**The Post-Boom in Spanish American Fiction** Donald L. Shaw, 1998-07-10 What happened in Spanish American fiction after the Boom? Can we define the Post Boom? What are its characteristics? How does it relate to the Boom itself? Is Post Boom the same as Postmodernism, or something quite different? Shaw traces the emergence of a different kind of writing which began to displace the Boom in the mid 1970s and has flourished ever since. More reader-friendly, more concerned with the here and now of Latin America, the writers of the Post Boom have explored new areas of Spanish American life and incorporated characters from new social groups, especially young working class and lower middle class figures with their distinctive pop culture and freewheeling life style. Shaw suggests that while some Boom writers have

moved toward the Post Boom Post Boom narrative is distinctively different from that of the older movement and cannot be readily assimilated into Postmodernism
