

# How do I Reflect?

## What should your reflection include?

- Restate what the assignment asked you to do in your own words
- Discuss your process for completion
- Address standards appropriate to the assignment AND how you met them using evidence from your work

Consider:

- What did you learn?
- How did you overcome challenges?
- What would you do differently next time?
- How would you assess yourself?

## What should your reflection look like?

- An essay (do not just answer the above questions), at least one full page with multiple paragraphs, single-spaced.

## What should your reflection NOT look like?

- Bad habits of other group members (focus on yourself)
- Whether or not you liked an assignment (unless there is constructive feedback as well)
- Just answers to the above questions without a narrative
