Reflections Of A Troubled Journey:

Troubled Journey Levi A. Nwachuku, G. N. Uzoigwe, 2004-02-09 Troubled Journey Nigeria Since the Civil War probes into Nigeria's unique experience as modern African state. It pulls together a talented group of Nigerian historians writing on Nigeria since Independence Day on October 1, 1960 through the devastating Civil War of 1967-1970 into present day. This book is a major contribution to the on-going debate about how the country can best be politically restructured and socio-economically reformed.

Reflections at Journey's End York County Bar Association, 2018-11-30 A compelling series of insightful biographical sketches of the men and women of the York County Bar commencing eleven years before the start of the Civil War as recounted by contemporaries and colleagues. Candid, sincere, honest and on occasion with a touch of comic relief, these memorial minutes are tributes to those who have made their rendezvous with mortality. Found within these volumes is the venerable Jeremiah S. Black who walked the corridors of national recognition during the Civil War era; the urbane and brilliant Herbert B. Cohen who wielded substantial political power throughout the commonwealth and rose to become an associate justice of the Pennsylvania Supreme Court; and the charismatic Harvey Gross whose superb advocacy in the third Hex trial and subsequent twenty-year tenure on the York County Orphans Court placed him in the forefront of the princes of Anglo-Saxon jurisprudence. This callout of the giants in no way diminishes the significance, commitment, and integrity of the many other remarkable individuals who came after and counseled and inspired others to live honestly, to exercise compassion, and to act with prudence and diligence. Above all else, they made their contribution to the vast and diverse panorama of our humanity. Not a typical memoir or story, these memorial minutes constitute the defining epic of the York County Bar. More than history, more than recitals of character and personality, and more than delightful encounters and more somber content, they are about individuals remembered for the richness and power of their hopes, achievements, and commitments to the timeless values of the life of the law.

REFLECTIONS IN TIME: A PERSONAL JOURNEY

GEOFFREY PECKITT, 2011-12-20 All of life is a journey and along our own personal path we can bounce from one experience to another, never really becoming aware of what it is that we are supposed to be learning about ourselves and our unlimited power. Or we can see each experience as a chance to discover a little more about who we really are and just how powerful we are when we finally accept the truth about ourselves. No matter who we are, how much money or how many possessions we have, we are all heading for the same destination; however, the way we get to that destination is our own Personal Journey. This book is a product of one man's journey and the experiences that quite often altered his direction along the way. Maybe in the reading of this book, you, the reader, will see the reflections in your own personal journey.
