Critical Essays on the Western American Novel William T. Pilkington, 1980 Twentieth-century Western Writers Geoff Sadler, 1991 Contains alphabetically arranged entries that provide information about nearly five hundred twentieth century writers of Western fiction each featuring a biography a bibliography a signed critical essay and in some cases comments from the author Includes a title index *What Do I Read Next?* Kristin Ramsdell, 1992-10 Provides synopses for over 1 500 titles of current popular fiction and recommends other books by such criteria as authors characters portrayed time period geographical setting or genre **Western Writing** Gerald W. Haslam, 1974 The Cowboy in Country Music Don Cusic, 2011-07-29 This series of biographical profiles shines a spotlight on that special place Where the West meets the Guitar From Gene Autry and Roy Rogers to contemporary artists like Michael Murphy Red Steagall Don Edwards and Riders in the Sky many entertainers have performed music of the West a genre separate from mainstream country music and yet an important part of the country music heritage Once called Country and Western it is now described as Country or Western Though much has been written about Country very little has been written about Western until now Featured are a number of photos of the top stars in Western music past and present Also included is an extensive bibliography of works related to the Western music field *South Dakota Review* ,1998 **What Western Do I Read Next?** Wayne Barton, 1999 What Western Do I Read Next describes and indexes approximately 1 900 titles published between 1989 and 1998 providing access to information genre readers need to select their next best read title series author publisher characters locale time period plot summary and similar authors **The American Western A Complete Film Guide** Terry Rowan, 2012-11-18 A comprehensive film guide featuring films and television shows of the great American western The stories of the men and women who tamed the old West Also featuring actors and directors who made these films possible *Western Movies* Michael R. Pitts, 2013-01-04 This revised and greatly expanded edition of a well established reference book presents 5105 feature length four reels or more Western films from the early silent era to the present More than 900 new entries are in this edition Each entry has film title release company and year running time color indication cast listing plot synopsis and a brief critical review and other details Not only are Hollywood productions included but the volume also looks at Westerns made abroad as well as frontier epics north woods adventures and nature related productions Many of the films combine genres such as horror and science fiction Westerns The volume includes a list of cowboys and their horses and a screen names cross reference There are more than 100 photographs *A Wilder West* Mary-Ellen Kelm, 2012-07-01 The rodeo cowboy is one of the most evocative images of the Wild West The master of the frontier he is renowned for his masculinity toughness and skill A Wilder West returns to rodeo s small town roots to explore how rodeo simultaneously embodies and subverts our traditional understandings of power relations between man and nature women and men settlers and Aboriginal peoples An important contact zone a chaotic and unpredictable place of encounter rodeo has challenged expected social hierarchies

bringing people together across racial and gender divides to create friendships rivalries and unexpected intimacies At the rodeo Aboriginal riders became local heroes and rodeo queens spoke their minds A Wilder West complicates the idea of western Canada as a white man s country and shows how rural rodeos have been communities in which different rules applied Lavishly illustrated this creative history will change the way we see the West s most controversial sport
