Keys, 2017-08-29 No area of law and policy is more central to our well being than housing yet research on the topic is too often produced in disciplinary or methodological silos that fail to connect to policy on the ground This pathbreaking book which features leading scholars from a range of academic fields cuts across disciplines to forge new connections in the discourse In accessible prose filled with cutting edge ideas these scholars address topics ranging from the recent financial crisis to discrimination and gentrification and show how housing law and policy impacts household wealth financial markets urban landscapes and local communities Together they harness evidence and theory to capture the state of play in housing generating insights that will be relevant to academics and policymakers alike This title is also available as Open Access **Community, Home, and Identity** Terry L. Turnipseed, 2016-05-23 Community home and identity are concepts that have concerned scholars in a variety of fields for some time Legal scholars sociologists anthropologists psychologists and economists among others have studied the impacts of home and community on one's identity and how one's identity is manifested in one's home and in one's community This volume brings together some of the leading thinkers about the connections between community home and identity Several chapters address how the law and

lawyers contribute or detract from the creation and maintenance of community and in some cases the conscious destruction of communities Others examine the protection of individual and group identities through rules related to property title and use of such things as Home and identity property

Gentrification in Neighbourhood Development Yvonne Franz, 2015
English summary This book aims at a comprehensive understanding of diverging urban rejuvenation practices and gentrification processes in New York City Berlin and Vienna Regulatory and supportive mechanisms at policy and planning level have been identified through a comparative analysis of urban rejuvenation policies and actors embeddedness Those mechanisms enable the development of contextualised parameters that support projection attempts of future gentrification processes at the neighbourhood level As a result a reflective understanding of gentrification and policy recommendations are drawn at a general level The recommendations refer to the political understanding of gentrification and its role in urban development This analysis argues that cities should include gentrification as a driving force in urban policies However processes of gentrification require mediation and monitoring by public authorities who should be aware of the risk of social fragmentation As a consequence cities should move towards a social entrepreneurial city that moves beyond the simple distribution of financial resources and responsibilities and ensures social responsibility within the force field of ongoing neoliberal forces German description Diese Publikation zielt auf ein umfassendes Verstandnis unterschiedlicher Stadterneuerungspraktiken die sich auf die Erhaltung der baulichen Substanz beziehen sowie Gentrification Prozesse in New York City Berlin und Wien ab Dabei wird eine vergleichende Analyse von politischen Strategien und involvierten AkteurInnen angewendet um regulierende und unterstützende Mechanismen auf der politischen und stadtplanerischen Ebene zu identifizieren Diese Mechanismen ermöglichen die Entwicklung von kontextualisierten Parametern Als Ergebnis dienen eine reflektierte Betrachtung von Gentrification und Empfehlungen die auf einer stadübergreifenden Ebene Entwicklungsleitlinien für den politischen Umgang mit Gentrification und dessen Rolle in der Stadtentwicklung aufzeigen

A History of Housing in New York City Richard Plunz, 2016-10-18 Since its emergence in the mid nineteenth century as the nation's metropolis New York has faced the most challenging housing problems of any American city but it has also led the nation in innovation and reform The horrors of the tenement were perfected in New York at the same time that the very rich were building palaces along Fifth Avenue public housing for the poor originated in New York as did government subsidies for middle class housing A standard in the field since its publication in 1992 A History of Housing in New York City traces New York's housing development from 1850 to the present in text and profuse illustrations Richard Plunz explores the housing of all classes with comparative discussion of the development of types ranging from the single family house to the high rise apartment tower His analysis is placed within the context of the broader political and cultural development of New York City This revised edition extends the scope of the book into the city's recent history adding three decades to the study covering the recent housing bubble crisis the rebound and gentrification of the five boroughs and the ecological issues facing

the next generation of New Yorkers More than 300 illustrations are integrated throughout the text depicting housing plans neighborhood changes and city architecture over the past 130 years This new edition also features a foreword by the distinguished urban historian Kenneth T Jackson *Engineers and Communities* Earthea Nance,2013-01-01 *Engineers and Communities* traces the evolution of a small but important innovation in Brazil from 1980 through 2005 Through a series of grand experiments with participatory water and sanitation coalitions of engineers planners public officials and residents revealed the essential elements of how urban services can be made to be more inclusive **Managing Complexity** Jocelyn Bellemare,Serge Carrier,Kjeld Nielsen, Frank T. Piller,2016-08-10 This proceedings volume presents the latest research from the worldwide mass customization personalization and co creation MCPC community bringing together new thoughts and results from various disciplines within the field The chapters are based on papers from The MCPC 2015 Conference where the emphasis was placed on managing complexity MCPC is now beginning to emerge in many industries as a profitable business model But customization and personalization go far beyond the sheer individualization of products and become an extension of current business models and production styles This book covers topics such as complexity management of knowledge based systems in manufacturing design and production sustainable mass customization choice navigation and product modeling The chapters are contributed by a wide range of specialists offering cutting edge research as well as insightful advances in industrial practice in key areas The MCPC 2015 Conference had a strong focus on real life MCPC applications and this proceedings volume reflects this MCPC strategies aim to profit from the fact that people are different Their objective is to turn customer heterogeneities into profit opportunities hence addressing the current trend of long tail business models Mass customization means to provide goods and services that best serve individual customers personal needs with near mass production efficiency This book brings together the latest from MCPC thought leaders entrepreneurs technology developers and researchers that use these strategies in practice [The National Windstorm Impact Reduction Program](#) United States.
