## **Rediscovering Claiming The Feminine Soul:**

*Grace Under Pressure* Barbara A. O'Reilly, 2012-05 The core of this book focuses on how Jesus treated women giving insights galore about women's contributions to the Church and in the world *Grace Under Pressure* answers your questions regarding how society didn't follow His lead      **Mystics, Visionaries, and Prophets** Shawn Madigan, 1997-12-01 Winner of Catholic Press Association Book of the Year Award Spirituality Unique in its range and depth this lavish anthology for the first time captures in a single volume the most notable spiritual writings of leading women from all periods of Christian history Because spirituality involves more than simply prayer and piety Madigan has selected women whose quests for intimacy with God also involves some visionary experience or social witness Ranging from Perpetua in the third century to Mother Teresa and Edwina Gately in this century her volume includes writings from both European women and in the modern period Asian American and African American women Apart from redressing the heavy gender imbalance of most histories of Christianity this volume also provides strong historical introductions to and bibliographies of the twenty six women whose writings are generously excerpted Women included in this volume are Perpetua the Martyr Pelagia the Actress Brigit of Ireland Balthild the Queen of Neustria Dhuoda of Septimania Hildegard of Bingen Heloise Mechthild of Magdeburg Gertrude the Great Hadewijch Julian of Norwich Catherine of Siena Margery Kempe Teresa of Avila Jane Frances de Chantal Sojourner Truth Maria Stewart Gabrielle Bossis Dorothy Day Caryl Chessman Pauli Murray Laura Lopez Silvia Maribel Arriola Mother Teresa Cho Wha Soon Mercy Amba Oduyoye Edwina Gately      **The Catholic World Report** , 1995

**Rediscovering the Soul of Business** John Renesch, Bill DeFoore, 1995 This provocative anthology addresses the plight of the human spirit in modern business      **WSP Calendar & Bulletin** , 1996      **Rediscovering Philo of Alexandria** Michael Leo Samuel, 2016-09-15 Philo of Alexandria 20 BCE 50 CE stood at the crossroads of ancient history Philo was the first pioneer to integrate Judaic thought with the Stoic Platonic and Pythagorean philosophical traditions This Alexandrian Jewish philosopher assembled the very first philosophical ethical psychological exegetical and theological commentary on the Torah As his community's most prestigious Jewish leader he defended Alexandrian Jews from the attacks of anti Semites and met with the capricious Roman Emperor Caligula calling upon him to respect the ethical monotheistic beliefs of the Jewish people As with Josephus Philo bears witness to the world's first protomodern and intellectual Jewish community of Alexandria the cultural center of Late Antiquity Reclaiming Philo as a Jewish exegete puts him in company with other great luminaries of Jewish history Rabbi Michael Leo Samuel has meticulously culled from all of Philo's exegetical remarks arranging them according to the biblical verses He provides extensive parallels from the corpus of rabbinical literature Greek philosophy and Christian theology in presenting how Philo impacted the great minds of Late Antiquity and beyond I do see the value of having Philo's comments on the Pentateuch accessible in this form all this is done to make Philo speak to a contemporary reading audience Torrey Seland Ph D Review of Biblical Literature Rabbi Samuel has done an outstanding service to Philo

and to modern readers In *Rediscovering Philo of Alexandria A First Century Jewish Commentator* Philo's ancient Torah commentary becomes readable and meaningful exciting and contemporary Rabbi Ari Kahn Bar Ilan University Author of *Echoes of Eden* Philo of Alexandria was the most prolific writer of Hellenistic Judaism in the early first century Yet his works have often remained unknown unread inaccessible or obscure to many Jewish and Christian readers Rabbi Samuel's new series *Philo of Alexandria A First Century Jewish Commentator* cuts to the chase by conveying the thinking of Philo in a relevant down to earth manner that both scholar and layperson can easily grasp and appreciate Enhanced by an abundance of cross references and scholarly notes this commentary provides new insight and angles of a theological conversation useful to anyone intrigued by this first century Jewish thinker and exegete Dr Marvin Wilson Gordon College Author of *Exploring Our Hebraic Heritage A Christian Theology of Roots and Renewal* This is an excellent introduction into the thinking of a significant philosopher Rabbi Samuel offers readers a biography of Philo and explains with notes what Philo is saying thereby making his book not only very informative but very readable Rabbi Israel Drazin Author of *Onkelos on the Torah Understanding the Biblical Text* [The Sacred Marriage](#) Benjamin G. Lockerd, 1987 This study is based on an application of Jungian psychology to the love theme in the central books of *The Faerie Queene* It elucidates the connection that Spenser makes between spiritual unfolding and the complementary interaction of the masculine and feminine throughout the poem

**The Postsecular Sacred** David Tacey, 2019-07-16 In *The Postsecular Sacred Jung Soul and Meaning in an Age of Change* David Tacey presents a unique psychological study of the postsecular adding a Jungian perspective to a debate shaped by sociology philosophy and religious studies In this interdisciplinary exploration Tacey looks at the unexpected return of the sacred in Western societies and how the sacred is changing our understanding of humanity and culture Beginning with Jung's belief that the psyche has never been secular Tacey examines the new desire for spiritual experience and presents a logic of the unconscious to explain it Tacey argues that what has fuelled the postsecular momentum is the awareness that something is missing and the idea that this could be buried in the unconscious is dawning on sociologists and philosophers While the instinct to connect to something greater is returning Tacey shows that this need not imply that we are regressing to superstitions that science has rejected The book explores indigenous spirituality in the context of the need to reanimate the world not by going back to the past but by being inspired by it There are chapters on ecopsychology and quantum physics and using Australia as a case study the book also examines the resistance of secular societies to becoming postsecular Approaching postsecularism through a Jungian perspective Tacey argues that we should understand God in a manner that accords with the time not go back to archaic rejected images of divinity The sacred is returning in an age of terrorism and this is not without significance in terms of the explosive impact of spirituality in our time Innovative and relevant to the world we live in this will be of great interest to academics and scholars of Jungian studies anthropology indigenous studies philosophy religious studies and sociology due to its transdisciplinary scope It would also be a useful

resource for analytical psychologists Jungian analysts and psychotherapists      Words on Cassette, 2002 R R Bowker Publishing,2002      *Engaging with Irigaray* Carolyn Burke,Naomi Schor,Margaret Whitford,1994 The authors of these essays including Judith Butler Elizabeth Weed and Rosi Braidotti shed new light on the relationship of Irigaray to many of the philosophers she has romanced from Aristotle to Deleuze      **The Receiving** Tirzah Firestone,2009-10-13 A highly respected rabbi therapist and teacher restores women s spiritual lineage to Judaism and empowers women to reclaim their rightful connection to Jewish teachings Kabbalah and to their own spiritual wisdom      The Jesus Mysteries Timothy Freke,Peter Gandy,2001-12-18 Drawing on the cutting edge of modern scholarship this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure Whether you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations The Jesus Mysteries deserves to be read Fort Worth Star Telegram Far from being eyewitness accounts as is traditionally held the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris Dionysus The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery A little more than a century ago most people believed that the strange story of Adam and Eve was history today it is understood to be a myth Within a few decades authors Timothy Freke and Peter Gandy argue we will likewise be amazed that the fabulous story of God incarnate who was born of a virgin who turned water into wine and who rose from the dead could have been interpreted as anything but a profound parable      *Moon Dance: the Feminine Dimensions of Time* Sioux Rose,2009-07-03 Do you really feel the same way everyday Do you think you are intended to Women are tied to the moon not only biologically through their monthly menses but also on deep inner planes The moon moves from sign to sign every month and takes all women along for a virtual journey that s experienced through vivid mood changes Each sign is endowed with character and represents one of the twelve Divine archetypes These come to life as the moon awakens them in due succession during the course of her recurrent monthly passages Recognizing how these themes embedded into time move you will deepen your understanding of who you are And since the moon s cycles can be plotted you gain a powerful strategy for wisely utilizing your place s in time Moon Dance is designed for those with astrological knowledge as well as those ready to learn to respond to the rhythms of time as naturally felt and experienced on the inside      **Books Out Loud** ,2004      Shakespeare's Feminine Endings Philippa Berry,2012-11-12 Philippa Berry draws on feminist theory postmodern thought and queer theory to challenge existing critical notions of what is fundamental to Shakespearean tragedy She shows how through a network of images clustered around feminine or feminized characters these plays disfigure conventional ideas of death as a bodily end as their figures of women are interwoven with provocative meditations upon matter time the soul and the body The scope of these tragic speculations was radical in Shakespeare s day yet they also have a surprising relevance to contemporary debates about time and matter in

science and philosophy      **Kabbalistic Visions** Sanford L. Drob, 2023-04-06 In 1944 C G Jung experienced a series of visions which he later described as the most tremendous things I have ever experienced Central to these visions was the mystic marriage as it appears in the Kabbalistic tradition and Jung's experience of himself as Rabbi Simon ben Jochai the presumed author of the sacred Kabbalistic text the Zohar Kabbalistic Visions explores Jung's 1944 Kabbalistic visions the impact of Jewish mysticism on Jungian psychology Jung's archetypal interpretation of Kabbalistic symbolism and his claim late in life that a Hasidic rabbi the Maggid of Mezhibezh anticipated his entire psychology This book places Jung's encounter with the Kabbalah in the context of the earlier visions and meditations of his Red Book his abiding interests in Gnosticism and alchemy and what many regard to be his Anti-Semitism and flirtation with National Socialism Kabbalistic Visions is the first full length study of Jung and Jewish mysticism in any language and the first book to present a comprehensive Jungian archetypal interpretation of Kabbalistic symbolism      **Unattainable Bride Russia** Ellen Ruten, 2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former's love In Unattainable Bride Russia Ellen Ruten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Ruten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration Unattainable Bride Russia locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths      Shekinah Unveiled John Whitman, 2018-07-05 Many Christians believe and have been taught that the bride of Christ is the church and this presupposition is widely held by scholars ministers and laity alike as though it were a biblical precept Yet this view actually owes its origins to pagan heresy and mysticism that infiltrated the church over the centuries In fact the scriptures tell us who Jesus will marry and it is neither the Christian church nor Israel Shekinah Unveiled examines and irrevocably dismantles the ages old traditions that maintain that the church is the bride of Christ and that Israel was Yahweh's wife Author and theologian John Whitman proves from scripture who the true bride of Christ and the wives of Yahweh are and he explains why it matters to know the identity of the bride of Christ Knowledge of the true identity of the bride of Christ affects multiple core doctrines of faith the imago Dei marriage sexuality and the family sin Christology ecclesiology eschatology judgment bridal theology and theology proper And because the latter is itself the bedrock upon which not only systematic theology but each of these other attendant doctrines are founded the very heart of Christianity is affected by knowing the identity of Christ's bride      **The Politics of Manhood** Michael Kimmel, 2009 A much needed often startling debate on the personal and political dimensions of masculinity      *The Modern Theologians* David F.

Ford, 2013-09-23 This popular text has been updated to ensure that it continues to provide a current and comprehensive overview of the main Christian theologies of the twentieth and twenty first centuries Each chapter is written by a leading theologian and gives a clear picture of a particular movement topic or individual New and updated treatments of topics covered in earlier editions with over half the chapters new to this edition or revised by new authors New section singling out six classic theologians of the twentieth century Expanded treatment of the natural sciences gender Roman Catholic theology since Vatican II and African Asian and Evangelical theologies Completely new chapters on spirituality pastoral theology philosophical theology postcolonial biblical interpretation Pentecostal theology Islam and Christian theology Buddhism and Christian theology and theology and film As in previous editions the text opens with a full introduction to modern theology Epilogue discussing the present situation and prospects of Christian theology in the twenty first century
