Redeeming Eve Women Writers Of The English Renaissance

Marjorie O'Rourke Boyle

Redeeming Eve Women Writers Of The English Renaissance:

Redeeming Eve Elaine V. Beilin, 2014-07-14 An introduction to women writers of the English Renaissance which takes up 44 works many as thumbnail sketches shows how women's writing was hampered by the assumption that poets were male by restriction to pious subject matter by the doctrine that only silent women are virtuous by criticism that praised women as patrons or muses and ignored their writing and above all by crippling educational theories Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Ashgate Critical Essays on Women Writers in England, 1550-1700 Micheline White, 2017-05-15 Anne Lock Isabella Whitney and Aemilia Lanyer have emerged as important literary figures in the past ten years and scholars have increasingly realized that their bold and often unorthodox works challenge previously held conceptions about women's engagement with early modern secular and religious literary culture This volume collects some of the most influential and innovative essays that elucidate these women's works from a wide range of feminist literary aesthetic economic racial sexual and theological perspectives The volume is prefaced by an extended editorial overview of scholarship in the field

Ashgate Critical Essays on Women Writers in England, 1550-1700 Clare R. Kinney, 2017-05-15 The last twenty five years have seen exciting new developments in scholarly work on Lady Mary Wroth whose *Urania* and *Pamphilia to Amphilanthus* constitute the first romance and the first sonnet sequence to be published by an Englishwoman Wroth's writings enter into a suggestive and gendered dialogue with the lyric and narrative works of her uncle Sir Philip Sidney even as they carve out a place for her own literary experiments This volume gathers together some of the most striking recent criticism addressing Wroth's oeuvre many of its essays also discuss the intellectual and cultural contexts in which she wrote The collection is prefaced by an extended editorial overview of scholarship in the field

Women's Writing in English Patricia Demers, 2005-01-01 This wide ranging examination of the genres of early modern women's writing embraces translation in the fields of theological discourse romance and classical tragedy original meditations and prayers letters and diaries poetry closet drama advice manuals and prophecies and polemics

Dialogue on the Infinity of Love Tullia d'Aragona, 2007-11-01 Celebrated as a courtesan and poet and as a woman of great intelligence and wit Tullia d'Aragona 1510-56 entered the debate about the morality of love that engaged the best and most famous male intellects of sixteenth century Italy First published in Venice in 1547 but never before published in English *Dialogue on the Infinity of Love* casts a woman rather than a man as the main disputant on the ethics of love Sexually liberated and financially independent Tullia d'Aragona dared to argue that the only moral form of love between woman and man is one that recognizes both the sensual and the spiritual needs of humankind

Declaring sexual drives to be fundamentally irrepressible and blameless she challenged the Platonic and religious orthodoxy of her time which condemned all forms of sensual experience denied the rationality of women and relegated femininity to the realm of physicality and sin Human beings she argued consist of body and soul sense and intellect and honorable love must be based on this real nature By exposing the intrinsic misogyny of prevailing theories of love Aragona vindicates all women proposing a morality of love that restores them to intellectual and sexual parity with men Through Aragona s sharp reasoning her sense of irony and humor and her renowned linguistic skill a rare picture unfolds of an intelligent and thoughtful woman fighting sixteenth century stereotypes of women and sexuality Ashgate Critical Essays on Women Writers in England, 1550-1700 Elaine V. Beilin, 2017-05-15 This volume includes leading scholarship on five writers active in the first half of the sixteenth century Margaret More Roper Katherine Parr Anne Askew Mildred Cooke Cecil and Anne Cooke Bacon The essays represent a range of theoretical approaches and provide valuable insights into the religious social economic and political contexts essential for understanding these writers texts Scholars examine the significance of Margaret More Roper s translations and letters in the contexts of humanism family relationships and changing cultural forces the contributions of Katherine Parr and Anne Askew to Reformation discourses and debates and the material presence of Mildred Cooke Cecil and Anne Cooke Bacon in the intellectual religious and political life of their time The introduction surveys the development of the field as an interdisciplinary project involving literature history classics religion and cultural studies *Debating Gender in Early Modern England, 1500-1700* C. Malcolmson, M. Suzuki, 2002-08-02 This book explores the construction of gender ideology in early modern England through an analysis of the querelle des femmes the debate about the relationship between the sexes that originated on the continent during the middle ages and the Renaissance and developed in England into the Swetnam controversy which revolved around the publication of Joseph Swetnam s *The arraignment of lewd forward and inconstant women* and the pamphlets which responded to its misogynist attacks The volume contextualizes the debate in terms of its continental antecedents and elite manuscript circulation in England then moves to consider popular culture and printed texts from the Jacobean debate and its effects on women s writing and the developing discourse on gender and concludes with an examination of the ramifications of the debate during the Civil War and Restoration Essays focus attention on the implications of the gender debate for women writers and their literary relations cultural ideology and the family and political discourse and ideas of nationhood Tudor England Lucy E. C. Wooding, 2022-01-01 A compelling authoritative account of the brilliant conflicted visionary world of Tudor England When Henry VII landed in a secluded bay in a far corner of Wales it seemed inconceivable that this outsider could ever be king of England Yet he and his descendants became some of England s most unforgettable rulers and gave their name to an age The story of the Tudor monarchs is as astounding as it was unexpected but it was not the only one unfolding between 1485 and 1603 In cities towns and villages families and communities lived their lives through times of great upheaval In this comprehensive new history Lucy Wooding lets their

voices speak exploring not just how monarchs ruled but also how men and women thought wrote lived and died We see a monarchy under strain religion in crisis a population contending with war rebellion plague and poverty Remarkable in its range and depth Tudor England explores the many tensions of these turbulent years and presents a markedly different picture from the one we thought we knew The Ashgate Research Companion to The Sidneys, 1500-1700 Mary Ellen Lamb, 2017-02-17 Presented in two volumes The Ashgate Research Companion to The Sidneys 1500 1700 assesses the current state of scholarship on members of the Sidney family and their impact as historical and or literary figures in the period 1500 1700 Volume 2 Literature begins with an exploration of the Sidneys books and manuscripts and how they circulated followed by an overview of the contributions of family members Sir Philip Sidney Mary Sidney Herbert Countess of Pembroke Lady Mary Wroth Robert Sidney Earl of Leicester and William Herbert Earl of Pembroke in the genres of prose romance drama poetry psalms and prose These essays outline major controversies and areas for further research as well as conducting literary analysis Mothers Advice Books Susan C. Staub, 2024-11-01 A form of courtesy literature Mother s Advice Books were texts written by mothers to instruct their children in religious educational and occasionally worldly matters The three texts included in this volume Elizabeth Richardson s A Ladies Legacie to her Doughters Susanna Bell s The Legacy of a Dying Mother To Her Mourning Children and the unattributed The Mothers Blessing offer interesting alternatives to the many published male views of the family from the period Indeed this volume features an appendix with two much shorter portions of predominantly male authored texts Mary Pennyman s letter to her children published as part of John Pennyman s Instruction to his Children and Elizabeth Walker s For my Dear Children Mrs Margaret Walker and Elizabeth Walker included in Anthony Walker s The Holy Life of Mrs Elizabeth Walker The fact that these women were mothers gave them an authority to write that other women were not easily granted and it is clear that many of these works were written with publication in mind In addition to giving women public status as authors these books also enabled them to enter political and religious debates under the guise of offering advice to their children The Mother s Advice Book is then an intriguing genre that simultaneously violates and yet replicates early modern patriarchy *Early Modern Women's Writing and the Rhetoric of Modesty* P. Pender, 2012-04-02 An in depth study of early modern women s modesty rhetoric from the English Reformation to the Restoration This book provides new readings of modesty s gendered deployment in the works of Anne Askew Katharine Parr Mary Sidney Aemilia Lanyer and Anne Bradstreet Senses of Touch: Human Dignity and Deformity from Michelangelo to Calvin Marjorie O'Rourke Boyle, 2021-10-11 Senses of Touch anatomizes the uniquely human hand as a rhetorical figure for dignity and deformity in early modern culture It concerns a valuational shift from the contemplative ideal as signified by the sense of sight to an active reality as signified by the sense of touch From posture to piety from manicure to magic the book discovers touch in a critical period of its historical development in anatomy and society It features new interpretations of two landmarks of western civilization Michelangelo s fresco of the Creation of Adam

and Calvin's doctrine of election. It also accords special attention to the typing of women as sensual creatures by using their hands as a heuristic. Its alternative interpretations explore in theory and in practice the sensuality, the creativity and the plain utility of hands, thus integrating biology and culture.

The Politics of Early Modern Women's Writing Danielle Clarke, 2014-06-11. The Politics of Early Modern Women's Writing provides an introduction to the ever-expanding field of early modern women's writing by reading texts in their historical and social contexts. Covering a wide range of forms and genres, the author shows that rather than women conforming to the conventional chaste, silent and obedient model or merely working from the margins of Renaissance culture, they in fact engaged centrally with many of the major ideas and controversies of their time. The book discusses many previously neglected texts and authors as well as more familiar figures such as Mary Sidney Countess of Pembroke, Isabella Whitney and Lady Mary Wroth, and draws attention to the importance of genre and forms of circulation in the production of meaning. The Politics of Early Modern Women will be of interest both to those encountering this material for the first time and to students and scholars working in the fields of women's writing, gender studies, history and literature.

Women as Translators in Early Modern England Deborah Uman, 2012-04-12. This book considers both the practice and representation of translation in works penned by early modern women, including Margaret Tyler, Mary Sidney Herbert, Anne Lock, Katherine Philips and Aphra Behn.

Shakespeare's Shrews Beatrice Righetti, 2024-12-12. Shakespeare's Shrews: Italian Traditions of Paradoxes and the Woman's Debate investigates the echoes of two early modern discourses: paradoxical writing and the woman's question or querelle des femmes in the representation of the Shakespearean shrew in *The Taming of the Shrew*, *Much Ado About Nothing* and *Othello*. This comparative cross-cultural study explores the English reception of these traditions through the circulation, translation and adaptation of Italian works such as Ludovico Ariosto's *Orlando Furioso*, Baldassare Castiglione's *Il libro del cortegiano* and Ercole and Torquato Tasso's *Dell'ammogliarsi*. The enticing interplay of these two discourses is further complicated by their presence in the writing of early modern male and female authors. The examination of Shakespeare's adaptation of these traditions in his shrew character highlights two key findings: the thematic fragmentation of the woman's question and the evolving role of paradoxes from figures of speech to figures of thought, both influenced by the gender of the speaker.

Reading Early Modern Women Helen Ostovich, Elizabeth Sauer, 2004-08-02. Much has been written about women of the English Renaissance, but few examples of women's writing from that era have been readily available until now. This remarkable anthology assembles for the first time 144 primary texts and documents written by women between 1550 and 1700 and reveals an unprecedented view of the intellectual and literary lives of women in early modern England. The writings range from poetry to philosophical treatises addressing a wide array of subjects including law, gender, education, motherhood, medicine, religion, life writing and the arts. Each selection is paired with a beautifully reproduced facsimile of the text's original source manuscript, allowing a glimpse into the literary past that will lead the reader to truly appreciate the care and craft with which

these women writers prepared their texts This essential anthology is a captivating guide to the legacy of early modern women s literature and its authors that must not be overlooked **A Companion to Early Modern Women's Writing**

Anita Pacheco,2008-04-15 This timely volume represents one of the first comprehensive student oriented guides to the under published field of early modern women s writing Brings together more than twenty leading international scholars to provide the definitive survey volume to the field of early modern women s writing Examines individual texts including works by Mary Sidney Margaret Cavendish and Aphra Behn Explores the historical context and generic diversity of early modern women s writing as well as the theoretical issues that underpin its study Provides a clear sense of the full extent of women s

contributions to early modern literary culture **English Poetry of the Sixteenth Century** Gary F. Waller,2014-07-15

Explores the poetry of the Renaissance from Dunbar in the late 15th century to the Songs and Sonnets of John Donne in the early 17th The book offers more than the wealth of literature discussed it is a pioneering work in its own right bringing the insights of contemporary literary and cultural theory to an overview of the period **British Women's History** ,1996 This

is one of a series of bibliographical guides designed to meet the needs of undergraduates postgraduates and their teachers in universities and colleges of further education All volumes in the series share a number of common characteristics They are selective manageable in size and include those books and articles which are considered most important and useful All are edited by practising teachers of the subject in question and are based on their experience of the needs of students The arrangement combines chronological with thematic divisions Most of the items listed receive some descriptive comment

Shakespeare Studies Leeds Barroll,Susan Zimmerman,1997 Shakespeare Studies is an international volume published every year in hardcover containing more than three hundred pages of essays and studies by critics from both hemispheres
