Reflections On The Revolution Of Our Time

Paul K. Jones

Reflections On The Revolution Of Our Time:

Reflections on the Revolution of Our Time Harold Laski, 2017-07-05 Harold J Laski saw World War Two as a period of revolutionary change as profound as any in the modern history of the human race In his view the period s inner nature was as significant in its essentials as those which saw the fall of the Roman Empire the birth in the Reformation of capitalist society or as in 1789 the final chapter in the dramatic rise of the middle class to power All of these were not revolutions made by thinkers though some of them may have foreseen its coming but of ordinary people who shaped the large outlines of the direction of these changes Laski held that revolutions of our time have been rooted in all that goes to give its present character to our society We can recognize its advent and prepare for it in that event we might build a civilization richer and more secure than any of which we so far have knowledge Or we may chose to resist its onset in which case it will appear to some future generation that our age has sought rather to sweep back the tides of the ocean than to oppose the decrees of men The curse of our social order is its persistent inequalities Either we must find ourselves able to co operate in their removal or we shall move rapidly to conflict about them Laski argues that the middle class must co operate with workers in essential revisions as the aristocracy was wise enough to do a century ago over the Reform Bill or violent revolution will be unleashed by means that transforms the ends of either party to the conflict in view This is the choice that lies before us Just how accurate or wide of the mark Laski was is brilliantly articulated in the critical introduction by Sidney A Pearson Jr

Reflections on the Revolution of Our Time Harold Joseph Laski, 1968 Reflections on the Revolutions of Our Time Harold J. Laski, Originally published New York Viking 1943 Discourse Theory and Political Analysis David R. Howarth, Aletta J. Norval, Yannis Stavrakakis, 2000-11-18 How can recent developments in post structuralist post Marxist and psychoanalytical theory actually inform ongoing empirical research What are the appropriate methods and research strategies for conducting research in discourse theory and analysis How can concepts such as hegemony identity the imaginary dislocation and empty signifiers illuminate key aspects of contemporary society and politics This pathbreaking and multi focal book contains a clear introductory statement of the theoretical approach used and concludes with an assessment of the future directions of discourse theory in the social sciences **Dilemma of Our Times** Harold J. Laski, 1968 First Published in 1968 Routledge is an imprint of Taylor Francis an informa company The Crisis of Marxism Elías J. Palti, 2025-06-09 In this book El as J Palti analyzes the writings of key thinkers who have theorized the present situation of Marxism Perry Anderson Fredric Jameson Ernesto Laclau Slavoj i ek Judith Butler Alain Badiou and Jacques Derrida His aim is to interrogate what appears to be the final crisis of Marxist political tradition from a historical intellectual point of view placing it within a broader framework which is the present crisis of politics at large Yet it also reveals why we cannot even then avoid confronting it stubbornly trying to think of what seems to be unthinkable today namely the idea of an emancipatory horizon Unlike traditional works of political philosophy *The Crisis of Marxism A Historical Intellectual Problem*

does not intend to provide political or philosophical answers to today's dislocation of politics. Instead, it aspires to clarify the nature of the questions that such a situation raises and demonstrates why the current crisis of Marxism contains some fundamental clues for it. Radicalism, Populism, Interventionism. Three Approaches Based on Discourse Theory ,

Colonial Buganda and the End of Empire Jonathon L. Earle, 2017-08-24 This book offers an intellectual history of colonial Buganda using previously unseen archival material to recast the end of empire in East Africa. It will be ideal for researchers, upper level undergraduate and graduate students interested in the cultural, intellectual, religious and political history of modern East Africa. The PKK-Kurdistan Workers' Party's Regional Politics Ali Balci, 2016-11-30 This book presents a theoretical framework to study dissident ethnic movements' imagination of world politics with a special focus on the PKK as a case study. Dissident ethnic movements are not only a challenge to the existing hegemonic power but they also produce an alternative closed society based on different ethnic imagination. Instead of taking the armed PKK movement as a pure resistant, this book approaches contemporary Kurdish nationalism led by the PKK as a counter-hegemonic with a narrative that entails the emergence of a new kind of identity and sense of belonging through which the PKK has been able to exercise its power. This book is an attempt to go beyond resistance-oriented approach, unveiling the two faces of the PKK's representation of world politics, its transformative effect on the Kurds and its exclusionary function towards traditional and alternative Kurdish subjects/institutions. **Normalising Private Military Force** Christopher Kearney, 2025-09-03 This book examines the normalization of Private Military and Security Companies (PMSCs) and analyses US media discourse around the Nisour Square incident in Iraq as a pivotal case. States are increasingly relying on PMSCs to meet security needs. As a sign of ongoing normalization, these companies are now increasingly targeted by soft law or self-regulation. Rejecting the common claim that mercenaries have always been with us, this book sets out to analyse the underlying conditions that have allowed PMSCs to emerge in their uniquely contemporary incarnation. Divided into two parts, this book develops a novel poststructural framework of analysis to articulate social, political and affective conditions that enabled PMSCs to prevail despite controversy. It draws on and operationalizes the Essex School's logics-based approach while developing it further with corpus linguistics and applies this framework to a large corpus of American mainstream media articles. The volume contributes to efforts aiming to overcome the alleged methodological deficit of discourse analysis while highlighting the importance of making unconsciously held truths visible. This book will be of interest to students of private security companies, military studies, critical security studies and International Relations. **Populist Discourse** Yannis Stavrakakis, 2024-04-26 *Populist Discourse: Recasting Populism Research* offers a refreshingly innovative discourse theory perspective on populist phenomena. Reading this book will help you familiarize yourself with the historical genealogy of significant populist phenomena from the end of the 19th century onwards and with the main conceptual/theoretical accounts established to analyse them. Mainstream conceptualizations of populism in both academia and public discourse are critically

discussed in order to map new promising avenues for research Inspired by the works of Ernesto Laclau and Chantal Mouffe the book addresses current challenges within populism research and highlights the new directions that a conceptually nuanced theoretically rigorous and historically informed discursive orientation can contribute to the contemporary study of populism Without sacrificing attention to detail strong bibliographical support and a focus on the future development of populism research *Populist Discourse* is written in accessible language to engage populism scholars advanced undergraduates and graduate level students within the field of political science Due to its interdisciplinary character it will also appeal to readers associated with various politically informed area studies and the broader field of ideology and discourse analysis *Discourse, Culture and Organization* Tomas Marttila, 2018-09-22 This edited volume brings together leading international researchers from across the social sciences to examine the theoretical premises methodological options and critical potentials of the Essex School of discourse analysis founded on the work of Ernesto Laclau and Chantal Mouffe In doing so it presents a clear picture of a poststructuralist and post foundational research program to postdisciplinary discourse research Divided into three parts it begins by elaborating the ontological theoretical and methodological foundations of the Essex School's approach to discourse analysis The second part provides empirical case studies showing how the Essex School research program informs and instructs empirical discourse research In the concluding third part authors explain how and with what possible consequences this strand of discourse research contributes to social practices of critique It offers a crucial contribution to the further methodologization and operationalization of the Essex School's approach so as to make it a viable alternative to discourse analytical approaches that take dominant positions in today's field of discourse studies The book's transdisciplinary focus will attract readers who use discourse analysis in all areas of the social sciences and humanities particularly applied linguistics cultural anthropology sociology philosophy and history

Welcome to the Jungle Kobena Mercer, 2013-09-13 *Welcome to the Jungle* brings a black British perspective to the critical reading of a wide range of cultural texts events and experiences arising from volatile transformations in the politics of ethnicity sexuality and race during the 1980s The ten essays collected here examine new forms of cultural expression in black film photography and visual art emerging with a new generation of black British artists and interprets this prolific creativity within a sociological framework that reveals fresh perspectives on the bewildering complexity of identity and diversity in an era of postmodernity Kobena Mercer documents a wealth of insights opened up by the overlapping of Asian African and Caribbean cultures that constitute Black Britain as a unique domain of diaspora **Critical theory and**

demagogic populism Paul K. Jones, 2020-11-03 Populism is a powerful force today but its full scope has eluded the analytical tools of both orthodox and heterodox populism studies This book provides a valuable alternative perspective It reconstructs in detail for the first time the sociological analyses of US demagogues by members of the Frankfurt School and compares these with contemporary approaches Modern demagoguery emerges as a key under researched feature of populism

since populist movements whether left or right are highly susceptible to demagogic capture The book also details the culture industry s populist contradictions including its role as an incubator of modern demagogues from the 1930s through to today s social media and Trumpian psychotechnics Featuring a previously unpublished text by Adorno on modern demagoguery as an appendix it will be of interest to researchers and students in critical theory sociology politics German studies philosophy and history of ideas as well as all those concerned about the rise of demagogic populism today **Post-Foundational**

Discourse Analysis Tomas Marttila, 2015-10-19 This book adds the missing link between post foundational discourse theory and the methods of empirical research and in doing so it develops a post foundational discourse analysis research program The book offers a structure of the research program and explores the methodologization of other discourse analytical approaches *The Dialogue of Negation* Jeremy Lester, 2000-04-20 The dialogue between large elements of the Western and the Soviet Russian left has all too often been one of negation rather than affirmation The Dialogue of Negation pursues this argument and examines the conceptual and strategic richness of hegemony providing an overview of the key debates which have shaped its historical development Jeremy Lester situates the modern evolution of hegemony within an East West dimension and focuses in particular on the deep seated difficulties and incompatibilities of much of this interaction Lester offers a defence of Gramsci s understanding of hegemony as a key element of the revolutionary class struggle He acknowledges Gramsci s own disputes within the Marxist domain and celebrates the theoretical and practical legacy he bequeathed to those who continue the struggle to replace capitalism with socialism Lester provides a critical defence of modernity against the challenge of postmodernity arguing that it is only within the parameters of modernity that a meaningful form of socialism can succeed He seeks to highlight the inconsistencies and illogicalities of those theorists who see the transition to some kind of postmodern condition as offering new possibilities for the transcendence of capitalism

Persuasion and Compulsion in Democracy Jacquelyn Kegley, Krzysztof Piotr Skowronski, 2013-01-25 This collection of essays focuses on the roles that coercion and persuasion should play in contemporary democratic political systems or societies A number of the authors advocate new approaches to this question offering various critiques of the dominant classical liberalism views of political justification freedom tolerance and the political subject A major concern is with the conversational character of democracy Given the problematic and ambiguous status of the many differences present in contemporary society the authors seek to alert us to the danger that an emphasis on reasonable consensus will conceal exclusion in practice of some contending positions The voices of vulnerable peoples can be unconsciously or even deliberately silenced by various institutional processes and operating procedures and a strong media influence can change the tenor of conversations and even lead to deception To counter these factors a number of the essays in differing ways urge the fostering of local community conversations or democratic agoras so that democratic debate and conversation might maintain the vitality necessary to a strong democratic system *Overcoming Exploitation and Externalisation* Friederike

Habermann,2023-12-15 Advancing an intersectional theory of hegemony this book shows how various power relations interact through capitalist structures of othering Going beyond the usual critiques of capitalism it analyses the market itself as a principal cause of various forms of externalisation and domination The book therefore calls for a dismantling of the market and its competitive economic structures through a transformation of the economy from below greater democratisation not least for the empowerment of suppressed identities and the creation of commons as spaces based on inclusion rather than exclusion In doing so Overcoming Exploitation and Externalisation argues that co operative possibilities can emerge for the transformation of ourselves and our society It will therefore appeal to scholars and students of social and political theory with interests in the commons and alternatives to capitalism **The Culture of Enterprise in**

Neoliberalism Tomas Marttila,2013-01-04 This book provides an empirical study of the increasing importance of the concept of the entrepreneur in the context of the neoliberal cultural paradigm Using the theoretical framework of the post structural discourse theory and methods of qualitative discourse analysis the book describes the changes in political discourse that resulted in the increasing dominance of the figure of the entrepreneur after the late 1980s **A**

Comprehensive, Annotated Bibliography on Mahatma Gandhi Ananda M. Pandiri,2007-02-28 Few figures in the twentieth century have been as inspirational as Mohandas Mahatma Gandhi Interest in this extraordinary man has produced a massive amount of printed material making Ananda M Pandiri s comprehensive bibliography an invaluable reference tool for scholars and students Pandiri has meticulously searched printed and electronic indexes publisher s catalogs and university libraries throughout India Britain and the U S to compile a complete bibliography of sources in the English language This volume is organized and cross referenced for easy use and access to a voluminous amount of information Features include More than 4700 entries comprising books pamphlets seminars government records and other significant printed material Complete bibliographic data of sources Annotations detailing the content and scholarship of sources Two exhaustive indexes Title and Subject

Reflections On The Revolution Of Our Time Introduction

Reflections On The Revolution Of Our Time Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Reflections On The Revolution Of Our Time Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Reflections On The Revolution Of Our Time : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Reflections On The Revolution Of Our Time : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Reflections On The Revolution Of Our Time Offers a diverse range of free eBooks across various genres. Reflections On The Revolution Of Our Time Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Reflections On The Revolution Of Our Time Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Reflections On The Revolution Of Our Time, especially related to Reflections On The Revolution Of Our Time, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Reflections On The Revolution Of Our Time, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Reflections On The Revolution Of Our Time books or magazines might include. Look for these in online stores or libraries. Remember that while Reflections On The Revolution Of Our Time, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Reflections On The Revolution Of Our Time eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Reflections On The Revolution Of Our Time full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Reflections On The Revolution Of Our Time eBooks, including some popular titles.

FAQs About Reflections On The Revolution Of Our Time Books

1. Where can I buy Reflections On The Revolution Of Our Time books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Reflections On The Revolution Of Our Time book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Reflections On The Revolution Of Our Time books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Reflections On The Revolution Of Our Time audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Reflections On The Revolution Of Our Time books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
