Riding The Fence Lines:

Riding the Fence Lines Bernie Keating, 2003 **Riding My Horse** Bernie Keating, 2013-03-11 Meadowlark approached Scott after he had dismounted You're riding my pony she declared in a threatening voice and stood with a hostile hands on hips posture face to face directly in front of him He was startled How to respond to this angry girl Gosh I wouldn't have ridden the pony if I knew you'd be upset Your brother Swallow said it would be okay Well it's not she retorted angrily No one rides my pony without asking and me saying so **100 School Exercises for Teaching Riding** Claire Lilley, 2023-12-05 In this book you will find exercises for all levels of horse and rider from novice level to advanced in both dressage and jumping including the use of props in training The author shows how exercises can be combined to create the optimum learning experience for rider and horse both from a teaching perspective and for solo training a teacher in a book Claire Lilley draws on her many years of experience as a riding coach with insight from being a student in her formative years She explains exercises from the teacher's perspective what to look for and key teaching points to consider The last section of exercises is for development as a teacher inviting the riding teacher to evaluate their own skills so as to improve their coaching methods Suggestions are given to improve coaching methods such as observational skills of the physical and mental capacities of both horse and rider Finally training plans are given using the exercises in practice with consideration as to whether lessons are individual shared or group as well as lesson location This book will be a valuable resource for riding instructors and pupils alike a welcome addition to the teacher's library **Riding the Line** Rex Taylor, 2012-10 Riding dirt bikes solo in remote areas is not conducive to safety The two most basic rules of safety are don't go out alone and always tell someone your itinerary But most of the time Rex Taylor rode alone That greatly increased the danger but simplified his logistics And it was just not possible to tell anyone his plans because he rarely had more than a general idea himself of his route or destination The risks were worth the thrill of riding a high powered machine across landscapes of unsurpassed natural beauty in total isolation He could rely on nothing but pluck and a lot of luck And his luck held to an unlikely degree A flat tire a broken bike part a broken body part or running out of gas could have meant disaster or death But he tried not to think about that too much ***Complete Horse Riding Manual*** William Micklem, 2023-03-28 A new fully updated edition of the complete guide to horse riding Learn all there is to know about horse riding from horse care and show jumping to mastering dressage with this comprehensive and fully updated guide Suitable for both novice and advanced riders and for equestrian fans of all ages this book will guide you through every stage of the riding process from the first time in the saddle to advanced riding skills Featuring all of the latest techniques and equipment this revised and updated edition covers everything you need to know about basic horse training dressage training and mental and physical preparation for both horse and rider as well as how to find and develop your ultimate horse Presented in spectacular visual detail it is the ultimate guide to perfecting your equestrian skills Featuring tips from internationally renowned horse trainer William Micklem The
