

A photograph of a vigil with many lit candles. The candles are small, round, and lit, with a warm orange glow. They are arranged in a grid-like pattern on a dark surface. The background is dark, and the light from the candles illuminates the scene.

Reflections from a Prayer Vigil for Peace John Andrew Gallery, 2001 *For Justice and Enduring Peace* Jessica Mitchell Smith, 2023-12-01 A look at the Methodist tradition of social witness Since the beginning of the Methodist movement Methodists have spoken to the issues of the day as an expression of the Wesleyan commitment to social holiness The General Board of Church and Society upholds the Wesleyan commitment to social holiness through witnessing to just social policies and practices This 100 year commemorative book will utilize archival materials from the agency s historic publications to tell the story Friends Journal , 2008 **A Better World** Pope Francis, 2022-09-26 We live today in an unstable and dangerous world Countless people are plagued by war and fear and are oppressed by hatred and intimidation The world is hungry for peace Pope Francis has made great efforts to stop violence and hatred and continually calls the world to peace A Better World is another invitation from the Holy Father to love one another and to work diligently for peace In the homilies addresses and writings collected in this book Pope Francis reminds us as children of God to be kind in our daily actions and compassionate toward others even those who are different from us and whom we must accept with love When conflicts arise we are called to resolve them through dialogue and the quest for peace not through hatred and war Lasting peace is not the result of violent means but is achieved through dialogue and fraternity **Through the Year with Pope Francis** Pope Francis, 2013-11-21 I want the Church to go out onto the streets I want us to resist everything worldly everything static everything comfortable everything that might make us closed in on ourselves Pope Francis World Youth Day 2013 Pope Francis has been called the pope of the people as he captures minds and hearts with his joyful faith with his warm direct and loving attention to those he meets and with his attention to the poor and needy Now you can start or finish every day encouraged by the same engaging spirit alive in these 365 short meditations written by Pope Francis Let his words inspire and challenge you push you deeper into Scripture raise your prayer to new heights or simply fill you with gratitude for God s personal love for you Join Pope Francis and let the flame of faith catch fire within you as it slowly catches fire across the world **Zamir** Abraham Garmaize, 2003-04 This book contains two parts Part one is The War of the Jews How the Jews are Fighting Each Other and the Remedy Part two is ecumenical memorial services for 9 11 Like a lazy river in summer that gives water to a thirsty land is how Rabbi Garmaize describes God s love as it is meant for the people of Israel Garmaize uses ancient lessons from the Torah and the Bible to implore today s Jewish Community to shower one another with friendship brotherhood and love His purpose in this book is to show a divided Israel it is necessary to accept one another in Peace so the same olive branch may be extended to those who would relish its destruction This is a special book for Memorial Services for 9 11 The Memorial Services is for all dinaminations divided into 3 sections Jewish Catholic and Protestant It describes the tragedy hope and prayers *Go Deep* Doris E. Louis Massignon Dorothy C. Buck,2017-06-01 The root of the word Badaliya in Arabic means to replace or exchange one thing for another The French scholar and spiritual seeker Louis Massignon 1883 1962 interpreted the word as a willingness to put oneself in the place of another to give one's own life for the sake of someone else This offering of himself for the well being of his Muslim brothers and sisters was the inspiration for Massignon's entire life In 1947 the renowned orientalist who had regained his Christian faith and identity while on a research expedition in Baghdad in present day Iraq established an international prayer association that he named the Badaliya and for which he remained the organizer until his death in 1962 The fifteen annual letters and ninety one monthly

convocations of the Badaliya are as much invitations to prayer and a consecration of individual lives as they are a witness to the incarnational spirit active and alive in our contemporary world today These letters read like a diary that follows the events and conflicts of the time but also due to the genius of Massignon s mystical reading of history these precious documents reveal fifteen years of a singular spiritual adventure Framed by an introduction presenting the context and genesis of the prayer movement and completed with a description of the Badaliya today this book permits the reader to grasp the fruitfulness of the spirit of the Badaliya No other text has yet permitted us to so deeply penetrate the heart of the spirituality and the struggles of Louis Massignon who remains even today a master for our time *Spiritual Guides* Fred Dallmayr,2017-12-15 In *Spiritual Guides Pathfinders in the Desert* Fred Dallmayr challenges the desert character of modern culture Political and economic corruption incessant warmongering spoliation of natural resources and above all mindless consumerism and greedy self satisfaction are all symptoms of what he contends is an expanding wasteland or desert where everything creative and nourishing decays and withers Through an alternative interpretation of Nietzsche s saying the desert grows this book calls for spiritual renewal invoking in particular four prominent guides or pathfinders in the desert Paul Tillich Raimon Panikkar Thomas Merton and Pope Francis What links all four guides together is the view of spiritual life as an itinerarium a pathway along difficult and often uncharted roads Dallmayr begins by drawing a connection between Nietzsche s characterization of the desert in Thus Spoke Zarathustra and the present culture of consumerism in which a nearly exclusive emphasis on productivity efficiency profitability and the transformation of everything valuable into a useful resource prevails over all other goals He also draws attention to another sense of desert namely as a place of solitude meditation and retreat from affliction Aptly defined it becomes a place where spirituality arises from a painful turning about a wrenching effort to extricate human life from the decay of late modernity Spirituality is not a possession or property but rather the contemplation and radical mindfulness that we develop through engaged practices as we search for pathways to recovery Spirituality becomes critical in the dominant political and cultural wasteland because it provides a bond linking humanity together In the spirit of global ecumenism *Spiritual Guides* also includes a discussion of Muslim Hindu and Buddhist forms of spirituality This book will interest students and scholars of philosophy political theory and religion

Yearning for God, the Path to Peace of the Soul Joseph John Williams,1924 **Living Peace** John Dear,2010-05-19 To take care of each other should be our primary concern in this 21st century and Father Dear is steady on this course Thich Nhat Hanh For John Dear a Jesuit priest and respected leader of the ecumenical peace movement the spiritual life is a combination of contemplation and action of maintaining inner peace and projecting that peace into the greater world It is the spirituality exemplified by the lives of Gandhi Martin Luther King Jr Mother Teresa the Dalai Lama and others throughout history who remained true to the highest ideals while addressing the most difficult problems and conflicts of the real world As a tireless advocate for social justice and human rights Dear has followed that path in his own life and in *Living Peace* he

describes his journey Breaking down the life of peace into three parts an inner journey a public journey and the journey of all humanity he shares the spiritual practices that have sustained him and teaches readers how to integrate these practices into their own lives From the Hardcover edition Peace At The Last Robert Atwell,2014-09-12 Until relatively recently a Church of England funeral was the default option of the majority of the British population This is no longer the case Exploring what makes a good funeral Robert Atwell suggests many practical ways in which the church can become better at conducting funerals and engaging with those who seek pastoral support

Seizing the Nonviolent Moments Nancy Small,2015-01-08 Life is filled with opportunities to practice nonviolence If we kept track we d be surprised at how often we get to choose a violent or nonviolent response to a given situation Seizing these moments is a spiritual practice that shapes a nonviolent heart Many people doing this together shapes the heart of a nonviolent world This book is a humble and accessible approach to nonviolence based on the belief that no one is perfectly nonviolent We are all works in progress Each chapter presents an imaginative interpretation of a scripture story about seizing a nonviolent moment that sheds new light on nonviolence and its spirituality Stories of contemporary peacemakers woven throughout offer lessons for living a spirituality of nonviolence for our times Prophetic words from the US Catholic bishops emphasize the essential role of peacemaking in renewing the earth Questions following each chapter inspire personal reflection and make the book a welcome resource for classrooms parishes and small groups The more we seize the nonviolent moments in our lives the more we are transformed by them And the more we experience the power of nonviolence within ourselves the more we believe in its potential to transform our troubled world
