with reflections of gratitude for the life giving power of the word Meditating on the word and allowing the Holy Spirit to minister to my troubled heart renewed my strength and delivered my mind from the influence and allure of the accuser The poetic reflections contained in this book resulted from several years of recordings that poured from my heart during my devotional times with God I am grateful that His Spirit nudged me to record some of my thoughts because rereading them continues to be a source of encouragement and strength Contained in this book are the poetic reflections of my heart I pray that as you peruse this literary collection you would experience the same heartfelt connections with the Lord that I experienced as each piece began to seep through the crevices in the chambers of my heart as they began to materialize in written form the Reflections of My Heart May God comfort revive refill and empower you as you read the pages of this reflective work
