Observations & Reflections on Texas Folklore Francis Edward Abernethy,1972 Tranquil Thoughts from the Texas Hill Country J. Herbert Larson,2014-02-28 My writings are spiritual I want to transmit to create a peaceful tranquil spirit of faith within my readers I want to open up to the believing reader some of the Bible s jewels or whatever one wishes to call them I want to inspire faith to feed to nurture faith in my readers Reflections of a Partly Cloudy Mind JW Gee,2013-04 The author takes the reader on an entertaining journey through military life from the generational perspective of a baby boomer From dealing with losing his military draft student deferment during the Vietnam War to serving as a bodyguard for the Secretary of Defense the author provides the reader with a unique informative and often outrageously hilarious glimpse of military life in the United States Army intelligence and law enforcement communities Learn about sanpaku snafu the Asoh Defense and other obscure forms of military jargon and acronyms Get introduced to an ornery barnyard cat modern day cattle rustlers clever investigative techniques and the perils of using foreign language translators to determine case facts Laugh in wonderment at the murky world of lie detection using a polygraph instrument The colorful and memorable characters described in each chapter to include the author are alternately frail and courageous naive and crafty cynical and patriotic but always captivatingly authentic *The Duty of Moral Reflection with Particular Reference to the Texas Question. A Sermon [on Isa. i 3], Etc* Oliver STEARNS,1845 **Celebrating 100 Years of the Texas Folklore Society, 1909-2009** Kenneth L. Untiedt,2009 The Texas Folklore Society is one of the oldest and most prestigious organizations in the state Its secret for longevity lies in those things that make it unique such as its annual meeting that seems more like a social event or family reunion than a formal academic gathering This book examines the Society s members and their substantial contributions to the field of folklore over the last century Some articles focus on the research that was done in the past while others offer studies that continue today This book does more than present a history of the Texas Folklore Society it explains why the TFS has lasted so long and why it will continue *Texas Wildflowers Impressions* ,2017-04-18 Travel to the Lone Star State for a wildflower tour with native Texan photographers Rob Greebon and Richard Reynolds From cacti blossoms at Big Bend National Park in West Texas to the famous fields of bluebonnets in the Hill Country to the carnivorous pitcher plants found in the Big Thicket National Preserve in East Texas you ll enjoy spectacular Texas wildflowers in 93 gorgeous color photographs Included are the state s vegetational zones with tips on when and where to find blooms and how to photograph your own beautiful wildflower landscapes Texas Literary Outlaws Steven L. Davis,2004 Davis makes extensive use of untapped literary archives to weave a fascinating portrait of six Texas writers calling themselves the Mad Dogs who came of age during a period of rapid social change Bud Shrake Larry L King Billy Lee Brammer Gary Cartwright Dan Jenkins and Peter Gent **The History of Texas** David Barnett Edward,2025-09-28 Reprint of the original first

published in 1836 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Sam Houston in the Name of Texas 1809-1834 R. G. Brighton,2013-08-16 It was people like Stephen Austin Sam Houston and Juan Seguin and the defenders of the Alamo who not only felt the power of the Land but they became the life that was born from that power Their stories are the Life of Texas Six Constitutions Over Texas William J. Chriss,2024-06-18 In his foreword to Six Constitutions Over Texas Texas Political Identity 1830 1900 historian H W Brands describes the saga surrounding the development of the Texas state constitution as having the sweep of a Russian novel populated by characters as colorful as any of Tolstoy s Indeed even a glance at the table of contents reveals hints of international and regional conflict intrigue and shifting political alliances that characterized the rise and in the case of the first five iterations fall of the constitutions serving as the guiding document for what was variously a state of Mexico an independent nation a member of the Union a Confederate state and a newly subdued region under Reconstruction This meticulous study by legal historian William J Chriss examines how Anglo Texans went about creating their political identity over three quarters of a century and the impact of those decisions By delineating the social political military and other considerations at play during the various stages of Texas development and how those factors manifested in the various constitutions Chriss illuminates the process by which various groups constructed Texas as an imagined community an identity produced by ideological consensus among economic cultural and legal elites Replete with insights on the ways in which systems of law impact social control and political identity Six Constitutions Over Texas offers a fresh view of how shifting political ideologies were canonized with varying degrees of permanency in the state constitution **Viva Texas Rivers!** Steven L. Davis,Sam L. Pfister,2022-08-24 More than the lifeblood of our natural world Texas rivers have nourished the human spirit for as long as people have gathered on their banks A living bond has flowed between Texas writers and rivers ever since the 1960 publication of John Graves s classic journey along the Brazos Goodbye to a River Many of Texas leading writers have had their hearts captured by a river and they have created sparkling accounts of the waterways they love Now editors Steven L Davis and Sam L Pfister have assembled the best of those works into a revelatory collection of diverse literary voices Ranging from the desert canyonlands of the Rio Grande to the swampy Big Thicket from crystal clear Hill Country streams to the Red River s treacherous quicksand Viva Texas Rivers showcases many classic writings along with brand new essays written for this volume The literary nonfiction is complemented by flashes of poetry that brilliantly reflect these curving ribbons of light Authoritative and expertly edited Viva Texas Rivers offers shimmering accounts of hidden paradises as well as searing expos s of abuse and despoliation Yet even in the bleakest times as these writers have found Texas rivers can bestow a sacred grace and unexpected redemption Viva Texas Rivers brings you as close to the living nirvana of a Texas River as you can get without launching yourself into a canoe and following a great blue heron as it glides just above the breaking rapids leading you
