular Rule* H Lee Cheek Jr attempts to correct such misconceptions by presenting Calhoun as an original political thinker who devoted his life to the recovery of a proper mode of popular rule As the first combined evaluation of Calhoun's most important treatises *The Disquisition* and *The*

Discourse this work merges Calhoun's theoretical position with his endeavors to restore the need for popular rule. It also compares Calhoun's ideas with those of other great political thinkers such as Thomas Jefferson and James Madison while explaining what is truly unique about Calhoun's political thought. Arendt and America Richard H. King, 2015-10-20

German Jewish political philosopher Hannah Arendt 1906-75 fled from the Nazis to New York in 1941 and during the next thirty years in America she wrote her best known and most influential works such as *The Human Condition*, *The Origins of Totalitarianism* and *On Revolution*. Yet despite the fact that a substantial portion of her oeuvre was written in America not Europe no one has directly considered the influence of America on her thought until now. In *Arendt and America* historian Richard H. King argues that while all of Arendt's work was haunted by her experience of totalitarianism it was only in her adopted homeland that she was able to formulate the idea of the modern republic as an alternative to totalitarian rule. Situating Arendt within the context of U.S. intellectual, political and social history King reveals how Arendt developed a fascination with the political thought of the Founding Fathers. King also re-creates her intellectual exchanges with American friends and colleagues such as Dwight Macdonald and Mary McCarthy and shows how her lively correspondence with sociologist David Riesman helped her understand modern American culture and society. In the last section of *Arendt and America* King sets out the context in which the Eichmann controversy took place and follows the debate about the banality of evil that has continued ever since. As King shows Arendt's work regardless of focus was shaped by postwar American thought, culture and politics including the Civil Rights Movement and the Cold War. For Arendt the United States was much more than a refuge from Nazi Germany; it was a stimulus to rethink the political, ethical and historical traditions of human culture. This authoritative combination of intellectual history and biography offers a unique approach for thinking about the influence of America on Arendt's ideas and also the effect of her ideas on American thought. **Political Liberalism and the Rise of American Romanticism** Scott M. Reznick, 2024

This volume traces how American literature evolved in response to widespread conflicts over the very nature of US democracy in the early republic and antebellum eras. It examines how American writers reacted to three moments of profound divisiveness in the 1790s, 1830s and 1850s. *The Body Politic* Catherine A. Holland, 2013-07-04

This work advances an original thesis that challenges the dominant schools of thought concerning the liberal tradition in the US. *The Liberalism Trap* Menaka Philips, 2023

In *The Liberalism Trap* Menaka Philips identifies a methodological problem in contemporary political theory: preoccupations with liberalism have come to dominate the study of politics. To evaluate the effects of such preoccupations Philips turns to John Stuart Mill, the so-called paradigmatic liberal. She shows not only that Mill's famed liberal status is habitually substituted for his political arguments but also that this substitution obscures the role of uncertainty in Mill's political thought. Across his writings on women's emancipation, class reform and British Empire Philips recovers the uncertain strategies that inform Mill's politics, offering an innovative account that sets into relief the limits of reading through liberalism. *A Political Companion to Frederick*

Douglass Neil Roberts, 2018-06-29 A splendid opportunity to rethink Douglass's political thought relevant today given the discourse of white nationalism in the United States. Choice Frederick Douglass was a writer and public speaker whose impact on America has been long studied by historians and literary critics. Yet as political theorists have focused on the legacies of such notables as W. E. B. Du Bois and Booker T. Washington, Douglass's profound influence on Afro-modern and American political thought has often been undervalued. In an effort to fill this gap in the scholarship on Douglass, editor Neil Roberts and an exciting group of established and rising scholars examine the author's autobiographies, essays, speeches, and novella. Together they illuminate his genius for analyzing and articulating core American ideals such as independence, liberation, individualism, and freedom, particularly in the context of slavery. The contributors explore Douglass's understanding of the self-made American and the way in which he expanded the notion of individual potential by arguing that citizens had a responsibility to improve not only their own situations but also those of their communities. A Political Companion to Frederick Douglass also considers the idea of agency, investigating Douglass's passionate insistence that every person in a democracy, even a slave, possesses an innate ability to act. Various essays illuminate Douglass's complex racial politics, deconstructing what seems at first to be his surprising aversion to racial pride, and others explore and critique concepts of masculinity, gender, and judgment in his oeuvre. The volume concludes with a discussion of Douglass's contributions to pre and post-Civil War jurisprudence. Rich insights from scholarship both old and new. A fine collection. Political Theory **American Political Scientists** Glenn H. Utter, Charles Lockhart, 2002-10-30 This dictionary offers the only comprehensive collection of profiles of American political scientists, each of whom contributed significantly to the intellectual development of American political science from its beginnings in the late 19th century to the present. This second edition includes 22 new and 110 revised entries reflecting new scholarship that emerged during the 1990s. Numerous experts helped the editors develop this consensus group of the 193 political scientists who have made the most important theoretical contributions over the years, with attention to varied approaches and the different subfields. Alphabetically arranged entries focus on the main ideas and major works by each scholar, listing the most important publications by and about the individual. There are numerous cross-references to show how the work of one scholar has influenced another in the discipline. Appendices list the political scientists by degree-granting institutions and by major fields. A short bibliography points to important general readings about the profession. A general index makes this major reference easily accessible for broad interdisciplinary research.

Boundaries of Obligation in American Politics Cara J. Wong, 2010-03-08 This book shows how ordinary Americans imagine their communities and the extent to which their communities' boundaries determine who they believe should benefit from the government's resources via redistributive policies. By contributing extensive empirical analyses to a largely theoretical discussion, it highlights the subjective nature of communities while confronting the elusive task of pinning down pictures in people's heads. A deeper understanding of people's definitions of their communities and how they affect feelings of duties and

obligations provides a new lens through which to look at diverse societies and the potential for both civic solidarity and humanitarian aid. This book analyzes three different types of communities and more than eight national surveys. Wong finds that the decision to help only those within certain borders and ignore the needs of those outside rests to a certain extent on whether and how people translate their sense of community into obligations.

Redeeming American Political Thought Introduction

In the digital age, access to information has become easier than ever before. The ability to download Redeeming American Political Thought has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Redeeming American Political Thought has opened up a world of possibilities. Downloading Redeeming American Political Thought provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Redeeming American Political Thought has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Redeeming American Political Thought. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Redeeming American Political Thought. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Redeeming American Political Thought, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Redeeming American Political Thought has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Redeeming American Political Thought Books

What is a Redeeming American Political Thought PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Redeeming American Political Thought PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Redeeming American Political Thought PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Redeeming American Political Thought PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Redeeming American Political Thought PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
