Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront:

Reds or rackets ? Howard Kimeldorf,1988 *Waterfront Workers* Calvin Winslow,1998 Few work settings can compete with the waterfront for a long rich history of multi ethnic and multiracial interaction Here five scholars focus on the complex relationships involved in this intersection of race class and ethnicity Opens up some of the most significant questions in American labor and social history including the struggle for control at the workplace and even more important the relationship between black and white workers and among various ethnic groups on the docks David Brundage author of *The Making of Western Labor Radicalism* Denver s *Organized Workers 1878 1905* A volume in the series *The Working Class in American History* edited by David Brody Alice Kessler Harris David Montgomery and Sean Wilentz *Working Stiffs, Union Maids, Reds, and Riffraff* Tom Zaniello,2018-05-31 The revised and expanded edition of *Working Stiffs Union Maids Reds and Riffraff* offers 350 titles compared to the original edition s 150 The new book is global in scope with examples of labor films from around the world Viewers can turn to this comprehensive annotated guide for films about unions or labor organizations labor history working class life where an economic factor is significant political movements if they are tied closely to organized labor production or the struggle between labor and capital from a top down either entrepreneurial or managerial perspective Each entry includes a critical commentary production data cast list MPAA rating if any suggested related films annotated references to books and websites for further reading and information about availability of films for rental and or purchase This edition addresses both historical and contemporary films and features many more documentaries and hard to find information about agitprop and union financed films *Working Stiffs Union Maids Reds and Riffraff An Expanded Guide to Films about Labor* features fifty eight production stills and frame enlargements It also includes a greatly expanded Thematic Index of Films Two new sections will help the reader discover labor films in chronological order or by nationality or affiliation with certain cinematic movements To read Tom Zaniello s blog on the cinema of labor and globalization featuring even more reviews visit <http://tzaniello.wordpress.com> Praise for the earlier edition Zaniello has created a useful and far reaching guide with abundant information These are the sorts of films that prove what James Agee wrote in these pages nearly fifty years ago The only movies whose temper could possibly be described as heroic or tragic or both have been made by leftists The Nation Zaniello has done a monumental job identifying the films that should be included in this genre *Working Stiffs Union Maids Reds and Riffraff* is sorely needed and long overdue Cineaste An engaging and opinionated book Even though mining trucking Jimmy Hoffa and class warfare are the book s major themes what holds the project together is Zaniello s sense of fun and wit Zaniello is a better writer than most major film critics Village Voice Literary Supplement **Historical Dictionary of Organized Labor** James C. Docherty,Sjaak van der Velden,2012-06-14 Organized labor is about the collective efforts of employees to improve their economic social and political position It can be studied from many different points of view historical economic sociological or legal but it is fundamentally about the struggle for human rights and social justice As

a rule organized labor has tried to make the world a fairer place Even though it has only ever covered a minority of employees in most countries its effects on their political economic and social systems have been generally positive History shows that when organized labor is repressed the whole society suffers and is made less just The Historical Dictionary of Organized Labor looks at the history of organized labor to see where it came from and where it has been This is done through a chronology an introductory essay appendixes a glossary of terms and an extensive bibliography The dictionary section has over 400 cross referenced entries on most countries international as well as national labor organizations major labor unions leaders and other aspects of organized labor such as changes in the composition of its membership This book is an excellent access point for students researchers and anyone wanting to know more about organized labor **Dock**

Workers Sam Davies, Colin J. Davis, David de Vries, Lex Heerma van Voss, Lidewij Hesselink, Klaus Weinbauer, 2017-09-29 Workers who loaded and unloaded ships have formed a distinctive occupational group over the past two centuries As trade expanded so the numbers of dock labourers increased and became concentrated in the major ports of the world This ambitious two volume project goes beyond existing individual studies of dock workers to develop a genuinely comparative international perspective over a long historical period Volume 1 contains studies of 22 major ports worldwide Built around an agreed framework of issues these port studies examine the type of workers who dominated dock labour their race class and ethnicity the working conditions of dockers and the role of government as employer arbitrator and supporter The studies also detail how dockers organized their labour patterns of strike action and involvement in political organizations The structure of the port city is also outlined and descriptions given of the waterside environment These areas of investigation form the basis for a series of 11 thematic studies which comprise Volume 2 Drawing on the information provided in the port studies these essays identify important aspects and recurring themes and explain how and why particular cases diverge from the rest The final chapter of the book synthesizes the various approaches taken to offer a model which suggests several configurations of dock labour and presents suggestions for future research This major scholarly achievement represents the most sustained attempt to date to provide a comparative international history of dock labour An annotated bibliography completes this essential reference work *Corrupt Histories* Emmanuel Kreike, William C. Jordan, 2004 Corruption is a preoccupation of governments and societies across place and time from the 18th 19th Century British Chinese and Iberian empires to 20th Century Nazi Germany Russia the United States and India This study offers three different perspectives on corruption The first chapters highlight corrupt practices taking as a point of departure a technocratic definition of corruption The second part of the book views corruption through the lens of discourses of corruption revealing that accusations of corruption have been employed as tools often in the context of contestations of power The essays in the third part of the book treat corruption as a process taking into account its causes and effects and their impact on society economics and politics Contributors Jeremy Adelman Virginie Coulloudon William Doyle Diego Gambetta Norman J W Goda Robert Gregg Michael Johnston

William Chester Jordan Emmanuel Kreike Vinod Pavarala Dilip Simeon Pierre Etienne Will David Witwer Philip Woodfine William Chester Jordan is Professor of History at Princeton University Emmanuel Kreike is Assistant Professor of African History and Director of the African Studies Program at Princeton University *A Historical Dictionary of the U.S. Merchant Marine and Shipping Industry* René De La Pedraja, 1994-08-23 A foremost authority has written the first comprehensive reference about the U S Merchant Marine and American shipping from the introduction of steamships to today s diesel containerships showing the impact of politics economics and technology on maritime history during the last two centuries Over 500 entries describe people private companies business and labor groups engineering and technological developments government agencies terms key laws landmark cases issues events and ships of note Short lists of references for further reading accompany these entries Appendices include a chronology diagrams of government organizations and lists of business and labor groups by founding dates An unusually extensive index lends itself to the varying research interests of students teachers and professionals in maritime and economic history business labor government relations and military studies *Dockworker Power* Peter Cole, 2018-12-30 Philip Taft Labor History Book Award Labor and Working Class History Association LAWCHA and the Cornell ILR School 2019 A Black Perspectives Best Black History Book of 2018 Dockworkers have power Often missed in commentary on today s globalizing economy workers in the world s ports can harness their role at a strategic choke point to promote their labor rights and social justice causes Peter Cole brings such overlooked experiences to light in an eye opening comparative study of Durban South Africa and the San Francisco Bay Area California Path breaking research reveals how unions effected lasting change in some of the most far reaching struggles of modern times First dockworkers in each city drew on longstanding radical traditions to promote racial equality Second they persevered when a new technology container ships sent a shockwave of layoffs through the industry Finally their commitment to black internationalism and leftist politics sparked transnational work stoppages to protest apartheid and authoritarianism Dockworker Power not only brings to light surprising parallels in the experiences of dockers half a world away from each other It also offers a new perspective on how workers can change their conditions and world The Racketeer's Progress Andrew Wender Cohen, 2004-05-03 The Racketeer s Progress explores the contested and contingent origins of the modern American economy by examining the violent resistance to its development Historians often portray Chicago as an unregulated industrial metropolis composed of factories and immigrant labourers In fact the city was home to thousands of craftsmen carpenters teamsters barbers butchers etc who formed unions and associations that governed commerce through pickets assaults and bombings Working together these groups forcefully challenged the power of national corporations and physically managed the development of mass culture in the city BOOK JACKET **The Port of Missing Men** Aaron Goings, 2020-07-26 A compelling biography of the Ghoul of Grays Harbor In the early twentieth century so many dead bodies surfaced in the rivers around Aberdeen Washington that they were nicknamed the floater fleet When Billy Gohl

1873 1927 a powerful union official was arrested for murder local newspapers were quick to suggest that he was responsible for many of those deaths perhaps even dozens thus launching the legend of the Ghoul of Grays Harbor More than a true crime tale *The Port of Missing Men* sheds light on the lives of workers who died tragically illuminating the dehumanizing treatment of sailors and lumber workers and the heated clashes between pro and anti union forces Goings investigates the creation of the myth exploring how so many people were willing to believe such extraordinary stories about Gohl He shares the story of a charismatic labor leader the one man who could shut down the highly profitable Grays Harbor lumber trade and provides an equally intriguing analysis of the human costs of the Pacific Northwest's early extraction economy The Box Marc Levinson, 2016-04-05 In April 1956 a refitted oil tanker carried fifty eight shipping containers from Newark to Houston From that modest beginning container shipping developed into a huge industry that reshaped manufacturing But the container didn't just happen Its adoption required huge sums of money years of high stakes bargaining and delicate negotiation on standards Now with a new chapter *The Box* tells the dramatic story of how the drive and imagination of an iconoclastic entrepreneur turned containerization from an impractical idea into a phenomenon that transformed economic geography slashed transportation costs and made the boom in global trade possible from back cover *We Always Had a Union* Shaun Richman, 2025-04-08 One of New York City's most powerful unions the Hotel and Gaming Trades Council AFL CIO represents almost 40 000 workers Shaun Richman's history places the labor organization within the context of American industrial and craft unionism and reveals how it came to influence politics and economic development in the city and beyond From the start New York's organized hotel workers experimented with and adapted how they organized and governed members and related to other labor unions Richman follows union fortunes from early IWW activity through the Communist led affiliates of the American Federation of Labor in the 1920s and 1930s the shaping of breakthrough negotiating strategies and the postwar era As Richman shows workers adopted a radicalism and militancy seldom associated with an AFL organization while openly negotiating the Communist Party's power and influence within the union until the Party's eclipse in the 1950s An inspiring story of action and perseverance *We Always Had a Union* profiles a foundational American labor union and offers lessons for today's workers and organizers **Trade Unions and the Betrayal of the Unemployed** Immanuel Ness, 2021-12-24 This book examines the problematic relationship between unions and the unemployed in New York City during the 1990's Historically trade unions in the U.S. have had an interest in the political mobilization of the jobless to expand unemployment insurance and lessen the threat of lower wages reduced union density and weaker bargaining positions for unions Despite these advantages trade unions have rarely organized the unemployed because they represent a potential threat to the organizational control leadership and legitimacy of the trade unions themselves Moreover the interests of the unemployed conflict directly with those of the securely employed trade unionist The study identifies union responses to unemployment at local and regional levels and the responses of independent activist organizations The research suggests

that hiring hall unions produce exclusive organizing strategies that have deeper accountability to their members but with organizing objectives that serve only the narrow interests of core members By contrast workplace based unions typically engender class oriented unions with narrow accountability to members but with organizing objectives that extend beyond their immediate members The Encyclopedia of Strikes in American History Aaron Brenner, Benjamin Day, Immanuel Ness, 2015-01-28 Strikes have been part of American labor relations from colonial days to the present reflecting the widespread class conflict that has run throughout the nation's history Against employers and their goons against the police the National Guard local state and national officials against racist vigilantes against their union leaders and against each other American workers have walked off the job for higher wages better benefits bargaining rights legislation job control and just plain dignity At times their actions have motivated groundbreaking legislation defining new rights for all citizens at other times they have led to loss of workers lives This comprehensive encyclopedia is the first detailed collection of historical research on strikes in America To provide the analytical tools for understanding strikes the volume includes two types of essays those focused on an industry or economic sector and those focused on a theme Each industry essay introduces a group of workers and their employers and places them in their economic political and community contexts The essay then describes the industry's various strikes including the main issues involved and outcomes achieved and assesses the impact of the strikes on the industry over time Thematic essays address questions that can only be answered by looking at a variety of strikes across industries groups of workers and time such as why the number of strikes has declined since the 1970s or why there was a strike wave in 1946 The contributors include historians sociologists anthropologists and philosophers as well as current and past activists from unions and other social movement organizations Photos a Topic Finder a bibliography and name and subject indexes add to the work's appeal *Blue and Green* Scott L. Cummings, 2018-11-13 How an alliance of the labor and environmental movements used law as a tool to clean up the trucking industry at the nation's largest port In *Blue and Green* Scott Cummings examines a campaign by the labor and environmental movements to transform trucking at America's largest port in Los Angeles Tracing the history of struggle in an industry at the epicenter of the global supply chain Cummings shows how an unprecedented blue green alliance mobilized to improve working conditions for low income drivers and air quality in nearby communities The campaign for clean trucks Cummings argues teaches much about how social movements can use law to challenge inequality in a global era Cummings shows how federal deregulation created interrelated economic and environmental problems at the port and how the campaign fought back by mobilizing law at the local level He documents three critical stages initial success in passing landmark legislation requiring port trucking companies to convert trucks from dirty to clean and drivers from contractors to employees with full labor rights campaign decline after industry litigation blocked employee conversion and campaign resurgence through an innovative legal approach to driver misclassification that realized a central labor movement goal unionizing port truckers Appraising the campaign

Cummings analyzes the tradeoffs of using alternative legal frameworks to promote labor organizing and explores lessons for building movements to regulate low wage work in the gig economy He shows how law can bind coalitions together and split them apart and concludes that the fight for legal reform never ends but rather takes different turns on the long road to justice

Texas and Texans in World War II Christopher B. Bean,2022-08-24 Texans in World War II offers an informative look at the challenges and changes faced by Texans on the home front during the Second World War This collection of essays by leading scholars of Texas history covers topics from the African American and Tejano experience to organized labor from the expanding opportunities for women to the importance of oil and agriculture Texans in World War II makes local the frequently studied social history of wartime bringing it home to Texas An eye opening read for Texans eager to learn more about this defining era in their state s history this book will also prove deeply informative for scholars students and general readers seeking detailed definitive information about World War II and its implications for daily life economic growth and social and political change in the Lone Star State

Advances in Group Processes Shane R. Thye,Edward Lawler,2011-11-01 Publishes theoretical analyses reviews and theory based empirical chapters on group phenomena This title examines topics such as graded status characteristics and expectation states standardizing open interaction coding for status processes creating community through language among San Pedro Longshoremen and more

Bigger Than Bernie Micah Uetricht,Meagan Day,2020-04-21 Win or lose Bernie has reshaped the landscape of American politics Where does the political revolution go next The political ambitions of the movement behind Bernie Sanders have never been limited to winning the White House Since Bernie first entered the presidential primaries in 2016 his supporters have worked to organize a revolution intended to encourage the active participation of millions of ordinary people in political life That revolution is already underway as evidenced by the massive growth of the Democratic Socialists of America the teachers Bernie motivated to lead strikes across red and blue states and the rising new generation of radicals in Congress led by Alexandria Ocasio Cortez and Ilhan Omar inspired by his example In Bigger than Bernie activist writers Meagan Day and Micah Uetricht give us an intimate map of this emerging movement to remake American politics top to bottom profiling the grassroots organizers who are building something bigger and more ambitious than the career of any one candidate As participants themselves Day and Uetricht provide a serious analysis of the prospects for long term change offering a strategy for making political revolution more than just a campaign slogan They provide a road map for how to entrench democratic socialism in the halls of power and in our own lives Bigger than Bernie offers unmatched insights into the people behind the most unique campaign in modern American history and a clear eyed sense of how the movement can sustain itself for the long haul

Shadow of the Racketeer David Scott Witwer,2009 A detailed account of labor corruption in the 1930s and the zealous journalist who railed against it

Deportation Nation Daniel Kanstroom,2010-03-15 This book is a chilling history of communal self idealization and self protection By illuminating the shadowy corners of American history Kanstroom shows

that deportation has long been a legal tool to control immigrants lives and is being used with increasing crudeness in a globalized but xenophobic world

Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront has opened up a world of possibilities. Downloading Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront. Some

websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. *Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront* is one of the best book in our library for free trial. We provide copy of *Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront* in digital format, so the resources that you find are reliable. There are also many Ebooks of related with *Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront*. Where to download *Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront* online for free? Are you looking for *Reds Or Rackets The Making Of Radical And Conservative Unions On The Waterfront* PDF? This is definitely going to save you time and cash in something you should think about.
