The God We Can Know Rob Fuquay, 2014-09-01. The God We Can Know is a 7-week study designed for the entire congregation to explore the I Am sayings of Jesus found in the Gospel of John. Perfect for Lent or any time of year, this series will help you find and form an answer to the most essential question in the Christian faith: Who do you say I am? One by one, Jesus' statements grab our imagination, reveal more about his identity and purpose, and connect us to the God of Moses who spoke the first I Am. These significant yet ordinary images—bread, light, shepherd, vine, and more—give us insightful ways to experience Jesus and point us to a God who wants to be known. The DVD, filmed on location in the Holy Land, allows you to travel with Rob Fuquay and actually see the places where Jesus stood when he disclosed his true identity and in what context he spoke each I Am. The book, DVD, study guide, and online support work together to provide one of the most meaningful transforming initiatives your church can provide for the entire congregation. Weekly themes include: Introduction to I Am, Knowing God, I Am the Bread of Life, Knowing God's Satisfaction, I Am the Light of the World, Knowing God's Guidance, I Am the Good Shepherd, Knowing God's Care, I Am the True Vine, Knowing God's Power, I Am the Way, the Truth, and the Life, Knowing God's Way, I Am the Resurrection, and the Life, Knowing God's Possibilities.

Reframing Spiritual Formation Edward H. Hammett, 2002. Reframing Spiritual Formation takes seriously the realities of an increasingly secular, pluralistic, and spiritually thirsty population. Most churches face with fear yet are called to reach and disciple. Hammett provides succinct overviews of the challenges and opportunities these realities bring to the doors of churches and their leaders. His primary focus is on facilitative questions and practical ideas for discipling the church and the unchurched who are seeking grounding and meaning in this rapidly changing world.

Empowering The Laity For Ministry Dr. Joseph E. Lamb, Sr., 2011-10-19. The primary responsibility of the church is to make disciples by sharing the good news of salvation and teaching believers to grow in maturity in Christ. Matt 28:16-20, 1 Cor 3:2-3, 14:20. What does it mean to grow in discipleship and maturity in Christ? What are the required ingredients for such growth and maturity to occur? Answers to both questions are provided in the book you're about to read. Growing in Discipleship is wide-ranging in scope, from biblical studies to systematic theology, focusing on a sample of fundamental doctrines of the Christian faith. The book is written for both new and old believers who are seeking a deeper engagement with and understanding of the good news of salvation in Christ. Daniel Dapaah has broken down the complex theological concepts to present them in a concise and accessible format to readers who have no background in biblical studies. Beginning seminarians will also find this book useful. But true discipleship is more than an intellectual assent to the doctrines of the church. It is also a personal commitment to the life and teachings of Christ. It involves growing spiritually to reflect the image of Christ. Latin: Imago Dei. The book includes an Individual or Group Exercise guide at the end of each

chapter focusing on sample questions from the study a Personal Application for reflection and a Commitment to grow and mature in Christ through the enabling power of the Holy Spirit This book is a useful resource for individual and group Bible study

I² John Matthew Kilpatrick, 2016-07-29 First let me start out by saying i2 is built upon Biblical principals i2 was built with the intention of growing you into the person that God intended for you to be Biblical characters and stories are where the strategies that inspired i2 are rooted Even if you do not believe as we do these strategies work Each of our 5 week programs are built on the following facts there is a God He built you for a purpose and within that purpose lies fulfillment Our information has come from the teachings of His word the example of His son Jesus Christ and the testimony of our lives Even if accepting that is a challenge my hope is that you are willing at least to peak under the hood and see for yourself Freedom begins by calling out exactly what is weighing you down physically mentally and spiritually Each chapter will guide you closer towards Intentional Independence or as we like to call it i2 Now lets find out what freedom really looks like Lift anchor [www i live org](http://www.ilive.org)

To The Single Me From The Married You Sheree Hope, 2024-08-31 There comes a time when something or someone in our life gives us the opportunity to look back at our younger self with a different pair of eyes A more mature version of ourselves stands in the mirror with the ability to articulate the things we could not explain but believed way back then I invite you to join me on a profound journey of self reflection and growth as I explore the intricate relationship between my past and present selves Me the married woman who looks back at me my single self examining how my actions and beliefs of my younger years shaped the person I am today In my case my someone is my daughter I was a teen mom who grew up with her and I made plenty of mistakes and miscommunicated so many of my intentions Now happily married during her adult life I m able to recognize that there was so much that I did get right Our relationship marked by disagreements and periods of silence ultimately became a testament to the enduring bond between a mother and child Even still the change in my relationship status caused some confusion when she began to express that the married version of me had forgotten what it s like to be single Oh on the contrary I wrote this book to speak about the things that I so deeply believed but could not say when I was single and in survival mode I didn t have the words yet and certainly couldn t express them to her as a child This is a tribute to my younger self and in honor of my daughter Through all the complexities of being a teen mom and raising her while navigating the chaotic waters of youth and motherhood my daughter became a pivotal character in this journey Her presence and influence provide a mirror through which I can see my younger self with new eyes It is through her that the I learned to speak my truth and impart the wisdom I held close to my heart as a young single woman Without delving into the specifics of our most intimate moments I use my narrative to offer a powerful message about self acceptance and the continuity of identity My message is simply that our past and present selves are not disparate entities but parts of a whole intricately woven together to form the person we are meant to be Therefore our relationship status can t define us or compartmentalize our person Through my own reflection I pray that readers are encouraged to view themselves

as complete and unbroken regardless of your past circumstances I invite you to appreciate every facet of your existence recognizing that each experience no matter how challenging contributes to the wholeness of your being May this be an inspiring reminder that we are and always have been complete in the eyes of God urging us to embrace our journey and see ourselves as one unified person *Becoming Barnabas* Paul Moots, 2004-10-30 Western culture has made a cult of success and the church has accepted the larger culture's definition focusing on success as growth in membership and budget rather than growth in faithfulness as disciples of Jesus When we do not measure up we become discouraged disillusioned and perhaps even envious Moots details numerous examples to show how the ministry of encouragement offers a workable effective pattern for church leadership I am convinced he writes that accepting Barnabas as my model has changed my ministry for the better and that Barnabas's example can benefit any pastor and congregation who take his lessons seriously Barnabas and his ministry of encouragement offer us a focus for the vital messy and exhilarating work required of us as faith communities

Ebert,Teri Ebert,2025-07-29 If God gave us the intelligence to evaluate the situations in our life why does it often seem so difficult to make the right decisions How can we be confident in making the choices for our daily life that will please God and make our life better Did God provide a way for me to fight the evil thoughts that come to me or to separate the good from the bad when I m trying to just make it through the day Am I trying to live a good Christian life on my own terms or am I being obedient to God s guidance through the Holy Spirit The Bible tells us a simple story of how God created this world Then God created a man and a woman to rule and care for this world As God began to share the things they needed to know the evil one tricked them into doubting and disobeying God s instruction The relationship they had with God changed forever But God did not want that situation to remain a broken relationship God sent His Son to make a way to repair the relationship we have with God Putting on the whole armor of God is to use the gifts God gives us for the spiritual strength we need to fight against any influence the evil one may use to make our daily lives difficult God also wants us to completely understand the ways of the evil one Understanding the meaning of each piece of armor also helps us to understand God s plan for a renewed relationship and being true disciples of Jesus Christ This book can give you a much better understanding of how to counter the evil in your life and how to grow spiritually stronger to be the Christian disciple that God wants you to be
