

REDISCOVERING THE ORIGINAL CHRIST TEACHINGS

A group of people, possibly a church congregation, are shown from behind, standing in a circle and holding hands. They are illuminated by a bright, golden light that radiates from the center of the circle. The background is dark and swirling, with hints of green and blue, suggesting a celestial or spiritual atmosphere. The overall mood is one of unity and divine presence.

Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it s not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world *Rediscovering Jesus* Dr. Tony Foster, 2022-01-25 Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it s not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord

Rediscovering Jesus in Our Places Elia Shabani Mligo,2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty

rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches

The Indwelling Life of Christ Major Ian Thomas, 2008-12-30 Christ in you the hope of glory Colossians 1:27 Why do we keep failing even in our best efforts to live the Christian life Because no one other than Jesus Christ can live it for the simple reason that He is the Christian life And only He can live it in our lives as well Major W Ian Thomas takes a refreshing look at the pure thrill of living victoriously as you embrace the living Savior's presence within you The more you become genuinely and relentlessly available to Christ the more He can take over so that your Christian walk becomes vibrant and effective This inspiring devotional along with the application questions at the end of each reading will help you focus consistently on Jesus Himself so you can serve and enjoy Him at an entirely new level and dimension You can try to steer clear of sin Avoid temptation Refuse to steal lie or use drugs and alcohol You can indeed try to be sinless But that is still you And you are still trying Jesus Christ was not holy because He focused His efforts on avoiding sin Instead He refused to allow there to be any possible explanation for the quality of His life but the Father as God dwelling in Him as Man writes Major W Ian Thomas So whom do you want dwelling in you More of you Or all of Christ Story Behind the Book Major W Ian Thomas was twelve years old when he accepted the Lord with a simple prayer But by nineteen I had been reduced to spiritual exhaustion he says with

no hope or reason for going on It was then that he discovered the life transforming secret of the indwelling life of the living Lord Jesus Christ God gave him a message through Galatians 2 20 where he learned to say Lord Jesus I can t You never said I could but You can and always said You would That is all I need to know Major Thomas came to understand it was Christ Himself living through him who would do His work This is the message he has been passionately proclaiming all his life
