Reducing Space Mission Cost Space Technology Library Paperback:

Reducing Space Mission Cost James Richard Wertz, Wiley J. Larson, 1996-01-01 This book is a follow on to the now standard text and reference Space Mission Analysis and Design also edited by Drs Wertz and Larson It is required reading for professionals students and managers in astronautics or space sciences and managers or scientists involved in space experiments This book shows that reducing space mission cost without reducing reliability is as possible as it is important for the future of space exploration

SBIR at the Department of Defense National Research Council, Policy and Global Affairs, Board on Science, Technology, and Economic Policy, Committee on Capitalizing on Science, Technology, and Innovation: An Assessment of the Small Business Innovation Research Program--Phase II, 2014-09-30 Created in 1982 through the Small Business Innovation Development Act the Small Business Innovation Research SBIR program remains the nation's single largest innovation program for small business The SBIR program offers competitive awards to support the development and commercialization of innovative technologies by small private sector businesses At the same time the program provides government agencies with technical and scientific solutions that address their different missions SBIR at the Department of Defense considers ways that the Department of Defense SBIR program could work better in addressing the congressional objectives for the SBIR program to stimulate technological innovation use small businesses to meet federal research and development R D needs foster and encourage the participation of socially and economically disadvantaged small businesses and increase the private sector commercialization of innovations derived from federal R D An earlier report An Assessment of the Small Business Innovation Research Program at the Department of Defense studied how the SBIR program has stimulated technological innovation and used small businesses to meet federal research and development needs This report builds on the previous one with a revised survey of SBIR companies SBIR at the Department of Defense revisits some case studies from the 2009 study and develops new ones and interviews agency managers and other stakeholders to provide a second snapshot of the program's progress toward achieving its legislative goals
