Woman of Worth Melanie Rigney, 2018-09-15 These days women are so busy about so many things that it's easy to lose sight of one's being in the midst of one's doing. Any woman wondering about her worth to her family to her colleagues to herself and to God will find much to rejoice in here. Each chapter takes a verse or two from Proverbs 31 and offers a personal story, a reflection on the verse, a portrait of a woman saint who exemplifies the verse, some questions designed for discussion or contemplation, and a prayer. Read it from beginning to end or dip in here or there as a verse strikes you; there's no wrong way to read this book. The clear affirming message is that God loves you and you ARE a woman of worth no matter where you find yourself in life. McDonald, 2015-03-17 Curl up in a cozy chair with a cup of coffee or tea and meet some amazing women who just happened to be in the same little neighborhood at the same time. These friends walked into the author's heart and inspired her to be a better mother, teacher, and friend, and to recognize more fully the varied gifts God's children offer. Each woman represents a unique virtue or talent, making her a life-giving vessel in the body of Christ. Using names that best fit the gift, the stories are narratives that will delight, touch, and invite deep personal reflection. Poetry and prayer flow from each story as natural as a breath of air. Because their stories give practical applications for daily living, in Christ, questions for further contemplation, or for sharing follow each section along with Scriptures to reflect on and suggested activities or related reading. These friends are presented in word pictures that tug at the heart. They bring with them joy and sorrow, wisdom and insight. They will remind the reader of someone they know and lead to a better understanding of that person. The reader may even find a picture of, as well as a better understanding of, herself. *Hugs Bible Reflections for Women* Mindy Ferguson, 2009-08-04 The latest in the bestselling Hugs series features inspiring Bible verses paired with heartwarming stories written by ordinary women who have stepped out in faith and experienced God's faithfulness to them. *Hugs Bible Reflections for Women* is a moving collection of stories told by women who are not afraid to bare their souls and share their hard-earned life wisdom. Bohr,2015-05-07 The church may appear as about to fall but it does not fall It remains while the sinners in Zion will be sifted out the chaff separated from the precious wheat This is a terrible ordeal but nevertheless must take place The remnant that purify their souls by obeying the truth gather strength from the trying process exhibiting the beauty of holiness amid the surrounding apostasy Ellen G White Letter 55 Dec 8 1886 written from Basel Switzerland to G I Butler and S N Haskell Dear reader does the prophetic guidance just quoted strike you as being just a tad scary If you have been paying close attention lately a movement has been steadily but stealthily building over the past several years and is now dangerously close to reaching groundswell proportions in the North American Division and beyond This movement would accomplish the objective of ordaining women as full fledged ministers of the Gospel Are you concerned Is there anything you could or should do about it Before you answer please take the time to read through this little book Rare gems Ester Bezerra,2018-02-28 Mothers grandmothers executives teachers nurses secretaries receptionists housekeepers and housewives successful professionals in all areas this book pays homage to all women It s for all the warriors who know that their most important performance is in the home despite all their daily duties who know that the greatest praise is the very one written in the Word of God He children rise up and call her blessed Her husband also and he praises her Many daughters have done virtuously but you excel them all Proverbs 31 28 29 **Reflections of Women in Antiquity** Helene P. Foley,1984 *Encountering the Sacred* Rebecca Todd Peters,Grace Yia-Hei Kao,2018-12-27 Many women of faith are interested in having deep conversations with their friends and families about issues they face in their personal lives Unfortunately there is a dearth of feminist and theologically progressive materials for these women to turn to for counsel or advice Simultaneously there are a growing number of theologically trained biblical scholars theologians and ministers who are experiencing similar life challenges but who are generally discouraged from writing about these experiences in ways that would be accessible to the general public This book bridges the chasm between Christian laywomen and feminist theologians For the last fifty years feminist theologians have sought to reimagine Christian theology in ways that speak to the realities and complexities of women s lives They have also sought to use women s experience as the starting point for theological reflection in the same way that men s lives have shaped the history of Christian theology for the past 2000 years In this book feminist Christian scholars of theology and religion use the tools of their trade to examine powerful personal life experiences and to search for new and empowering ways of understanding the power of the sacred as they have experienced it **Mary Cassatt** Debra N.
