Löwstedt, Torbjörn Stjernberg, 2014-06-03 Providing readers with a unique insight into conducting research this exciting book describes the thought and work processes of researchers as they complete their projects Engaging and accessible it investigates all the key aspects of this topic and advice on how to conduct interviews study the everyday life of an organization and many other standard methods of conducting research This is not a prescriptive methodology textbook rather it explores how to approach think and act in interaction with the empirical field Comprehensive and accessible this thought provoking text shows readers how to develop management investigations skills and will be invaluable for final year undergraduates masters and PhD students Conceptions of Professionalism Ken Bruce, Abdullahi D. Ahmed, 2016-05-23 In

Conceptions of Professionalism Ken Bruce and Abdullahi Ahmed present the results of research into understanding what professionalism means to individuals who are CERTIFIED FINANCIAL PLANNERTM professionals and how they conceive of acting professionally Financial planning is establishing itself as a relatively new emerging profession and an understanding of how its members experience professionalism provides insights that will help those responsible across the international financial planning community to establish relevant accurate and meaningful professional standards for financial planners The authors employ the relatively new research methodology of phenomenography which enables them to describe the qualitatively different ways in which people understand or experience a phenomenon This particularly lends itself to the study of a concept such as professionalism This study gives voice to the financial planners represented in the research and will inform standard setting bodies seeking to understand professionalism through the eyes of the professionals themselves What the research reveals about the concept of professionalism itself will be of value to those whose interests lie beyond the world of financial planning and the application of the methodology used in the study will inform researchers contemplating phenomenographical studies elsewhere **Religion, Spirituality and Identity** Kirsi Tirri, 2006 Selected papers presented at the 8th Nordic Conference on Religious Education in Helsinki Finland in June 2005

**Instructional Technology Research, Design and Development: Lessons from the Field** Alias, Nor Aziah, 2011-11-30 Design and development research which has considerable implications for instructional design focuses on designing and exploring products artifacts and models as well as programs activity and curricula Instructional Technology Research Design and Development Lessons
