

THE DREAM

Times like these remind me
of things I wanted to do.
I never built our log cabin.
Lord knows, I want to.

I'm still dreaming that one day
we'll own a magnificent horse,
and build a ranch in a canyon
where time slows down, of course.

Every time I see that beautiful scene
of a mare with colt by her side,
my mind pictures our cabin
where we'll reach our dreams when we ride.

Where the stars feel like they'll touch you,
as we sit and gaze on high,
at the Heavens where we're hoping
we'll be goin' when we die.

Riding on a Dream Joyce Garrett-Williams, 1999-05-01 *Women Poets and Myth in the 20th and 21st Centuries* Rosa Burillo, María Porrás Sánchez, Esther Sánchez-Pardo, 2018-10-29 This book rereads and re examines the important tradition of women poets and theorists who have both critically and creatively engaged with the study and reconsideration of the role played by myths in our Western society assessing their impact in different eras Such poets and theorists as H D Laura Riding Denise Levertov Margaret Atwood Anne Carson and Natalie Diaz have responded to myths either by recreating rewriting and interrogating the power of myths to articulate our reality or by creating and begetting new

myths for the present In order to interrogate whether myths throughout the 20th and 21st centuries can act as catalysts for new ideas and imaginative re creations this volume travels the path of essential works of poetry by women

The Romance of the Lyric in Nineteenth-Century Women's Poetry Lee Christine O'Brien, 2012-10-05 The Romance of the Lyric in Nineteenth Century Women's Poetry Experiments in Form offers a new account of the nature of the lyric as nineteenth century women poets developed the form It offers fresh assessments of the imaginative and aesthetic complexity of women's poetry The monograph seeks to redefine the range and cultural significance of women's writing using the work of poets who have not heretofore been part of critical accounts of nineteenth century lyric poetry These new voices are set beside new readings of the poetry of established figures for example Christina Rossetti's Goblin Market and Augusta Webster's Medea in Athens and Circe The monograph draws substantially on the poetry of Rosamund Marriott Watson who was lost to literary history before the restoration of her oeuvre through the scholarly and critical work of Professor Linda K Hughes to make the case that once neglected and lost voices provide new ways of determining the cultural centrality of women and the poetry they produced in one of the richest periods of poetic experimentation in the Western literary tradition This monograph contends that Watson's poetry and prose provide new ways of analyzing the complex and frequently transgressive nature of the lyric engagement of women with folklore and myth and with the growing understanding in the nineteenth century of the fragmented fluid self in general and of the writer in particular

Black Riders Jerome J. McGann, 2020-11-10 English literature Yeats once noted has all but completely shaped itself in the printing press Finding this true particularly of modernist writing Jerome McGann demonstrates the extraordinary degree to which modernist styles are related to graphic and typographic design to printed letters black riders on a blank page that create language for the eye He sketches the relation of modernist writing to key developments in book design beginning with the nineteenth century renaissance of printing and demonstrates the continued interest of postmodern writers in the visible language of modernism McGann then offers a philosophical investigation into the relation of knowledge and truth to this kind of imaginative writing Exploring the work of writers like William Morris Emily Dickinson W B Yeats Ezra Pound and Gertrude Stein as well as Laura Riding and Bob Brown he shows how each exploits the visibilities of language often by aligning their work with older traditions of so called Adamic language McGann argues that in modernist writing philosophical nominalism emerges as a key aesthetic point of departure Such writing thus develops a pragmatic and performative answer to Plato in the matter of poetry's relation to truth and philosophy

Godiva's Ride Dorothy Mermin, 1993-09-22 Students and teachers of Victorian women's careers will be grateful for Mermin's intelligent and equable guidance as they negotiate the paradoxes of Godiva's Ride Modern Philology This brief study should be enormously helpful to students seeking an introduction to feminist approaches to Victorian writers Choice Mermin's fine book is a work of synthesis that moves across many genres of women's writing and touches on neglected writers of the period as well as on the canonized few American Historical Review Godiva's Ride is a stimulating and enjoyable study of an exceptionally rich subject Victorian Periodicals Review Accessible original and gracefully written Godiva's Ride is likely to be as engrossing for the general reader as for the expert Victorian Studies Describes the first great age of women's writing in England Mermin discusses how women were encouraged to become writers how they were discouraged and hindered and what they wrote The many women entering the mainstream of English literature in this era included the Brontës Elizabeth Gaskell George Eliot Margaret Oliphant Elizabeth Barrett Browning Christina Rossetti and Harriet Martineau

A Critical History of English Poetry Herbert Grierson, J. C. Smith, 2014-01-13 This famous work was the result of the wartime collaboration of two Scottish scholars Their tracing of the course of English poetry has been described by The Times Literary Supplement as a volume of masterly compression They deliberately spend most time on the greatest poets believing that significant as traditions and influences are the great poet himself affects the spirit of his age and moulds the tradition he has inherited At the same time enough attention is paid to minor poets to make the book historically complete and to fill in the most important links in the chain of poetic development Thus Gower is here as well as Chaucer Patmore as well as Browning Both in scope and in detail A Critical History of English Poetry is a distinguished and valuable work
