Michelle Foster,2007-07-12 Publisher Description *Refugee Law and Policy* Karen Musalo,Jennifer Moore,Richard A.

Boswell,2002 **Asylum-Seeker and Refugee Protection in Sub-Saharan Africa** Cristiano d'Orsi,2015-08-11 It is not often acknowledged that the great majority of African refugee movement happens within Africa rather than from Africa to the West This book examines the specific characteristics and challenges of the refugee situation in Sub Saharan Africa offering a new and critical vision on the situation of asylum seekers and refugees in the African continent Cristiano d Orsi considers the international regional and domestic legal and institutional frameworks linked to refugee protection in Sub Saharan Africa and explores the contributions African refugee protection has brought to the cause on a global scale Key issues covered in the book include the theory and the practice of non refoulement an analysis of the phenomenon of mass influx the concept of burden sharing and the role of freedom fighters The book goes on to examine the expulsions of refugees and the historical role played by UNHCR in Sub Saharan Africa As a work which follows the persecution and legal challenges of those in search of a safe haven this book will be of great interest and use to researchers and students of immigration and asylum law international law human rights and African studies The Refugees Convention 50 Years on Susan Kneebone,2018-04-27

This title was first published in 2003 The authors of the essays in this collection all internationally recognised refugee scholars and practitioners look at the controversial hot topic of refugee rights They consider whether 50 years after its agreement the Refugees Convention can provide an adequate framework for protection In particular the authors address the effect of globalization upon the human rights of asylum seekers and refugees the efficacy of the Convention as an instrument of international law the role of the UNHCR whether NGOs are effective instruments for change and nationality and citizenship issues They also consider alternatives and options for solutions to the global refugee problem *The*

International Protection of Internally Displaced Persons Catherine Phuong,2005-01-27 Despite the fact that there are up to

25 million internally displaced persons around the world their plight is still little known Like refugees internally displaced persons have been forced to leave their homes because of war and human rights abuses but they have not left their country This has major consequences in terms of the protection available to them This 2005 book aims to offer a clear and easily accessible overview of this important humanitarian and human rights challenge In contrast with other books on the topic it provides an objective evaluation of UN efforts to protect the internally displaced It will be of interest to all those involved with the internally displaced as well as anyone seeking to gain an overall understanding of this complex issue

The Maya of Morganton Leon Fink, 2024-10-22 In 2003 Leon Fink published his oral history of Guatemalan and Mexican migrants in Morganton North Carolina and their fight for unionization in a poultry processing plant In the following years Fink remained in touch with many of the people he profiled in the book and in 2022 he returned to Morganton to interview them and talk with their children new migrants in the area and community leaders particularly women Their conversations covered a wide range of topics including labor struggles and victories grassroots and electoral political organizing social activism especially on issues affecting undocumented migrants class mobility for second generation migrants and new cooperative worker owned institutions including a bookstore a textile factory and a preschool This revised and expanded edition of *The Maya of Morganton* reveals what Fink found on his return to Morganton documenting two decades of continuity and change in a new preface and chapter Together the new and original material present a comprehensive yet intimate examination of the migrant experience in western North Carolina

Grant, 2008-09-15 Is it more dangerous to call something evil or not to This fundamental question deeply divides those who fear that the term oversimplifies grave problems and those who worry that to effectively address such issues as terrorism and genocide we must first acknowledge them as evil Recognizing that the way we approach this dilemma can significantly affect both the harm we suffer and the suffering we inflict a distinguished group of contributors engages in the debate with this series of timely and original essays Drawing on Western conceptions of evil from the Middle Ages to the present these pieces demonstrate that while it may not be possible to definitively settle moral questions we are still able and in fact are obligated to make moral arguments and judgments Using a wide variety of approaches the authors raise tough questions Why is so much evil perpetrated in the name of good Could evil ever be eradicated How can liberal democratic politics help us strike a balance between the need to pass judgment and the need to remain tolerant Their insightful answers exemplify how the sometimes rarefied worlds of political theory philosophy theology and history can illuminate pressing contemporary concerns
