participation of blacks and other ethnic groups in governmental systems and the white reaction during the period he terms the Second Reconstruction Race Reform and Rebellion illustrates how poverty illegal drugs unemployment and a deteriorating urban infrastructure hammered the African American community in the 1980s and early 1990s **The Afro-Modernist Epic and Literary History** K. Schultz, 2013-11-19 Analyzing the poets Melvin B Tolson Langston Hughes and Amiri Baraka this study charts the Afro Modernist epic Within the context of Classical epic traditions early 20th century American modernist long poems and the griot traditions of West Africa Schultz reveals diasporic consciousness in the representation of African American identities *Teaching with Conscience in an Imperfect World* William Ayers, 2016-04-08 In this beautifully written little book Bill Ayers blends personal anecdotes with critique of the state of education He offers a plan to help educators policymakers and parents to stretch toward something new and dramatically better schools that are more joyful more balanced and more guided by the power of love *Fear and Learning in America* John Kuhn, 2014-01-01 In this moving account America's Superintendent John Kuhn lays bare the scare tactics at the root of the modern school reform movement Kuhn conveys a deeply held passion for the mission and promise of public education through his own experience as a school administrator in Texas When his Alamo Letter first appeared in the Washington Post it galvanized the educational community in a call to action that was impossible to ignore This powerful book requires us to question whether the current education crisis will be judged by history as a legitimate national emergency or an agenda driven panic spurred on by a media that is for the most part uninterested in anything but useless soundbites Essential reading for teachers administrators policymakers and everyone concerned with public education *Fear and Learning in America* Analyzes school reform from the perspective of a practicing school administrator who isn't sold on the corporate reform package Places school reform in the historical context of similar episodes of national hand wringing Offers encouragement and appreciation to classroom teachers who are exhausted by the vilification that modern school reform has served up John Kuhn's book is packed with more wisdom than any 10 books that I have read about American education It is the wisdom born of experience It is the wisdom of a man who cares about children families and community From the Foreword by Diane Ravitch author of *Reign of Error* In *Fear and Learning in America* John Kuhn weaves together stories from his life as a teacher and missionary with tales from history The result is a fresh way of thinking about schools and educational policy Refuting *A Nation at Risk* Mr Kuhn warns persuasively of a rising tide of inequality His message artfully delivered in this important book should be heeded John Merrow education correspondent PBS NewsHour and president Learning Matters Inc Kuhn is a superb educator and his valuable book effectively dissects the myths about today's high stakes testing environment and the worsening conditions under which educators are expected to make miracles every day or else His cogent arguments against such policies demonstrate what is really important and should inform the debate about public education Randi Weingarten president American Federation of Teachers This book is a brilliantly clear defense of public education as our nation's most valuable

asset John Kuhn fearlessly names the fact that today's education reformers like the renowned emperor wear no clothes Christine Sleeter professor emerita California State University Monterey Bay John Kuhn is a public school administrator in Texas and a vocal advocate for public education His Alamo Letter and YouTube videos of his 2011 speech at a Save Texas Schools rally went viral as did his 2012 essay The Exhaustion of the American Teacher Worth Striking For Isabel Nunez, Gregory Michie, Pamela Konkol, 2015-02-20 Written by activist educators Worth Striking For speaks to teachers and teachers to be about the drastic changes in the landscape of public education in recent decades and focuses on what they need to know about the debates and complex issues of reform affecting their lives and professions The book identifies the most significant shifts in education policy including how policy has helped or hindered the broader educational purposes of schools Using the 2012 Chicago teachers strike as a framing device the authors demonstrate how each of the policy areas addressed is critically important to teachers lives and work Each chapter describes one of the Chicago teachers demands and then explores a related policy arena through the lens of an associated philosophical purpose of education The text features individually authored vignettes that juxtapose the authors personal experiences with the issues bringing policy and policy activism to life This hopeful book will inspire and empower teachers to take action in their schools communities districts and states **Being Bad** Crystal T. Laura, 2015-04-28 Being Bad will change the way you think about the social and academic worlds of Black boys In a poignant and harrowing journey from systems of education to systems of criminal justice the author follows her brother Chris who has been designated a bad kid by his school a person of interest by the police and a gangster by society Readers first meet Chris in a Chicago jail where he is being held in connection with a string of street robberies We then learn about Chris through insiders accounts that stretch across time to reveal key events preceding this tragic moment Together these stories explore such timely issues as the under education of Black males the place and importance of scapegoats in our culture the on the ground reality of zero tolerance the role of mainstream media in constructing Black masculinity and the critical relationships between schools and prisons No other book combines rigorous research personal narrative and compelling storytelling to examine the educational experiences of young Black males Book Features The natural history of an African American teenager navigating a labyrinth of social worlds A detailed concrete example of the school to prison pipeline phenomenon Rare insight of an African American family making sense of and healing from school wounds Suggested resources of reliable places where educators can learn and do more Other books have focused on the school to prison pipeline or the educational experiences of young African American males but I know of none that bring the combination of rigorous research up close personal vantage point and skilled storytelling provided by Laura in Being Bad Gregory Michie Chicago public school teacher author of Holler If You Hear Me senior research associate at the Center for Policy Studies and Social Justice Concordia University Chicago Refusing to separate the threads that bind the oppressive fabric of contemporary urban life Laura has crafted a story that is at once astutely critical funny engaging tearful dialogue

filled profoundly theoretical despairing and filled with hope Being Bad is a challenge and a gift to students families policymakers soon to be teachers social workers and ethnographers Michelle Fine distinguished professor Graduate Center CUNY Perhaps more than any other study on this topic this book brings to life the complicated fleshed lived experience of those most directly and collaterally impacted by the politics of schooling and its relationship to our growing prison nation Garrett Albert Duncan associate professor of Education and African American Studies Washington University in St Louis

Same as It Never Was Gregory Michie, 2019 After a decade as an education professor Greg Michie decided to return to his teaching roots He went back to the same Chicago neighborhood the same public school and the same grade level and subject he taught in the 1990s But much had changed both in schools and in the world outside them Same As It Never Was chronicles Michie s efforts to navigate the new realities of public schooling while also trying to rediscover himself as a teacher Against a backdrop of teacher strikes and anti testing protests the movement for Black lives and the deepening of anti immigrant sentiment this book invites readers into an award winning teacher s classroom as he struggles to teach toward equity and justice in a time where both are elusive for too many children in our nation s schools Michie s volume brings us back to the reality of public school teaching From the Foreword by Gloria Ladson Billings University of Wisconsin Madison Teachers will love this beautiful book and anyone who cares about the future of our democracy Sonia Nieto professor emerita University of Massachusetts Amherst Michie helps us to see the successes tensions shortcomings and triumphs in his own classroom and community so that we may see the extraordinary possibility of the work to be done in ours Cornelius Minor educator and author Honest and compassionate Edwin Mayorga Swarthmore College

Centering Race, Gender, and Class in Postsecondary Planning Nicole E. Holland, Raquel Farmer-Hinton, 2025 This book encourages educational practitioners to reimagine school based postsecondary preparatory opportunities to be more inclusive cohesive and supportive of students and their families With specific attention paid to students who have been traditionally underrepresented in college going and college graduating populations the authors use theory research and empirical evidence to intentionally center and elevate students who have been overlooked or marginalized in the postsecondary planning process Based on a college and career readiness program that supported the postsecondary aspirations of Black teenage girls this book identifies how where and when school policies and practices create barriers to college and career planning Within that program traditional postsecondary practices were redesigned with specific consideration of the essential elements of time care cultural relevance and lived experiences This practical resource describes key approaches that encourage educators counselors and administrators to revise their own practices to be more beneficial and inclusive for today s diverse college aspirants Book Features Challenges school practitioners administrators and district leaders to reexamine the policies and practices they are using to prepare students for postsecondary lives Demonstrates how to intentionally dismantle one size fits all approaches to postsecondary preparation by centering the needs of diverse students

Includes insights and reflections from a three year college and career readiness program in a public high school in partnership with a group of Black teenage girls Provides intentional strategies for including race class and gender in postsecondary planning

Spectacular Things Happen Along the Way Brian D. Schultz, 2018 This celebrated narrative shows how a teacher alongside his 5th grade students co created a curriculum based on the students needs interests and questions Follow Brian Schultz and his students from a Chicago housing project as they work together to develop an emergent and authentic curriculum based on what is most important to the 5th graders replacing their dilapidated school The persuasive storytelling that captured the attention of educators and the media depicts the journey of one teacher in an urban school and his students juxtaposed against the powerful and entrenched bureaucracy of Chicago s public education system In this second edition Schultz examines how school reform continues to fail students in urban contexts reflects on his teaching and writing from a decade ago and offers compelling updates on students and what became of the school A lot can be learned from the young people of Room 405 then and now Not only did these particular 5th graders push back against the city and school board in their pursuit for a better learning environment for themselves and their community but they also learned about the power of using their voices in purposeful ways We can only hope that educators will read the new edition and be inspired to make similar choices themselves From the Foreword by Pedro Noguera UCLA In this eagerly awaited second edition Schultz has reiterated what it means to be a courageous and caring teacher From the Afterword by Sonia Nieto professor emerita University of Massachusetts Amherst A compelling read that continues to remind us how much a better world depends on our ability to foster learning and teaching experiences that nurture young people s capacity to think deeply Denise Taliaferro Baszile VP AERA Division B This second edition highlights the ongoing dismantling of urban public schools in the name of reform even while fueling our sense of possibility and hope Kevin Kumashiro author *Bad Teacher*

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
