Rawlyk,1988-07-01 In his chapter on Acadia Barry Moody argues that the university has been surprisingly open to a variety of theologies and pedagogical perspectives tracing this to the liberality and breadth of vision of Nova Scotia Baptists His study helps explain the remarkable strength of the Baptist tradition in late nineteenth century Nova Scotia J R C Perkin s chapter on one of Acadia s distinguished presidents Watson Kirkconnell shows Kirkconnell as representative of this tradition and its strength G A Rawlyk examines some of the underlying forces which significantly affected the development of McMaster University He suggests that the cutting edge of McMaster s nineteenth century Evangelicalism may have been dulled by the enthusiastic manner in which consumerism and modernity were appropriated by the Baptist Convention leadership which controlled the university In his discussion of Brandon College Walter Ellis argues that Brandon failed as a Baptist institution of higher learning largely because it was out of touch with Western Canadian realities If it had been a bible college rather than a Manitoba variant of McMaster Brandon might still be in existence and Conventional Baptists might as a result be a far stronger force in the West These essays on individual institutions highlight the pressure on denominational universities to emphasize not only Christian spirituality but secular scholarship They will be of interest to all those who are concerned not only with the fate of Baptist institutions but the entire Christian church in Canada *The National Union Catalog, Pre-1956 Imprints* Library of Congress,American Library Association.
