

A man with short brown hair is sitting on a large, mossy rock. He is wearing a bright blue zip-up jacket over a light blue polo shirt and white trousers. He is looking off to the side with a slight smile. The background shows a body of water, green grass, and trees, suggesting a park or lakeside setting.

Cooper, 2006 It has been said that no man is an island We are all bound together by shared beliefs and shared experiences As we go through life we find that we are not as unique as we once thought We have much in common with the person who lives down the street as well as the ones who live across the globe Lives are not lived in vacuums but rather in interactive communities This world of binding is what gives life its richness The stories in this book will reach inside the reader s heart and soul to strike a common chord In lucid memorable prose Cooper offers remembrances reflections and experiences that can be shared by readers of all ages **The American Commonwealth: The party system. Cooper, 2004 Every life is a journey and every journey is unique There are incidents in our lives that are common to those in other persons lives but the overall journey is as different and distinct as our fingerprints It is also true that some parts of our journey take place on roads that are rough and rocky while others take place on roads that are paved and smooth In Halfway Home Jackie K Cooper takes a look at his journey when he reached what he considered to be the halfway point of his life He had turned fifty his kids were teenagers he had been married for

over twenty years Every day brought something new while every day was the same It was a time for thinking about his yesterdays and a time for contemplating his tomorrows In this book there are stories that reflect his thoughts on his family friends and events Some of the moments captured are funny some are sad some are important and some are silly but all are sure to affect your heart and your mind This collection of stories from a life s journey will remind you of times in your own life times you may have forgotten and now will relive Jackie K Cooper s journey continues and every bend of the road every spot on the horizon creates a new tale to be savored and enjoyed
