

A Humorous Poetic Guide to the Equestrian Arts,
Riding and Rhyme it could be said
Together form a rhythmic treat
So within these pages it is my intention
To describe the equine and equitation.

Not by the usual methods you'll find
But by planting a rhythm within your mind
For rhythm is needed and never lacks force
When you are learning to ride a horse.

So many people have so little time
Or cannot be bothered, so maybe a rhyme
Will help them remember or help them to know
All about horses and what makes them go.

And how they regard us, so that in the end
They will know how it feels with a horse as a friend.
